To the Grand County Commission

Dear Commissioners,

Canyonlands Healthcare and Emergency Medical Services Special Service Districts have met several times to discuss each districts current needs and negotiate a fair and equitable allocation of the 2023 Healthcare sales Tax.

For purposes of this negotiation, we anticipated total tax revenues to be collected at $3,000,000.

Both districts are experiencing increasing costs in

- Salaries, wages and benefits
- Supplies and materials
- Inflation

Both districts have loan obligations to the CIB for building loans

In addition –

CHC is currently obligated to produce the DSH seed money for MRH estimated to be between 200K and 250K for 2023. The DSH monies available to MRH provides a vital revenue source to maintain adequate services to our community. In the past the source of the seed money has come from mineral lease payments, something which has not been made available to the CHC district for several years.

EMS is experiencing the same increase in costs as every other entity and in addition has seen exorbitant increases in vehicle (ambulance) maintenance and fuel costs. This is of course, the lifeblood of an ambulance service. Call volume, while slightly lower than 2021, continues to increase when compared to 2019 levels. As you know, when call volume increases so do costs (putting additional ambulances in service, staffing, fuel, wear and tear on vehicles, additional maintenance etc.) while revenues may or may not increase. Remember that EMS can only bill for services when the call results in a transport.

Recruitment and retention issues are experienced by both districts and have resulted in the need to adjust staffing patterns as well as wages. EMS has incurred more overtime hours to manage the situation and adequately staff the service. Moab's high cost of living exacerbates this situation and requires that we bring wages up to keep pace with current wage levels in the community.

We feel strongly that the current financial situation of both districts prohibits any reduction in revenues from the healthcare sales tax. While we support a 50-50 split of the tax revenues we

have agreed to move toward that goal in incremental steps. As such we have agreed to a 43% (EMS) 57% (CHC) for CY 2023.

We feel confident that the County Commission will support the agreement reached by the districts and will respect the hard work that went into this process. The services provided by both districts are highly valued by the citizens and visitors to the Grand County community.

Respectfully submitted,

Canyonlands Healthcare SSD

Grand County EMS SSD

Canyonlands Health Care Special Service District

Dear Grand County Commission,

The Canyonlands Healthcare Special Service District (CHCSSD) is requesting their allocation of funding for the 2023 calendar year from the Rural Healthcare Sales Tax. The CHCSSD and the EMS Special Service District have agreed upon the terms of splitting the Rural Healthcare Sales Tax revenue 57% to CHCSSD and 43% to EMS SSD for the next few years. We also agreed that on the terms as such, the CHCSSD will continue to provide the Moab Regional Hospital's DSH seed payment as able from our (CHCSSD) 57% allocation. Thank you for your consideration on this matter.

Sincerely,

Tim McGinty
Vice-Chair CHCSSD

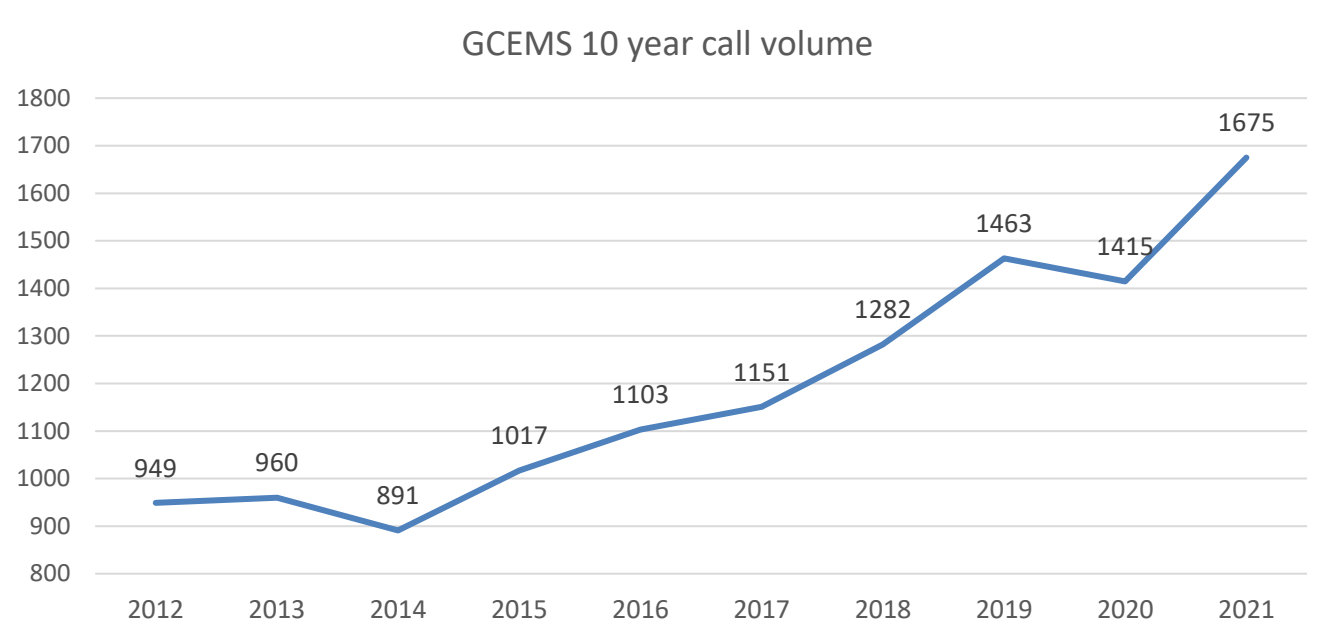
Subject: 2023 Funding allocation request
Date: September 6th, 2022

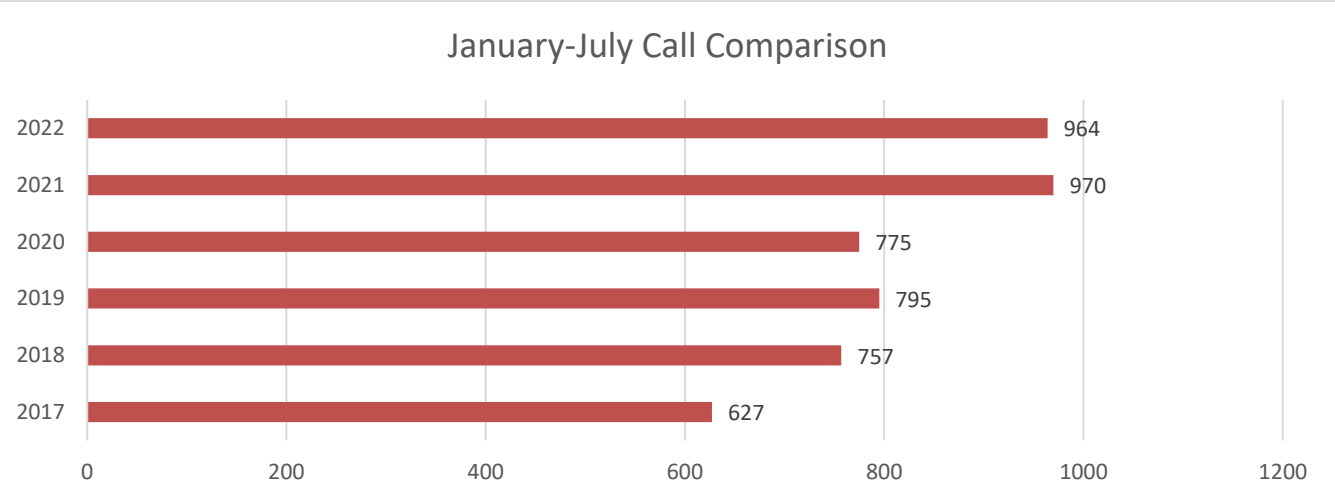
Grand County Commission Members,

We appreciate the opportunity to present the financial needs for the 2023 year. With the significant disruption of the previous 2 years, and the completion of our new building this year we were unsure what to fully expect. While some of the stress and extra cost from the COVID pandemic has waned, we are left with a new reality of skyrocketing cost for fuel, medical equipment, supplies, and ambulances. As an example, our average price per gallon for fuel in July of 2022 was 43% higher when compared to the same month in 2021, over the last year a simple medication like Epinephrine has increase 76% in cost. On top of the cost increases, we are also seeing extreme wait times for new ambulance deliveries and anything else with a microchip. This has forced us to spend significantly more in maintenance to keep our older vehicles running until we are able to replace them. On the positive side, the significant increase in the 2021 healthcare sales tax has assisted us in helping to offset the above costs.

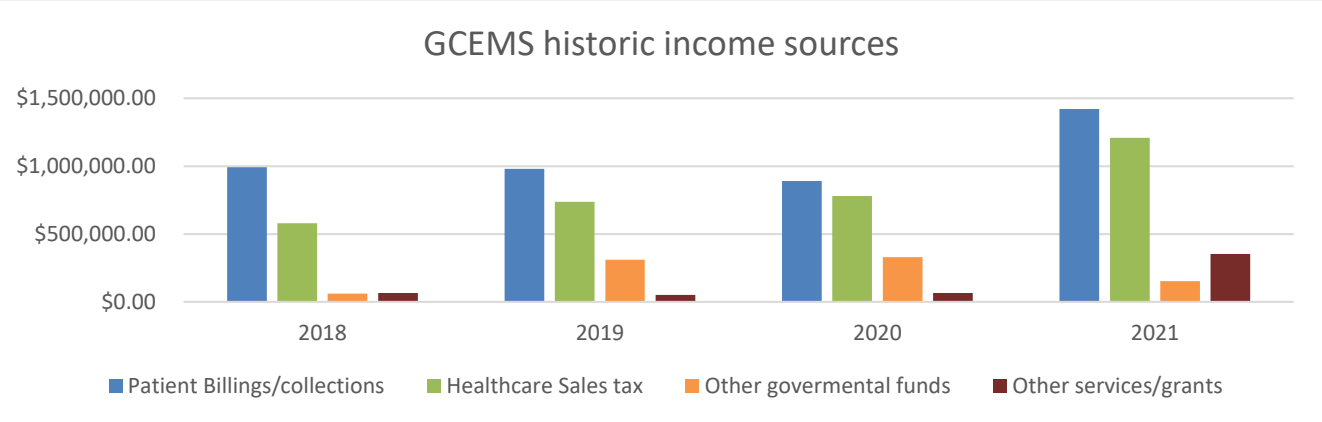
GCEMS SSD Responsibility:
Grand County EMS SSD is responsible for all prehospital emergency medical response in the 3,600 square miles of Grand County. Over the years the organization has had to expand its patient care standards and operational procedures to meet the demand and expectations of our citizens. Grand County EMS is trained to deal with civil unrest, pandemics, active shooter situations, backcountry trauma/medical care, and mental health emergencies. As the communities' expectations of emergency services has risen, so have our standards.

Service Utilization:
2021 closed out with a 18% increase in service demand over the 2020 year. The first half of 2022 we saw increases in demand for service over 2021 numbers, that trend slowed as we hit May, June, and July. In June of 2022 the department saw a 6% decrease in call volume, and July saw an 8% decrease. We anticipate this trend to continue for the rest of the year, with 2022 ending within 3% of the total yearly call volume of 2021.





EMS Funding:
Grand County EMS is funded by 2 primary sources, patient billing revenue and a portion of the 0.5% rural healthcare sales tax. These 2 sources make up 85% of expected revenue. Other areas that EMS receives funds are from CPR classes, grants, and commercial services.



EMS patient billing revenue is severely limited by two main factors; the State of Utah sets maximum billing rates, and EMS receives approximately $0.29 of every dollar we bill from Medicare and Medicaid patients. In Moab around 55% of our patients are insured by either Medicare or Medicaid. So in essence 55% of the ambulance bills we send out are discounted by 71%. In 2021 Grand County EMS recovered approximately 50% of what was billed to patients. This gross collection percentage is in line with the overall state numbers. Grand County EMS was required to contractually write off $1,069,102.00 in 2021 and additionally recorded $239,145.0 in bad debt. Another difficulty in funding EMS is that EMS organizations are only allowed to bill a patient that is transported to the hospital. Many of our calls are considered "good faith" calls in which someone calls 911, but after arriving on scene the issue has resolved, or our EMTs and Paramedics provided treatment and the individual does not require further medical attention in the emergency room. Recovery of funds is unavailable for these types of calls as they are part of the public safety mission of EMS.

Request:
Grand County EMS SSD has met with the Healthcare SSD and have jointly agreed pending the outcome of this meeting on adjusting the healthcare sales tax split to, 43% to the EMS District and 57% to the Healthcare District. Our 2023 request is the same as last year, that the County consider awarding revenue from the Healthcare Sales tax and any other appropriate revenue source (i.e. TRT, PILT, ML or other source) to bring the total award to an amount that would be equal to 50% of that sales tax (est. 1,500,000.00 based on 2022's estimated 3MM total). In 2022 the County granted this request by awarding 40% of the sales tax and awarding 152,000 in PILT funds. Based on 2022 estimated sales tax figures if the County awarded the district 43% of the Sales Tax the remaining amount from other sources needed would be $210,000.00.

We appreciate your consideration of this request

Sincerely,

Elizabeth Tubbs

PILT MONIES AND GCSD PRESCHOOL- - A FUNDING PROPOSAL

Each disadvantaged child that is helped now will lead to fewer who require assistance in the future.

HISTORY OF PILT FUNDING

PILT monies are Federal payments to local governments that help offset losses in property taxes due to the existence of nontaxable Federal lands within their boundaries. In the absence of these Federal lands schools would be receiving a share of the property taxes these lands would generate. Thus, it makes sense to share PILT funding with GCSD.

WHY PILT MONIES FOR GCSD PRESCHOOL?

- The effects of poverty are destructive and persistent across generations. We know that children born to parents in the lowest quintile of income distribution are twice as likely to end up there as children born to middle-income parents (Turner 2014). Further, these children, when grown, are also more likely to experience low income, low levels of education, receive government assistance and participate in risky behaviors.
- Research (NLSY79 and CNLSY) shows that societal investments in preschool education can disrupt the transmission of poverty across generations by increasing education attainment, labor market attachment, decreasing engagement in risky behavior, and other measures of health and well-being into adulthood.
- Early childhood in particular is a critical developmental period and presents an excellent opportunity for the most effective intervention.

LONG TERM EFFECTS OF PRESCHOOL ON STUDENTS FROM FAMILIES EXPERIENCING INTERGENERATIONAL POVERTY

Research shows that a high quality preschool program can close most of the gap in the following index of long-term outcomes for the 2nd generation (Deming 2009):

- Higher high school graduation rates
- Lower rates of teen pregnancy

GCSD PRESCHOOL DATA

Students Served

GCSD's enrollment of tuition-free, low ses students has been between 55%-81% for the past two years. With increased capacity, those numbers would increase.

Type of Students

GCSD Preschool enrollment includes students who are developmentally delayed and students who are typically developing.

Closing the Gap

Studies show that by age 4, children in upper & middle class families hear 15 million more words than children in working class families, and 30 million more words than children in families on welfare. Signs of this are evident before a child is 2 yrs. old. GCSD staff are closing this gap.

Expansion

The GCSD preschool expansion in 2014 has allowed us to reach between 12-25 additional low SES/high IGP children per year. PILT monies would allow GCSD to serve additional children.

IN SUMMARY: WHY GRAND COUNTY PILT FUNDS FOR GCSD PRESCHOOL?

Rarely do public officials have the chance to create a more impactful change than providing citizens with a pathway out of poverty. Research proves that a high quality preschool, if implemented as a concerted effort for a single generation of impoverished youth in Grand County, provides this pathway. Such a preschool program can break the cycle of poverty and poor outcomes for disadvantaged Grand County families, as well as reduce the need for future public servants to provide social and/or correctional services to future Grand County generations (NLSY79 and CNLSY). Providing PILT funds to GCSD is an investment in the future of Grand County. GCSD is requesting 50% of the PILT funds.

RE: ANNUAL SOLID WASTE DISTRICT FINANCIAL PRESENTATION & 2023 FUNDING REQUEST

Dear Grand County Commission Members:

The Solid Waste Special Service District #1 (District) is an essential service provider tasked with managing solid waste generated by the residents, visitors and businesses of Grand County, Utah. We operate four (4) solid waste management facilities: the Klondike Landfill, the Moab Landfill, the Moab Transfer Station, and the Community Recycle Center (CRC). Each of these facilities are subject to stringent rules and regulations to safeguard the health and welfare of our staff and the public, promote the conservation of natural resources, and the environment. We also provide the Municipal Solid Waste and Single Stream Recycling collection service in Grand County.

Financial support from Grand County provides multiple benefits to the District and our shared community. Grand County funding enables the District to continue to offer reasonable tipping fees to residential and commercial customers, limits the cost of waste and recycling collection fees, supports infrastructure improvements, equipment upgrades, and District programs and services. Moreover, Grand County funding serves to offset the heavy impacts of tourism in relation to the District's operations. Since the District operates as an enterprise fund, a reduction in financial support from Grand County would require the District to reduce public programs and services while pursuing other sources of revenues, including, but not limited to, landfill tipping fee and collection fee increases, resulting in increased service costs to Grand County residents and businesses.

As part of this year's financial presentation to the Grand County Commission, the following items are included as attachments to this letter:

1. Calendar Year 2021 Income & Expense Report
2. Calendar Year 2021 TRT Revenue Detail
3. Calendar Year 2021 Mineral Lease Revenue Detail
4. Opening 2022 District Balance Sheet dated December 31, 2021
5. January-June 2022 Income & Expense Report
6. January-June 2022 TRT Revenue Detail
7. January-June 2022 Mineral Lease Revenue Detail
8. Long-Term Liabilities and Annual Debt Obligations

Third-party audit reports and District budgets can be downloaded from our website located here: https://swssd1.org/board-meetings-and-minutes/.

The District's solid waste management facilities serve as critical infrastructure resources and are therefore invaluable assets to our community. The choice to keep waste management in the public realm is a wise reflection of its role as essential infrastructure, akin to water, sewer, and public safety. With that decision comes increased transparency and accountability, with an emphasis on the safety of the community and environment, as well as just treatment and compensation for employees. We provide local outlets for solid wastes generated in Grand County, Utah, thereby resulting in the lowest transportation costs, energy consumption, and greenhouse gas emissions in the management of solid wastes generated in our community. The District is a unique integrated solid waste management service that provides multiple waste services to the community, which is unusual within the industry. Nonetheless, the District continues to be challenged with aging equipment and vehicles, outdated infrastructure, and suffers from the impacts of tourism on District operations as the associated waste volumes continue to grow.

With the increase in the volumes of solid waste received at the District's landfills these impacts have been increasingly apparent over the past several years. In 2015, the Klondike Landfill received 9,657 tons of municipal solid waste and 1,721 tons of biosolids. In 2020, the Klondike Landfill received 13,151 tons of municipal solid waste and 1,935 tons of biosolids—a 36% increase in municipal solid waste and a 12% increase in biosolids from 2015 to 2020. In addition to the increases in annual tonnages, **Figure 1** below depicts a clear impact on the monthly tonnages of municipal solid waste from 2015 through August 2021 in relation to the ever-growing tourism season in Grand County.

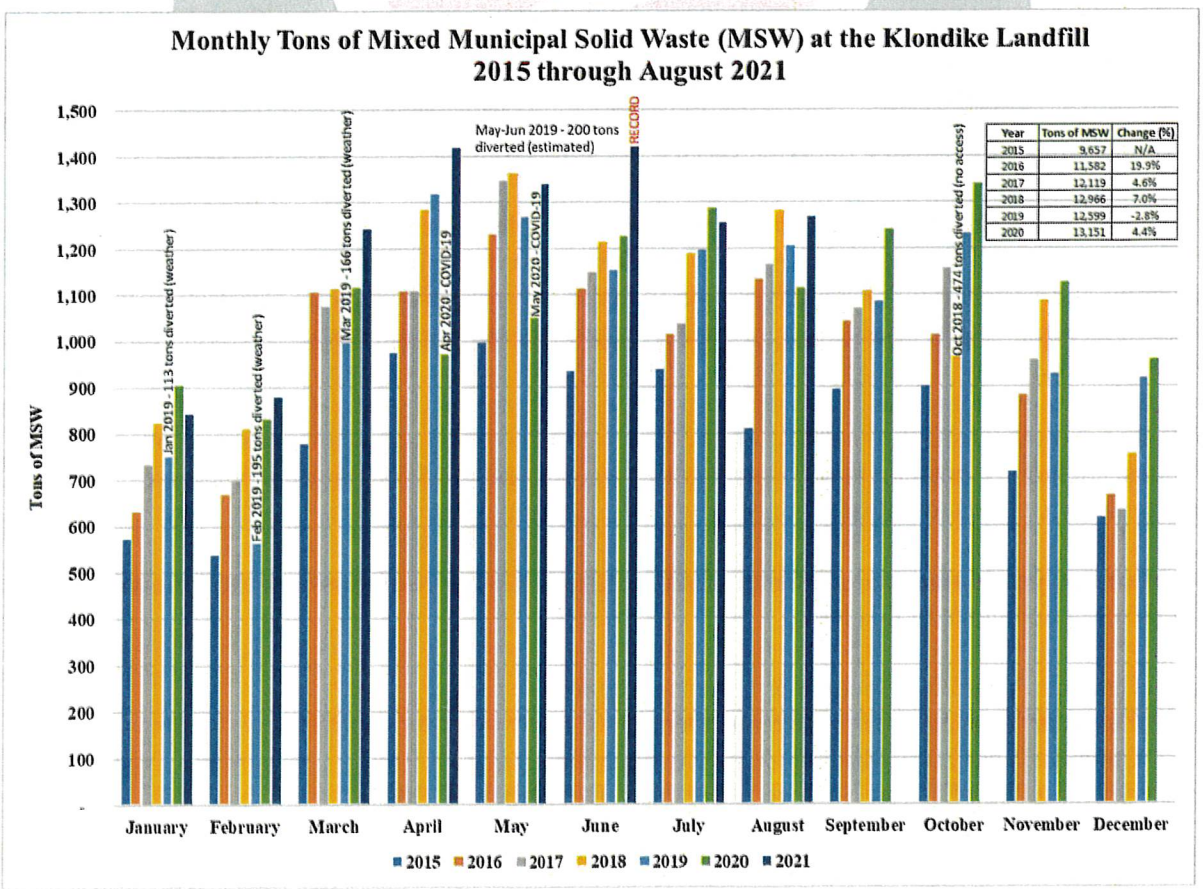

Figure 1: Monthly Tonnages of Mixed Municipal Solid Waste at the Klondike Landfill

Finally, the challenges of staff recruitment and retention is one of the greatest hardships for the District, which also relates to tourism in our community. Tourism-related businesses have been offering wages starting at $21 per hour for unskilled to semi-skilled labor positions. Skyrocketing rents, and housing prices affect the cost of living for the community and consequently, the District will need to continue to increase compensation rates in order to provide competitive wages that support workforce retention and recruitment.

The District strives to provide equitable access to our programs and services, promote safe and attractive neighborhoods, and sponsors a variety of community events throughout the year. Twice a year, the District has a voucher program for Grand County residents to bring up to two (2) cubic yards of construction/demolition debris, green/yard waste and old tires to the Moab Landfill for free disposal. The District also plans and executes bi-annual Household Hazardous Waste (HHW) collection events in an effort to keep unwanted household cleaners and other chemicals out of our shared environment. This year the first HHW event resulted in a direct cost to the District of over $11,000. Additionally, we support annual Castle Valley Spring Cleanup Events, collaborate with local business and non-profits towards waste reduction initiatives, and support major community cleanups. Currently we are working with multi-agency efforts to better the community with projects like the wag bag disposal pilot program and the current flood cleanup efforts. We continue to support the Thompson Springs Cleanup Events and a free Christmas Tree recycling program in partnership with the City of Moab. Finally, we have enhanced collaboration with several community partners over the past few years to host a series of events including, America Recycles Day, Earth Day, and the Goathead Gala at the Community Recycle Center, including a free confidential document shredding service to Grand County residents.

We believe there are numerous opportunities for improvement in our service area. Consequently, the District continues to identify the need for a larger emphasis on education and outreach throughout our community by educating residents, businesses, and tourists on local programs and strategies to reduce, reuse, and recycle.

In addition to meeting our long-term debt repayment obligations, the District needs to set aside adequate reserves to fund future capital improvements, vehicle and equipment upgrades, and external professional services. The District's long-term debt and annual payment obligations are detailed as an attachment to this letter. **Table 1** below lists the investment types and amounts needed over the next several years to meet both our long-term debt repayment obligations and capital improvement needs.

Table 1: Monthly and Annual Solid Waste District Investment Needs

Although our solid waste management facilities are in the best shape in years, we still have an enormous amount of work to do: engineering design and planning is needed at the Klondike Landfill to support the development of active work areas,; several critical pieces of equipment and vehicles used to manage our operations are approaching the end of their usable lifetime and will need to be replaced throughout the next several years; numerous infrastructure upgrades are needed to keep up with growing volumes and maintain compliance with our operating permits. In addition to the aforementioned items, the District is still addressing historic operational deficiencies at all of our facilities while working diligently to effectively manage growing solid waste volumes related to tourism and development in Grand County.

As Co-interim Director for the Solid Waste Special Service District #1, I believe that I can speak for the board and our staff to state that we are committed to continuous improvements at all of our solid waste management facilities. The District is an essential service provider tasked with the overall purview of managing solid waste generated by the residents and businesses of Grand County, Utah, and we see opportunities to continually enhance our programs and services that will provide countless short- and long-term benefits to the residents and businesses of our shared community.

The Solid Waste District relies heavily on the generous funding that Grand County has continually allocated to the organization. For the reasons detailed in this letter, **Solid Waste Special Service District #1 is respectfully requesting dedicated funding from Grand County in the amount of $500,000 for calendar year 2023**.

Please contact me by phone at (435) 259-6314 or by email at lblackburn@swssd1.org with any questions.

Grand County Recreation Special Service District

Grand County Commission

Attached is our requested financial reports, including a list of 2023 Grant Requests that we have received. We have obligations to the City of Moab of $219,000.00 for the Aquatic center loan payment and M&O, along with $75,000.00 for the interlocal agreement between Grand County Recreation Special Services District, GCRSSD, and the City of Moab.

In 2022 we disbursed $34,000.00 in grant monies for recreation programs within the Grand County area. In the past we set aside $90,000.00 to help The Old Spanish Trail Arena Complex, OSTAC, with their CIB request. This is now being allocated for improvements and necessities for OSTAC. Using impact funds received several years ago we have installed score boards at the outdoor ball fields, purchased and installed updated roping chutes for the indoor area, , purchased an infield field conditioner for the ball fields and bow gates for the outdoor arena, and are in the process of purchasing pitching mounds. The ballfields continue to see more and more use as we improve them. We budgeted $56,000.00 for M&O at OSTAC for 2022 and would like to increase this amount, should we receive additional funding.

We would like to be able to continue with the needed improvements at OSTAC. Some of these improvements would include constructing a playground along with a picnic area, improve current access roads, as well as replacing the indoor speakers in the indoor area that failed during the rodeo. At the moment we do not have funds to allocate for projects at the OSTAC> We would also like the ability to grant all the requests we have received with our 2023 grant applications that have been submitted. Currently, we have received approximately $53,000.00 in grant applications.

We hope the council will maintain and/or increase their level of support to Grand County Recreation Special Service District. This service helps support a variety of events and organizations that are vital to the continued success of Grand County and the surrounding city.

Thank You

Kathleen Wilson, chair

Jim Lewis, vice chair

Unified Transportation Master Plan (UTMP) (Kimley Horn Associates)

Presentation
Brent Crowther of Kimley Horn gave a presentation and overview of the UTMP plan, as shown in packet. 38 improvements projects identified: 19 active transportation, 14 roadway, 5 parking and transit. Total cost for identified projects estimated to be 32 million dollars for active transportation, 56 million for roadway, and 12 million for parking and transit, with hopeful execution slated for the next 10 to 20 years. Commissioner Walker sought clarification regarding prioritizations presented in the plan and how the rankings should be regarded by the Commission. The plan represents just a recommendation and reprioritization can occur as funding sources emerge or as public sentiment changes.

Public Hearings (1:09:10)

Public Hearing to Adopt the Unified Transportation Master Plan (UTMP) as an Amendment The 2030 General Plan Transportation Element (Elissa Martin, Planning and Zoning Director)

Presentation
Director Martin summarized the proposed plan and the ramifications of its adoption.

Marc Horwitz expressed concerns with regards to the intersection of 400 East and Highway 191. The representative Brent Crowther of Kimley Horn gave a description of the process that would be undertaken by UDOT in evaluating any potential changes to the highway.

Motion by Commissioner Stock to suspend the public hearing rules and vote on adoption

Motion seconded by Kovash

Discussion
Commissioner Walker sought clarification on timeline for grant submission and concern regarding suspension of rules, stated that a high bar should be maintained and that suspension should only be permitted if absolutely needed. Director Martin clarified the timeline process and discussed that opportunities for public engagement have been abundant. Suspension of rules would be for the sake of an upcoming grant submission. Administrator Nassau clarified that Moab City also has to sign off, and Director Martin clarified that Moab City has already gone through their adoption process.

General Business - Action Items, Discussion and Consideration of:

A. Request for Support to Apply for US DOT's Safe Streets and Roads for ALL (SS4A) Grant Program, jointly with the City of Moab (Elissa Martin, Planning and Zoning Director) (1:23:15)

Presentation
Director Martin described the details of the grant, as shown in the packet. Grant will require a 20% local match. Brent Crowther from Kimley Horn stated that this grant was a great opportunity to implement some of the prioritized projects contemplated in the UTMP, including the Spanish Valley Drive Multiuse Path, Millcreek Drive improvements, Aggie Blvd. and US 191 and Dogwood Ave. and US 191 traffic signals. Commissioner Clapper confirmed that climate change impact was a criterion in the grant evaluation process. Commissioner Walker asked when feedback for the project list on the grant proposal would be received. Commissioner Stock expressed support and emphasized the need for proposed project AT10. Commissioner Kovash AT2 (as shown in 'SS4A Grant DRAFT project list'). Feedback will continue to be welcome on the project list before the application is finalized.

Motion by Commissioner McGann to support a grant application to US DOT's Safe Streets and Roads for All and consent to cooperate with the City of Moab in pursuing the funding opportunity and jointly implement transportation improvement projects that will improve safety for all.

Motion Seconded by Commissioner Stock

Discussion
Commissioner Clapper clarified that the prioritization list is to be finalized before submission, and that the proposal is to emphasize efforts to reduce car use and climate initiatives. Further communication with the Commission to follow in regards to finalization of proposed project list.

Motion passes 7-0

B. Awarding Bid and Associated Contract with BAE Urban Economics for the "Local Workforce Housing and Affordable Housing Nexus Study & Linkage Fee Analysis" (Elissa Martin, Planning and Zoning Director) (1:35:25)

Presentation
Director Martin summarized the proposal and the study, as shown in the packet. Commissioner Walker requested an elaboration on the terms 'linkage fee' and 'proportional exaction.' Director Martin explained that a fee-in-lieu would be an example of linkage fee type of action, and a proportional exaction would involve an analysis of requirements based on the need for housing compared with overall total build-out across the county, in order to establish a legal basis for imposing development requirements. This analysis of total build-out would consider available water capacity. Timeline for study would be accelerated in order to be complete by 2022, to enable a code change in early 2023. Clarification offered that incentive-based programs as well as the use of a long-term future land use map will be pursued to identify areas that might be candidates for higher density.

Motion by Commissioner Clapper to approve the award and associated contract for the Local Workforce Housing and Affordable Housing Nexus Study & Linkage Fee Analysis to BAE Urban Economics for a sum not to exceed $130,320, conditional upon review by the Grand County Attorney's Office

Motion seconded by Commissioner McGann

C. Approval of the Cooperative Marketing Program with Canuckiwi and the Utah Office of Tourism (Ben Alter, Economic Development Specialist, Melissa Stocks, Assistant Marketing Director, and Zach Fyne, Utah Office of Tourism) (1:52:30)

Presentation
Staff presented an overview of the proposed program. Canada is the highest international spending market for the State of Utah. Focus on quality of visitors, not quantity. Ad placement will be in a print publication oriented towards travel agents and Expedia.com web-based ads oriented to visitors traveling by car. All content and included messaging will be produced by Grand County. Zach Fyne of the Utah Office of Tourism also offered more information regarding this program. Canadian visitors are thought to be well oriented to sustainable travel and responsible recreation concepts, and have a higher proportion of retired age population with less impact and greater spending power.

The Grand County Commission met in an emergency meeting on August 30th, 2022. The meeting was held in-person in the Grand County Commission Chambers, with hybrid virtual participation available via Zoom. It was also broadcast and saved on YouTube. Attending the meeting in-person was Commission Chair Jacques Hadler and Commissioners Trisha Hedin, Sarah Stock and Josie Kovash. Also attending in-person were Commission Administrator Mallory Nassau, Associate Commission Administrator Quinn Hall, Clerk/Auditor Gabriel Woytek, and Strategic Development Director Chris Baird. Commission Vice-Chair Mary McGann and Commissioner Kevin Walker were in attendance virtually.

4:02 p.m. Call to Order Emergency Meeting

Pledge of Allegiance

Chair Hadler offered a statement in support of the businesses and individuals affected by recent flood events, expressed gratitude towards staff in their efforts to develop this proposal on a short timeline, and addressed public concerns regarding the use of TRT promotion funds for flood relief assistance purposes.

Citizens to be Heard

Daniel Loveridge, General Manager of the Hoodoo Hotel and member of the Utah Tourism Industry Association, spoke in favor of the use of TRT funds for the proposed purposes, the UTIA stresses that this is a one-time use of these funds, and that the only reason that these funds are available for such purposes are due to Grand County not spending the funds in a timely manner. His opinion is that the economy is down because of a lack of promotion.

Laici Shumway, member of the Moab Area Chamber of Commerce, expressed gratitude for the efforts in offering these funds in the proposed manner, spoke to the challenges associated with operating a business in a relatively depressed economy, and expressed excitement for upcoming promotion efforts and a commitment to consistent promotion efforts by the County.

General Business – Action Items – Discussion and Consideration of Approval

A. Authorizing the Emergency Expenditure of Transient Room Tax Funds for Flood Relief Assistance (Chris Baird, Strategic Development Director, August Granath and Ben Alter, Grand County Economic Development Department)

Presentation
Staff offered overview of the program proposal document as shown in the meeting packet, including applicable uses, funding sources, application process, timeline, eligibility requirements, evaluation process, approval committee makeup, grant match requirement and grant disbursement. Commissioner Kovash

inquired about how the program would serve business owners who don't own the property that their business operates on. Commissioner Stock sought clarification on why there was no requirement for reporting operating losses. Director Baird clarified that a notarized affidavit attesting to the accuracy of self-reporting will likely be required in the application process and that businesses with greater amounts of damage and fewer resources will be prioritized. He also clarified that direct costs are more easily accounted for than direct operating losses.

Motion by Commissioner Kovash to approve the emergency allocation of $250,000 from the Transient Room Tax fund balance for the purposes of local flood relief as per the attached Emergency Flood Relief Grant Program Proposal, appoint Commissioner Hedin to serve as the Grand County representative on the approval committee, with Commissioner McGann serving as alternate, and authorize the Chair to sign and finalize all grants as approved by the committee.

Motion seconded by Commissioner Hedin

Discussion
Commissioner Walker expressed general support for the program, and stated that decisions regarding the use of promotional funds will be an ongoing discussion and that exhaustion of those available funds is not imminent. Baird clarified that due to the relative economic downturn and bulging fund balance, a fall promotional campaign had been pursued prior to the flood, and that a contract and budget amendment will be considered at upcoming Commission meetings.

Motion passes 6-0, Clapper absent

Chair Hadler adjourned meeting at 4:40 p.m.

AGENDA SUMMARY GRAND COUNTY COMMISSION MEETING	
TITLE:	Approving Cooperative Agreement with the Utah Department of Public Safety for the 24/7 Sobriety Program
FISCAL IMPACT:	_
PRESENTER(S):	Lieutenant Hackwell

Prepared By:

Shan Hackwell

FOR OFFICE USE ONLY:

Attorney Review:

SUGGESTED MOTION:

I move to approve the cooperative agreement with the Utah Department of Public Safety for the 24/7 Sobriety Program.

BACKGROUND:

The 24/7 Sobriety Program is intended to reduce DUI fatalities and recidivism rates while allowing DUI offenders to maintain employment and avoid jail time.

Through the program an offender is required to report to the jail to provide a breath sample twice a day, once in the morning and once in the evening. If the offender stays sober, he/she is allowed to maintain driving privilege and avoid jail time. If the person tests positive for alcohol, he/she is immediately sanctioned in the form of an 8 hour jail commitment. Subsequent positive tests result in increased times of incarceration. On the fourth violation, the offender is removed from the program and the driver license suspension and jail time is reinstated.

In 2019, Utah initiated a pilot program in Weber County. Since then, over 120 offenders have participated in the program with a 99.5% compliance rate in daily testing. Participants give overwhelmingly positive feedback about the program. They were held accountable each day but were still able to maintain their driving privilege and employment while being a productive member of society.

The Utah Legislature authorized statewide implementation of the 24/7 Sobriety Program in 2021 under UCA 41-6a-1505.5. It was also added into the DUI sentencing matrix found in UCA 41-6a-505. The Utah Department of Public Safety has been tasked with implementing the program statewide. The program is designed to run through the Sheriff's Office of each county. The Department of Public Safety is currently working with the Sheriffs' offices statewide to implement the program.

The 24/7 program is available for any level of DUI offense as long as the individual's driver license is able to be reinstated. The Driver License Division has created a link to help determine if a person is eligible for the 24/7 program. The requesting party provides basic case information and the DLD will reply with a certified record regarding the individual's eligibility for the program.

13. The Parties acknowledge that this Agreement will take effect upon filing a true copy of this Agreement and any attachments, with the keeper of records of each Party to this Agreement, as required by Utah Code § 11-13-209.

Utah
24/7 Sobriety Program

The 24/7 Sobriety Program has proven to be an effective tool in reducing DUI fatality and recidivism rates while allowing DUI offenders to maintain employment and avoid jail time.

History:
The program was initiated in South Dakota in the 1990's and is based on daily alcohol or drug testing with an immediate sanction for non-compliance. The offender is required to report to provide a breath sample twice a day, once in the morning and once in the evening. If the offender stays sober, he/she is allowed to maintain driving privilege and avoid jail time. If the person tests positive for alcohol, he/she is immediately sanctioned in the form of an 8 hour jail commitment. Subsequent positive tests result in increased times of incarceration. On the fourth violation, the offender is removed from the program and the driver license suspension and jail time is reinstated.

South Dakota has had over 50,000 participants and maintained a 99.05% compliance rate for daily testing. During this time, South Dakota not only saw a reduction in DUI related crimes, they also saw a reduction in other alcohol and drug related crimes such as domestic violence and disorderly conduct.

Based on the success in South Dakota, The National Highway Traffic Safety Administration endorsed 24/7 as an evidence based sobriety program. It is now being implemented across the country.

24/7 Program in Utah:

In 2019, Utah initiated a pilot program in Weber County. Since then, over 120 offenders have participated in the program with a 99.5% compliance rate in daily testing. Participants give overwhelmingly positive feedback about the program. They were held accountable each day but were still able to maintain their driving privilege and employment while being a productive member of society.

The Utah Legislature authorized statewide implementation of the 24/7 Sobriety Program in 2021 under UCA 41-6a-1505.5. It was also added into the DUI sentencing matrix found in UCA 41-6a-505. The Utah Department of Public Safety has been tasked with implementing the program statewide. The program is designed to run through the Sheriff's Office of each county. The Department of Public Safety is currently working with the Sheriffs' offices statewide to implement the program.

The 24/7 program is available for any level of DUI offense as long as the individual's driver license is able to be reinstated. The Driver License Division has created a link to help determine if a person is eligible for the 24/7 program. The requesting party provides basic case information and the DLD will reply with a certified record regarding the individual's eligibility for the program.

Frequently Asked Questions:

What is the primary purpose of the program? The purpose of the program is to combat the role that alcohol and drug abuse play in crime and criminal recidivism, particularly in the realm of DUI's. It is intended to motivate offenders to change their behaviors.

How does the program work? The program works to keep qualified offenders accountable on a daily basis to stay sober and clean. They are put into a program of ongoing scheduled or random testing, (twice daily for alcohol or random testing for drugs). Failure to pass a test results in immediate short-term incarceration. This system of continual monitoring paired with immediate consequences for failure has been demonstrated to be effective in causing offenders to change their behavior and maintain sobriety.

What are the benefits to the public? The number of alcohol and drug related traffic accidents and fatalities will be reduced, as well as criminal recidivism and incidents of other crimes where alcohol and drugs are often an instigating factor. Participants can continue to live with family and remain employed, encouraging them toward sober lifestyles. The program is very cost effective since it is primarily funded by the offenders.In addition, the program provides an alternative to incarceration and reduces jail populations.

What if I am unable to go to a testing site twice a day? The program allows for remote alcohol testing bracelets to be worn by an offender that isn't able to report to the testing site twice a day. Those reasons might include travel distance, work schedules, or lack of transportation. The bracelets measure alcohol every 30 minutes through the skin and transmit the data to a base station every night. The bracelets allow for greater flexibility while maintaining accountability. The bracelets are referred to as CAM bracelets (Continuous Alcohol Monitoring).

What are the costs associated with the program? The program is an offender pay model. There is a charge of $2 per breath test, for a total of $4 a day. Urine tests are $6 per test and the CAM bracelets are $10 per day. There is a $30 administrative fee assessed when a person enters the program.

How long does an offender have to participate in the program? A first time DUI offender must be sentenced into the program for a minimum of 30 days and a maximum of 365 days. A second or subsequent DUI offender must be in the program for 365 days.

What are the eligibility requirements to enter the program? Any DUI offender age 21 or older is eligible to enter the program, regardless if they are a repeat offender as long as they have a valid driver license. If the offender has a driver license that is suspended for an offense other than the DUI arrest or if they refused to submit to a chemical test at the time of their arrest, they are not eligible to participate in the 24/7 program.

Does the 24/7 program work for DUI's that are drug related? Yes. The program utilizes random Urine Analysis (UA) tests to ensure sobriety for drug offenders. DUI metabolite offenders are also eligible to enter the program.

Is the program available in every county? Not at this time. The Department of Public Safety is actively working to make the program available to as many individuals as possible. Several counties that have implemented the program are willing to allow individuals from other jurisdictions to participate using their testing sites.

Who do I contact if I have questions about the program? Utah Highway Patrol Sgt. Brian Spillman is the statewide coordinator for the 24/7 Sobriety Program. He can be reached by email at bspillman@utah.gov.

causes of action, claims for relief, demands, damages, costs, fees, expenses and/or compensations are known or unknown, are in law or equity, and without limitation, all claims of relief which can be set forth through a complaint or otherwise that may arise out of the acts or omissions, negligent or otherwise of the contractor, the County or their respective officers, officials, agents, or employees, or any person or persons. This Section shall survive expiration or termination of this Agreement.

13. FORCE MAJEURE. Neither party shall be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control ("Force Majeure"), including, without limitation, strikes; work stoppages; acts of war or terrorism; civil or military disturbances; nuclear or natural catastrophes or acts of God; global, state-wide or local pandemics; state-wide or local states of emergencies which cause travel or movement restrictions; and interruptions or malfunctions of utilities, communications or computer (software and hardware) services; provided, however, that each party shall use reasonable efforts consistent with accepted practices in their respective industries to resume performance as soon as practicable under the circumstances. This Section shall survive expiration or termination of this Agreement.

This Agreement together with its ***Exhibits B-E*** contains the complete Agreement concerning the contracted service arrangement between the parties and shall, as of the effective date hereof, supersede all other Agreements between the parties. The Contractor may subcontract out a portion of the work to another party only with the express written permission of Grand County. It is acknowledged that any Agreement between the Contractor and Subcontractor is not binding on Grand County.

15. MODIFICATION OF AGREEMENT. Any modification of this Agreement or additional obligation assumed by either party in connection with this Agreement shall be binding only if evidenced by writing signed by each party or an authorized representative of each party.

Any such action shall be brought in the 7th Judicial District, State of Utah, Grand County. This Section shall survive expiration or termination of this Agreement

19. NO WAIVER. The failure of either party to this Agreement to insist upon the performance of any of the terms and conditions of this Agreement, or the waiver of any breach of any of the terms and conditions of this Agreement, shall not be construed as thereafter waiving any such terms and conditions, but the same shall continue and remain in full force and effect as if no such forbearance or waiver had occurred.

20. SEVERABILITY. The invalidity of any portion of this Agreement for any reason will not and shall not be deemed to affect the validity of any other provision. In the event that any provision of this Agreement is held to be invalid, the parties agree that the remaining provisions shall be deemed to be in full force and effect as if they had been executed by both parties subsequent to the severing of the invalid provision.

21. UNDERSTANDING AND EFFECT OF AGREEMENT.

    a. Parties acknowledge that they have been advised to consult legal counsel and have had the opportunity to consult with legal counsel prior to entering into this Agreement.

    b. Parties warrant that they enter into this Agreement with full knowledge of the meaning and future effect of the promises, releases and waivers contained herein.

    c. Parties warrant that they have entered into the releases and waivers contained in this Agreement voluntarily and that they make them without any duress or undue influence of any nature by any person.

RE: Commercial Reappraisal for 2023 Tax Roll

To Whom it concerns:

I am writing in response to the referenced mass appraisal services requested by Grand County, posted in The Times-Independent on June 2 and 9, 2022. It was a pleasure working with the Grand County Assessor's Office and other county agencies since our first appraisal contract in 2008.

The Appraisers, Inc. has performed mass appraisal services for counties throughout Utah over the past 35 years. County services have included benchmark appraisals, land guides, mass appraisals and annual, new growth appraisals. Over this period, we have tracked market trends and continue to maintain a comprehensive sales database of multiple property types. We work closely with Assessor's Office employees and have mentored staff appraisers through their respective certification processes. Our relationship with the Grand County Assessor's Office is favorable, and we hope to continue. Our office has completed numerous appraisal assignments in Grand County over the past 35 years from the Book Cliffs to Potash, the Colorado River Corridor, Spanish Valley, La Sals, and Moab. Our knowledge of the market and property transfers is extensive and ongoing.

We continue to improve and upgrade our systems and appraisal methods for better efficiency and detail. Our most recent upgrade is fully digital field inspections which combines respective parcel information and photography integration. This has eliminated most paperwork during the parcel inspections.

This is our formal cost estimate for the 2023 Grand County commercial reappraisal. The number of land parcels and buildings provided by the county assessor is 750 and 857 respectively. Based on our records from the 2018 commercial reappraisal, there were 668 land parcels and 1,059 buildings. The building count could change, depending on the rate of new construction over the past year. Additional parcels from New Growth brings our parcel estimate closer to 1060 and the building count to be closer to 1300. Based on our current records, we propose the following bid structure:

ITEM	QUANTITY		RATE		TOTAL
Parcels	1,060	@	$38	=	$40,280
Buildings*	1,300	@	$99	=	$128,700
Land Guide**	Lump Sum				$20,000
Total					**$188,980**

**Includes Site Improvements, i.e. non-building structures*

***Land Guide includes Software and Program fees*

The Appraisers, Inc. owns and maintains a licensed copy of Marshall and Swift Cost Estimator (Commercial and Residential). The expense of maintaining this program is included in the quoted estimate. We will work with the Assessor to develop rental surveys to be sent to respective property owners from the Grand County Assessor's office. Final billing will be based on a price per unit of actual parcels and buildings appraised. In other words, if the number of land parcels or buildings changes from what is reflected above, our bill will change accordingly.

Representation at county Board of Equalization will be at an hourly rate of $150 per hour plus mileage ($0.63 per mile) and lodging (if required). However, all efforts will be utilized to avoid this costly process based on market evidence. Ongoing consulting is available, at the discretion of the Assessor, for new growth and annual market evaluation. The hourly rate for ongoing consulting will be set at $120 per hour plus mileage ($0.63 per mile) and lodging when justified.

Should the bid be awarded to our office, we will bill the county $15,000 per month beginning the start date of the project and ending with a final bill when the work is completed.

Should you wish to visit with any of our most recent clients, contact information can be provided. Thank you for the opportunity to be of service. Please know that we are always on hand to meet your real estate appraisal needs.

Respectfully,

Gordon E. Lowe, Appraiser

STATED MOTION:
I move to approve the Findings of Fact set forth in the staff report dated June 16, 2022 and the proposed Resolution approving the Final Plat of Davis Minor Subdivision.

STAFF RECOMMENDATION: APPROVE
The Final Plat of Davis Minor Subdivision is consistent with requirements set forth in Article 7 – Subdivision Standards, and Article 5 – Lot Design Standards within the Land Use Code.

BACKGROUND:
The property currently consists of two distinct lots – both 2.40 acres, both zoned Rural Residential (RR). The lot fronting Roberts Drive (02-0020-0036) contains one single family home along with an accessory structure (personal shop). This 2.4 acre lot is being increased slightly to 2.8 acres with an adjustment of the rear lot line. The parcel fronting Rimrock Road will be subdivided into two 1-acre lots to create a new 3-lot subdivision. This subdivision will add one additional lot fronting Rimrock Lane.

This application qualifies as a minor subdivision due to the fact that it requires no public improvements and meets minor subdivision criteria as defined in LUC section 9.3.1.B. Since there are no required improvements, an SIA is not necessary.

SUMMARY OF REQUEST

The applicants are requesting approval of the Final Plat for a 3-lot minor subdivision on two adjacent parcels between Rimrock Road and Roberts Drive.

This submission is a Minor Subdivision Final Plat, processed within Grand County Land Use Code Article 5 Lot Design

Standards, Article 7 Subdivision Standards, and Article 9.3 Minor Subdivisions. The approved application would enlarge Lot 1 located at 2880 Roberts Drive by .40 acres by moving the rear lot line to the east. The application would also subdivide the lot fronting on Rim Rock Rd into two lots (Lot 2 & Lot 3), each measuring 1 acre in size.

PROPERTY HISTORY
The properties have existed as residential lots: one vacant and the other containing one dwelling unit and an accessory structure (detached personal shop).

SITE IMPROVEMENTS / ADDITIONS / CHANGES
The applicant's property(s) are located along County roads that are currently developed to County Standards. Roadway dedications are being recorded on both Rimrock Road and Roberts Drive as a part of this subdivision A drainage waiver has been approved by the County Engineer and no additional site improvements are required.

FINDINGS OF FACT

Consistency with the General Plan

1. **FINDING:** The proposed subdivision is in conformance with the 2030 General Plan's Future Land Use Section insofar as providing opportunities for housing and being consistent with the maximum density permitted of the Rural Residential Future Land Use designation. However the application is not consistent with the Future Land Use section in that it does not provide open space, fee-in-lieu or affordable housing.

    a) **EVIDENCE:** The property is located within the Rural Residential Future Land use designation, which accommodates agriculture and single-family residential uses (1 dwelling unit per acre base density and up to 1.6 dwelling units per acre with a 50% open-space set-aside or fee in lieu and 25% affordable housing units or fee in-lieu).

    b) **EVIDENCE:** The Final Plat demonstrates a net density of 1.6 units per acre (3 units per 4.8 acres)

    c) **EVIDENCE:** The Final Plat does not provide open space, fee-in-lieu or an affordable housing proposal.

2. **FINDING:** The project is in conformance with the Ridgeline Protection Area in the 2030 General Plan's Future Land Use Map.

    a) **EVIDENCE:** The subject parcel is within the Ridgeline Protection Area identified in the 2030 General Plan's Future Land Use Map and as such new structures, buildings, fences, or walls proposed on the subject property shall be located so that they do not visually disrupt ridgelines as seen from specific public roads in Spanish Valley.

Conformance with the Grand County Land Use Code

1. **FINDING:** The proposed subdivision application qualifies as a minor subdivision

AGENDA SUMMARY

GRAND COUNTY COMMISSION

REGULAR MEETING

SEPTEMBER 6, 2022

Agenda Item:

TITLE:	Approving the Janssen Opioid Settlement Agreement
FISCAL IMPACT:	Settlement proceeds paid annually to Grand County for 18 years at the same % as specified in the One Utah Opioid Settlement with Distributors
PRESENTER(S):	Christina Sloan, County Attorney

Prepared By:

Christina Sloan,
County Attorney

FOR OFFICE USE ONLY:

Attorney Review:

Complete
August 31, 2022

RECOMMENDATION:

I move to approve the Janssen Settlement Agreement, authorize the Chair of the Grand County Commission to execute the Janssen Settlement Participation Form, and dismiss Grand County's claims against Distributor Defendant Janssen in the Third Judicial District Court, Summit County Case No. 18050019, *Grand County v. Teva Pharmaceuticals, Inc., et al.*

BACKGROUND:

In 2018, along with 26 other Utah counties, the previously named Grand County Council and prior County Attorney Andrew Fitzgerald entered into litigation in the Moab District Court against opioid manufacturers and distributors including Johnson & Johnson and Teva Pharmaceuticals USA for damages caused by their role in the opioid epidemic in Utah. State claims include negligence, products liability, and public nuisance. Grand County's Moab District Court case was later consolidated with similar cases filed by other counties in the Third Judicial District in Summit County.

In 2022, all counties in Utah - except Grand and San Juan County - joined in a settlement with the distributor Defendants. Grand County's % allocation is 0.304% of 50% of the total award, or approximately $15,000 per year for 18 years. Funding must be spent on opioid remediation uses, as set forth in the One Utah Opioid Settlement MOU.

Because the settlement payment represents a tiny fraction of the damages that Grand County has suffered as a result of the opioid crisis, and because rulings in other similar state cases on preliminary matters favored local government plaintiffs, on November 16, 2021, the Grand County Commission voted not to join the opioid settlement and to proceed to trial in the Moab District Court.

However, as a result of a recent adverse ruling in the United States District Court for the Southern District of Virginia in the consolidated cases of *City of Huntington and Cabell County Commission v. Amerisourcebergen Drug Corporation, et al*, in July 2022, and based on the recommendation of the County's Opioid Counsel (Phipps Ortiz Talafuse), the Grand County Commission voted to settle with Distributor Defendants McKesson, AmerisourceBergen and Cardinal Health for the settlement % listed above. In that ruling, the Court found that the distributors did not breach their only legal duty owed to plaintiffs - to maintain effective controls against diversion of opioids into illegal markets; that the public nuisance doctrine did not extend to the distribution of opioids; and that the distributors were not the proximate cause of the county's damages.

Similarly, opioid counsel is now recommending Grand County settle with the other Distributor Defendant Janssen, a subsidiary of Johnson & Johnson. The settlement % and structure mirrors that of the Utah One Settlement and will result in a mere pittance being paid to the County. However, given the W.Va. ruling, opioid counsel still recommends settlement.

JANSSEN SETTLEMENT AGREEMENT

This settlement agreement dated as of July 21, 2021 (the "*Agreement*") sets forth the terms of settlement between and among the Settling States, Participating Subdivisions, and Janssen (as those terms are defined below). Upon satisfaction of the conditions set forth in Sections II and VIII, this Agreement will be binding on the Settling States, Janssen, and Participating Subdivisions. This Agreement will then be filed as part of Consent Judgments in the respective courts of each of the Settling States, pursuant to the terms set forth in Section VIII.

I. Definitions

Unless otherwise specified, the following definitions apply:

1. "*Abatement Accounts Fund*" means a component of the Settlement Fund described in subsection VI.E.

2. "*Additional Restitution Amount*" means the amount available to Settling States listed in Exhibit N of $67,307,692.

3. "*Agreement*" means this agreement as set forth above, inclusive of all exhibits.

4. "*Alleged Harms*" means the alleged past, present, and future financial, societal, and related expenditures arising out of the alleged misuse and abuse of opioid products, non-exclusive examples of which are described in the documents listed on Exhibit A, that have allegedly arisen as a result of the physical and bodily injuries sustained by individuals suffering from opioid-related addiction, abuse, death, and other related diseases and disorders, and that have allegedly been caused by Janssen.

5. "*Allocation Statute*" means a state law that governs allocation, distribution, and/or use of some or all of the Settlement Fund amounts allocated to that State and/or its Subdivisions. In addition to modifying the allocation, as set forth in subsection VI.D.2, an Allocation Statute may, without limitation, contain a Statutory Trust, further restrict expenditure of funds, form an advisory committee, establish oversight and reporting requirements, or address other default provisions and other matters related to the funds. An Allocation Statute is not required to address all three (3) types of funds comprising the Settlement Fund or all default provisions.

6. "*Annual Payment*" means the total amount payable to the Settlement Fund by Janssen on the Payment Date each year in 2023 and onward, as calculated by the Settlement Fund Administrator pursuant to Section V. For the avoidance of doubt, this term does not include the Additional Restitution Amount or amounts paid pursuant to Section XI.

7. "*Appropriate Official*" means the official defined in subsection XIII.E.

8. "*Attorney Fee Fund*" means an account consisting of funds allocated to pay attorneys' fees and costs pursuant to the agreement on attorneys' fees and costs attached as Exhibit R.

9. "*Bar*" means either (1) a ruling by the highest court of the State or the intermediate court of appeals when not subject to further review by the highest court of the State in a State with a single intermediate court of appeals setting forth the general principle that no Subdivisions or Special Districts in the State may maintain Released Claims against Released Entities, whether on the ground of the Agreement (or the release in it) or otherwise; (2) a law barring Subdivisions and Special Districts in the State from maintaining or asserting Released Claims against Released Entities (either through a direct bar or through a grant of authority to release claims and that authority is exercised in full); or (3) a Settlement Class Resolution in the State with full force and effect. For the avoidance of doubt, a law or ruling that is conditioned or predicated upon payment by a Released Entity (apart from payments by Janssen incurred under the Agreement) shall not constitute a Bar.

10. "*Case-Specific Resolution*" means either (1) a law barring specified Subdivisions or Special Districts from maintaining Released Claims against Released Entities (either through a direct bar or through a grant of authority to release claims and that authority is exercised in full); (2) a ruling by a court of competent jurisdiction over a particular Subdivision or Special District that has the legal effect of barring the Subdivision or Special District from maintaining any Released Claims at issue against Released Entities, whether on the ground of the Agreement (or the release in it) or otherwise; or (3) in the case of a Special District, a release consistent with Section IV below. For the avoidance of doubt, a law, ruling, or release that is conditioned or predicated upon a post-Effective Date payment by a Released Entity (apart from payments by Janssen incurred under the Agreement or injunctive relief obligations incurred by it) shall not constitute a Case-Specific Resolution.

11. "*Claim*" means any past, present or future cause of action, claim for relief, cross-claim or counterclaim, theory of liability, demand, derivative claim, request, assessment, charge, covenant, damage, debt, lien, loss, penalty, judgment, right, obligation, dispute, suit, contract, controversy, agreement, parens patriae claim, promise, performance, warranty, omission, or grievance of any nature whatsoever, whether legal, equitable, statutory, regulatory or administrative, whether arising under federal, state or local common law, statute, regulation, guidance, ordinance or principles of equity, whether filed or unfiled, whether asserted or unasserted, whether known or unknown, whether accrued or unaccrued, whether foreseen, unforeseen or unforeseeable, whether discovered or undiscovered, whether suspected or unsuspected, whether fixed or contingent, and whether existing or hereafter arising, in all such cases, including but not limited to any request for declaratory, injunctive, or equitable relief, compensatory, punitive, or statutory damages, absolute liability, strict liability, restitution, subrogation, contribution, indemnity, apportionment, disgorgement, reimbursement, attorney fees, expert

fees, consultant fees, fines, penalties, expenses, costs or any other legal, equitable, civil, administrative, or regulatory remedy whatsoever.

12. "*Claim Over*" means a Claim asserted by a Non-Released Entity against a Released Entity on the basis of contribution, indemnity, or other claim-over on any theory relating to a Non-Party Covered Conduct Claim asserted by a Releasor.

13. "*Compensatory Restitution Amount*" means the aggregate amount of payments by Janssen hereunder other than amounts paid as attorneys' fees and costs or identified pursuant to subsection VI.B.2 as being used to pay attorneys' fees and investigation costs or litigation costs.

14. "*Consent Judgment*" means a state-specific consent judgment in a form to be agreed upon by the Settling States, Participating Subdivisions, and Janssen prior to the Initial Participation Date that, among other things, (1) approves this Agreement and (2) provides for the release set forth in Section IV, including the dismissal with prejudice of any Released Claims that the Settling State has brought against Released Entities.

15. "*Court*" means the respective court for each Settling State to which the Agreement and the Consent Judgment are presented for approval and/or entry as to that Settling State, or the Northern District of Ohio for purposes of administering the Attorney Fee Fund and any related fee and cost agreements.

46. "*Non-Settling State*" means a State that is not a Settling State.

47. "*Opioid Remediation*" means care, treatment, and other programs and expenditures (including reimbursement for past such programs or expenditures except where this Agreement restricts the use of funds solely to future Opioid Remediation) designed to (1) address the misuse and abuse of opioid products, (2) treat or mitigate opioid use or related disorders, or (3) mitigate other alleged effects of the opioid abuse crisis, including on those injured as a result of the opioid abuse crisis. Exhibit E provides a non-exhaustive list of expenditures that qualify as being paid for Opioid Remediation. Qualifying expenditures may include reasonable related administrative expenses.

48. "*Overall Allocation Percentage*" means a Settling State's percentage as set forth in Exhibit F. The aggregate Overall Allocation Percentages of all States (including Settling States and Non-Settling States) shall equal 100%.

49. "*Participating Special District*" means a Special District that executes a release consistent with Section IV below and meets the requirements for becoming a Participating Special District under Section VII.

50. "*Participating Subdivision*" means a Subdivision that meets the requirements for becoming a Participating Subdivision under Section VII. Participating Subdivisions include both Initial Participating Subdivisions and Later Participating Subdivisions.

51. "*Participation Tier*" means the level of participation in this Agreement as determined pursuant to subsection VIII.C using the criteria set forth in Exhibit H.

52. "*Parties*" means Janssen and the Settling States (each, a "*Party*").

53. "*Payment Date*" means the date on which Janssen makes its payments pursuant to Section V and Exhibit M.

54. "*Payment Year*" means the calendar year during which the applicable Initial Year Payments or Annual Payments are due pursuant to subsection V.B. References to eligibility "for a Payment Year" mean eligibility in connection with the Initial Year Payments or Annual Payment due during that year.

55. "*Preliminary Agreement Date*" means the date on which Janssen gives notice to the Settling States and MDL PEC of its determination that a sufficient number of States have agreed to be Settling States. This date shall be no more than fourteen (14) days after the end of the notice period to States, unless it is extended by written agreement of Janssen and the Enforcement Committee.

56. "*Primary Subdivision*" means a Subdivision that has a population of 30,000 or more. A list of Primary Subdivisions in each State is provided in Exhibit I.

57. "*Prior Litigating Subdivision*" means a Subdivision (or Subdivision official asserting the right of or for the Subdivision to recover for alleged harms to the Subdivision and/or the people thereof) that brought any Released Claim against any Released Entity prior to the Trigger Date and all such Released Claims were separately settled or finally adjudicated prior to the Trigger Date; *provided, however*, that if the final adjudication was pursuant to a Bar, such Subdivision shall not be considered a Prior Litigating Subdivision. Notwithstanding the prior sentence, Janssen and the State of the relevant Subdivision may agree in writing that such Subdivision shall not be considered a Prior Litigating Subdivision.

58. "*Product*" means any chemical substance, whether used for medicinal or non-medicinal purposes, and whether natural, synthetic, or semi-synthetic, or any finished pharmaceutical product made from or with such substance, that is an opioid or opiate, as well as any product containing any such substance. It also includes: 1) the following when used in combination with opioids or opiates: benzodiazepine, carisoprodol, zolpidem, or gabapentin; and 2) a combination or "cocktail" of any stimulant or other chemical substance prescribed, sold, bought, or dispensed to be used together that includes opioids or opiates. For the

avoidance of doubt, "Product" does not include benzodiazepine, carisoprodol, zolpidem, or gabapentin when not used in combination with opioids or opiates. "Product" includes but is not limited to any substance consisting of or containing buprenorphine, codeine, fentanyl, hydrocodone, hydromorphone, meperidine, methadone, morphine, naloxone, naltrexone, oxycodone, oxymorphone, tapentadol, tramadol, opium, heroin, carfentanil, any variant of these substances, or any similar substance. "Product" also includes any natural, synthetic, semi-synthetic or chemical raw materials, starting materials, finished active pharmaceutical ingredients, drug substances, and any related intermediate products used or created in the manufacturing process for any of the substances described in the preceding sentence.

59. "*Reference Date*" means the date on which Janssen is to inform the Settling States and MDL PEC of its determination whether there is sufficient resolution of claims and potential claims at the Subdivision level to go forward with the settlement. The Reference Date is February 25, 2022, as extended by written agreement of Janssen and the Enforcement Committee on December 29, 2021.

60. "*Released Claims*" means any and all Claims that directly or indirectly are based on, arise out of, or in any way relate to or concern the Covered Conduct occurring prior to the Reference Date. Without limiting the foregoing, "Released Claims" include any Claims that have been asserted against the Released Entities by any Settling State or any of its Litigating Subdivisions or Litigating Special Districts in any federal, state or local action or proceeding (whether judicial, arbitral, or administrative) based on, arising out of or relating to, in whole or in part, the Covered Conduct, or any such Claims that could be or could have been asserted now or in the future in those actions or in any comparable action or proceeding brought by a State, any of its Subdivisions or Special Districts, or any Releasors (whether or not such State, Subdivision, Special District, or Releasor has brought such action or proceeding). Released Claims also include all Claims asserted in any proceeding to be dismissed pursuant to the Agreement, whether or not such claims relate to Covered Conduct. The Parties intend that "Released Claims" be interpreted broadly. This Agreement does not release Claims by private individuals. It is the intent of the Parties that Claims by private individuals be treated in accordance with applicable law. Released Claims is also used herein to describe Claims brought by a Later Litigating Subdivision or other non-party Subdivision or Special District that would have been Released Claims if they had been brought by a Releasor against a Released Entity.

61. "*Released Entities*" means Janssen and (1) all of Janssen's past and present direct or indirect parents, subsidiaries, divisions, predecessors, successors, assigns, including Noramco, Inc. and Tasmanian Alkaloids PTY. LTD.; (2) the past and present direct or indirect subsidiaries, divisions, and joint ventures, of any of the foregoing; (3) all of Janssen's insurers (solely in their role as insurers with respect to the Released Claims); (4) all of Janssen's, or of any entity described in subsection (1), past and present joint ventures; and (5) the respective past and present officers, directors, members, shareholders (solely in their capacity as

shareholders of the foregoing entities), partners, trustees, agents, and employees of any of the foregoing (for actions that occurred during and related to their work for, or employment with, Janssen). Any person or entity described in subsections (3)-(5) shall be a Released Entity solely in the capacity described in such clause and shall not be a Released Entity with respect to its conduct in any other capacity. For the avoidance of doubt, the entities listed in Exhibit Q are not Released Entities; *and provided further* that any joint venture partner of Janssen or Janssen's subsidiary is not a Released Entity unless it falls within subsections (1)-(5) above. A list of Janssen's present subsidiaries and affiliates can be found at https://johnsonandjohnson.gcs-web.com/static-files/f61ae5f3-ff03-46c1-bfc9-174947884db2. Janssen's predecessor entities include but are not limited to those entities listed on Exhibit J. For the avoidance of doubt, any entity acquired, or joint venture entered into, by Janssen after the Reference Date is not a Released Entity.

62. "*Releasors*" means (1) each Settling State; (2) each Participating Subdivision; and (3) without limitation and to the maximum extent of the power of each Settling State's Attorney General and/or Participating Subdivision to release Claims, (a) the Settling State's and Participating Subdivision's departments, agencies, divisions, boards, commissions, Subdivisions, districts, instrumentalities of any kind and attorneys, including its Attorney General, and any person in their official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, (b) any public entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, water districts, law enforcement districts, emergency services districts, school districts, hospital districts and other Special Districts in a Settling State, and (c) any person or entity acting in a parens patriae, sovereign, quasi-sovereign, private attorney general, qui tam, taxpayer, or other capacity seeking relief on behalf of or generally applicable to the general public with respect to a Settling State or Subdivision in a Settling State, whether or not any of them participate in the Agreement. The inclusion of a specific reference to a type of entity in this definition shall not be construed as meaning that the entity is not a Subdivision. In addition to being a Releasor as provided herein, a Participating Subdivision shall also provide the Subdivision Settlement Participation Form or the Election and Release Form referenced in Section VII providing for a release to the fullest extent of the Participating Subdivision's authority, which shall be attached as an exhibit to the Agreement. Each Settling State's Attorney General represents that he or she has or has obtained (or will obtain no later than the Initial Participation Date) the authority set forth in the Representation and Warranty subsection of Section IV.

63. "*Revocation Event*" means with respect to a Bar, Settlement Class Resolution, or Case-Specific Resolution, a legislative amendment or a revocation, rescission, reversal, overruling, or interpretation that in any way limits the effect of such Bar, Settlement Class Resolution, or Case-Specific Resolution on Released Claims or any other action or event that otherwise deprives the Bar, Settlement Class Resolution or Case-Specific Resolution of force or effect in any material respect.

64. "*Settlement Class Resolution*" means a class action resolution in a court of competent jurisdiction in a Settling State with respect to a class of Subdivisions and Special Districts in that State that (1) conforms with that Settling State's statutes, case law, and/or rules of procedure regarding class actions; (2) is approved and entered as an order of a court of competent jurisdiction in that State and has become final as defined in "State-Specific Finality"; (3) is binding on all Non-Participating Subdivisions and Special Districts in that State (other than opt outs as permitted under the next sentence); (4) provides that all such Non-Participating Subdivisions or Special Districts may not bring Released Claims against Released Entities, whether on the ground of the Agreement (or the releases herein) or otherwise; and (5) does not impose any costs or obligations on Janssen other than those provided for in the Agreement, or contain any provision inconsistent with any provision of the Agreement. If applicable state law requires that opt-out rights be afforded to members of the class, a class action resolution otherwise meeting the foregoing requirements shall qualify as a Settlement Class Resolution unless Subdivisions collectively representing more than 1% of the total population of all of that State's Subdivisions listed in Exhibit G opt out. In seeking certification of any Settlement Class, the applicable State and Participating Subdivisions shall make clear that certification is sought solely for settlement purposes and shall have no applicability beyond approval of the settlement for which certification is sought. Nothing in this Agreement constitutes an admission by any Party that class certification would be appropriate for litigation purposes in any case.

65. "*Settlement Fund*" means the interest-bearing fund established under the Agreement into which all payments by Janssen are made other than amounts paid as attorneys' fees and costs or identified pursuant to subsection VI.B.2 as being used to pay attorneys' fees and costs. The Settlement Fund comprises the Abatement Accounts Fund, State Fund, and Subdivision Fund.

66. "*Settlement Fund Administrator*" means the entity that determines the Annual Payments (including calculating Incentive Payments pursuant to Section V) and any amounts subject to suspension or offset pursuant to Sections V and IX), determines the Participation Tier, and administers and distributes amounts into the Settlement Fund. The duties of the Settlement Fund Administrator shall be governed by this Agreement. Prior to the Initial Participation Date, the Parties shall agree to selection and removal processes for and a detailed description of the Settlement Fund Administrator's duties, including a detailed mechanism for paying the Settlement Fund Administrator's fees and costs, all of which shall be appended to the Agreement as Exhibit L.

67. "*Settlement Fund Escrow*" means the interest-bearing escrow fund established pursuant to this Agreement to hold disputed or suspended payments made under this Agreement.

68. "*Settlement Payment Schedule*" means the schedule of payments attached to this Agreement as Exhibit M. A revised Settlement Payment Schedule will be

substituted for Exhibit M after any offsets, reductions, or suspensions under Sections V and IX are determined.

69. "*Settling State*" means any State that has entered the Agreement.

70. "*Special District*" means a formal and legally recognized sub-entity of a State that is authorized by State law to provide one or a limited number of designated functions, including but not limited to school districts, fire districts, healthcare & hospital districts, and emergency services districts. Special Districts do not include sub-entities of a State that provide general governance for a defined area that would qualify as a Subdivision.

71. "*State*" means any state of the United States of America, the District of Columbia, American Samoa, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands. Additionally, the use of non-capitalized "state" to describe something (e.g., "state court") shall also be read to include parallel entities in commonwealths, territories, and the District of Columbia (e.g., "territorial court").

72. "*State Fund*" means a component of the Settlement Fund described in subsection VI.C.

73. "*State-Specific Finality*" means, with respect to the Settling State in question:

    a. the Agreement and the Consent Judgment have been approved and entered by the Court as to Janssen, including the release of all Released Claims against Released Entities as provided in this Agreement;

    b. for all lawsuits brought by the Settling State against Released Entities for Released Claims, either previously filed or filed as part of the entry of the Consent Judgment, the Court has stated in the Consent Judgment or otherwise entered an order finding that all Released Claims against Released Entities asserted in the lawsuit have been resolved by agreement; and

    c. (1) the time for appeal or to seek review of or permission to appeal from the approval and entry as described in subsection (a) hereof and entry of such order described in subsection (b) hereof has expired; or (2) in the event of an appeal, the appeal has been dismissed or denied, or the approval and entry described in (a) hereof and the order described in subsection (b) hereof have been affirmed in all material respects (to the extent challenged in the appeal) by the court of last resort to which such appeal has been taken and such dismissal or affirmance has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court).

74. "*State-Subdivision Agreement*" means an agreement that a Settling State reaches with the Subdivisions in that State regarding the allocation, distribution, and/or use of funds allocated to that State and to Participating Subdivisions in that State.

A State-Subdivision Agreement shall be effective if approved pursuant to the provisions of Exhibit O or if adopted by statute. Preexisting agreements addressing funds other than those allocated pursuant to this Agreement shall qualify if the approval requirements of Exhibit O are met. A State and its Subdivisions may revise, supplement, or refine a State-Subdivision Agreement if approved pursuant to the provisions of Exhibit O or if adopted by statute.

75. "*Statutory Trust*" means a trust fund established by state law to receive funds allocated to a State's Abatement Accounts Fund and restrict their expenditure to Opioid Remediation purposes subject to reasonable administrative expenses. A State may give a Statutory Trust authority to allocate one or more of the three Settlement Funds, but this is not required.

76. "*Subdivision*" means a formal and legally recognized sub-entity of a State that provides general governance for a defined area, including a county, parish, city, town, village, or similar entity. Unless otherwise specified, "Subdivision" includes all functional counties and parishes and other functional levels of sub-entities of a State that provide general governance for a defined area. Historic, non-functioning sub-entities of a State (such as Connecticut counties) are not Subdivisions, unless the entity has filed a lawsuit that includes a Released Claim against a Released Entity in a direct, parens patriae, or any other capacity. For purposes of this Agreement, the term Subdivision does not include Special Districts. A list of Subdivisions by state will be agreed to prior to any Subdivision sign-on period.

77. "*Subdivision Allocation Percentage*" means for Subdivisions in a Settling State that are eligible to receive an allocation from the Subdivision Fund pursuant to subsection VI.C or subsection VI.D, the percentage as set forth in Exhibit G. The aggregate Subdivision Allocation Percentage of all Subdivisions receiving a Subdivision Allocation Percentage in each State shall equal 100%. Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3) that addresses allocation from the Subdivision Fund, or upon any, whether before or after the Initial Participation Date, Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3. The Subdivision Allocation Percentages contained in Exhibit G may not change once notice is distributed pursuant to subsection VII.A, except upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3) that addresses allocation from the Subdivision Fund. For the avoidance of doubt, no Subdivision

not listed on Exhibit G shall receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

78. "*Subdivision Fund*" means a component of the Settlement Fund described in subsection VI.C.

79. "*Subdivision Settlement Participation Form*" means the form attached as Exhibit K that Participating Subdivisions must execute and return to the Settlement Fund Administrator, and which shall (1) make such Participating Subdivisions signatories to this Agreement, (2) include a full and complete release of any and of such Subdivision's claims, and (3) require the prompt dismissal with prejudice of any Released Claims that have been filed by any such Participating Subdivision.

80. "*Threshold Motion*" means a motion to dismiss or equivalent dispositive motion made at the outset of litigation under applicable procedure. A Threshold Motion must include as potential grounds for dismissal, any applicable Bar or the relevant release by a Settling State or Participating Subdivision provided under this Agreement and, where appropriate under applicable law, any applicable limitations defense.

81. "*Trigger Date*" means, in the case of a Primary Subdivision, the Reference Date, or, in the case of all other Subdivisions, the Preliminary Agreement Date.

II. Participation by States and Condition to Preliminary Agreement

A. *Notice to States*. On July 22, 2021 this Agreement shall be distributed to all States. The States' Attorneys General shall then have a period of thirty (30) days to decide whether to become Settling States. States that determine to become Settling States shall so notify the National Association of Attorneys General and Janssen and shall further commit to obtaining any necessary additional State releases prior to the Reference Date. This notice period may be extended by written agreement of Janssen and the Enforcement Committee.

B. *Condition to Preliminary Agreement*. Following the notice period set forth in subsection II.A above, Janssen shall determine on or before the Preliminary Agreement Date whether, in its sole discretion, enough States have agreed to become Settling States to proceed with notice to Subdivisions as set forth in Section VII below. If Janssen determines that this condition has been satisfied, and that notice to the Litigating Subdivisions should proceed, it will so notify the Settling States by providing notice to the Enforcement Committee and Settlement Fund Administrator on the Preliminary Agreement Date. If Janssen determines that this condition has not been satisfied, it will so notify the Settling States by providing notice to the Enforcement Committee and Settlement Fund Administrator, and this Agreement will have no further effect and all releases and other commitments or obligations contained herein will be void.

C. *Later Joinder by States*. After the Preliminary Agreement Date, a State may only become a Settling State with the consent of Janssen, in its sole discretion. If a State becomes a

Settling State more than sixty (60) days after the Preliminary Agreement Date, but on or before January 1, 2022, the Subdivisions and Special Districts in that State that become Participating Subdivisions and Participating Special Districts within ninety (90) days of the State becoming a Settling State shall be considered Initial Participating Subdivisions or Initial Participating Special Districts. A State may not become a Settling State after January 1, 2022.

III. Injunctive Relief

A. *Entry of Injunctive Relief.* As part of the Consent Judgment, the Parties agree to the injunctive relief terms attached as Exhibit P.

IV. Release

A. *Scope.* As of the Effective Date, the Released Entities will be released and forever discharged from all of the Releasors' Released Claims. Each Settling State (for itself and its Releasors) and Participating Subdivision (for itself and its Releasors) will, on or before the Effective Date, absolutely, unconditionally, and irrevocably covenant not to bring, file, or claim, or to cause, assist in bringing, or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Agreement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of each Settling State and its Attorney General to release claims. The Release shall be a complete bar to any Released Claim.

B. *Claim Over and Non-Party Settlement*.

1. *Statement of Intent.* It is the intent of the Parties that:

   a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract) from other parties for their payment obligations under this Settlement Agreement;

   b. the payments made under this Settlement Agreement shall be the sole payments made by the Released Entities to the Releasors involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);

   c. Claims by Releasors against non-Parties should not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and

   d. the Settlement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.

e. The provisions of this subsection IV.B are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

2. *Contribution/Indemnity Prohibited*. No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner, provided that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

3. *Non-Party Settlement*. To the extent that, on or after the Reference Date, any Releasor enters into a Non-Party Settlement, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releasor will include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Janssen in subsection IV.B.2, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.

4. *Claim-Over*. In the event that any Releasor obtains a judgment with respect to Non-Party Covered Conduct against a Non-Released Entity that does not contain a prohibition like that in subsection IV.B.3, or any Releasor files a Non-Party Covered Conduct Claim against a non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in subsection IV.B.3, and such Non-Released Entity asserts a Claim-Over against a Released Entity, that Releasor and Janssen shall take the following actions to ensure that the Released Entities do not pay more with respect to Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Settlement Agreement by Janssen:

   a. Janssen shall notify that Releasor of the Claim-Over within sixty (60) days of the assertion of the Claim-Over or sixty (60) days of the Effective Date of this Settlement Agreement, whichever is later;

   b. Janssen and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that it is not required to pay more with respect to Covered Conduct than the amounts owed by Janssen under this Settlement Agreement;

c. That Releasor and Janssen shall take steps sufficient and permissible under the law of the State of the Releasor to hold Released Entities harmless from the Claim-Over and ensure Released Entities are not required to pay more with respect to Covered Conduct than the amounts owed by Janssen under this Settlement Agreement. Such steps may include, where permissible:

(1) Filing of motions to dismiss or such other appropriate motion by Janssen or Released Entities, and supported by Releasors, in response to any claim filed in litigation or arbitration;

(2) Reduction of that Releasor's Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount or percentage is necessary to extinguish such Claim-Over under applicable law, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(3) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;

(4) Return of monies paid by Janssen to that Releasor under this Settlement Agreement to permit satisfaction of a judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;

(5) Payment of monies to Janssen by that Releasor to ensure it is held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(6) Credit to Janssen under this Settlement Agreement to reduce the overall amounts to be paid under the Settlement Agreement such that it is held harmless from the Claim-Over; and

(7) Such other actions as that Releasor and Janssen may devise to hold Janssen harmless from the Claim Over.

d. The actions of that Releasor and Janssen taken pursuant to paragraph (c) must, in combination, ensure Janssen is not required to pay more with respect to Covered Conduct than the amounts owed by Janssen under this Settlement Agreement.

e. In the event of any dispute over the sufficiency of the actions taken pursuant to paragraph (c), that Releasor and Janssen may seek review by the National Arbitration Panel, provided that, if the parties agree, such dispute may be heard by the state court where the relevant Consent Judgment was filed. The National Arbitration Panel shall have authority to

require Releasors to implement a remedy that includes one or more of the actions specified in paragraph (c) sufficient to hold Released Entities fully harmless. In the event that the panel's actions do not result in Released Entities being held fully harmless, Janssen shall have a claim for breach of this Settlement Agreement by Releasors, with the remedy being payment of sufficient funds to hold Janssen harmless from the Claim-Over. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that Janssen may have.

5. To the extent that the Claim-Over is based on a contractual indemnity, the obligations under subsection IV.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a pharmacy, clinic, hospital or other purchaser or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Janssen shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entities asserts a Claim-Over arising out of contractual indemnity against it.

C. *General Release*. In connection with the releases provided for in the Agreement, each Settling State (for itself and its Releasors) and Participating Subdivision expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

> **General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may thereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasors) and Participating Subdivision hereby expressly waives and fully, finally, and forever settles, releases, and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Settling States' decision to enter into the Agreement or the Participating Subdivisions' decision to participate in the Agreement.

D. *Res Judicata*. Nothing in the Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in the Agreement, and/or any Consent Judgment or other judgment entered on the Agreement, gives rise to under applicable law.

E. *Representation and Warranty.* The signatories hereto on behalf of their respective Settling States and its Participating Subdivisions expressly represent and warrant that they will obtain on or before the Effective Date (or have obtained) the authority to settle and release, to the maximum extent of the State's power, all Released Claims of (1) their respective Settling States; (2) all past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts; (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement and/or remediation) or revocation of a pharmaceutical distribution license; and (4) any Participating Subdivisions. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Also, for the purposes of clause (3), a release from a State's Governor is sufficient to demonstrate that the appropriate releases have been obtained.

F. *Effectiveness*. The releases set forth in the Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.

G. *Cooperation*. Releasors (i) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (ii) will reasonably cooperate with and not oppose any effort by a Released Entity to secure the prompt dismissal of any and all Released Claims.

H. *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, the Agreement does not waive, release or limit any criminal liability, Claims for any outstanding liability under any tax or securities law, Claims against parties who are not Released Entities, Claims by private individuals and any claims arising under the Agreement for enforcement of the Agreement.

V. Monetary Relief and Payments

A. Structure of Payments

1. All payments under this Section V shall be made into the Settlement Fund, except that where specified, they shall be made into the Settlement Fund Escrow. The Settlement Fund shall be allocated and used only as specified in Section VI.

2. Janssen shall pay into the Settlement Fund the sum of Four Billion, Five Hundred Thirty-Four Million, Six Hundred Fifteen Thousand, Three Hundred Eighty-Five Dollars ($4,534,615,385) minus (1) the offsets and credits specified in subsection

V.C below, (2) any unearned incentive payments under subsection V.E below, and (3) any adjustments under Section IX below.

3. The payments to the Settlement Fund shall be divided into base and incentive payments as provided in subsections V.D and V.E below.

B. **Payment Process**

1. Except as otherwise provided in this Agreement, Janssen shall make two Initial Year Payments and nine (9) Annual Payments. The Initial Year Payments will consist of base payments. The first Annual Payment shall consist of incentive payments and subsequent Annual Payments shall each consist of base and incentive payments. The amount of all Initial Year Payments and Annual Payments shall be determined by the Settlement Fund Administrator applying Section V and Exhibit M. The Payment Date for the first Initial Year Payment shall be no later than ninety (90) days after the Effective Date. The Payment Date for the second Initial Year Payment shall be no later than July 15, 2022. The Payment Date for the first Annual Payment shall be no later than one year and sixty days following the Effective Date; the Payment Date for the second Annual Payment shall be no later than two years and sixty days following the Effective Date, and so forth, until all Annual Payments are made.

2. All data relevant to the determination of each such payment shall be submitted to the Settlement Fund Administrator sixty (60) days prior to the Payment Date for each payment. Prior to the Initial Participation Date, the Parties will include an exhibit to the Agreement setting forth in detail the process for submitting such data to the Settlement Fund Administrator prior to each Payment Date. The Settlement Fund Administrator shall then determine the Initial Year Payment or Annual Payment and the amount to be paid to each Settling State and its Participating Subdivisions, consistent with the provisions in Exhibit L, by:

   a. determining, for each Settling State, the amount of base and incentive payments to which the State is entitled by applying the criteria in this Section;

   b. applying any reductions, suspensions, or offsets required by Sections V and IX; and

   c. determining the total amount owed by Janssen to all Settling States and Participating Subdivisions.

3. The Settlement Fund Administrator shall then allocate the Initial Year Payment or Annual Payment pursuant to Section VI among the Settling States, among the separate types of funds for each Settling State (if applicable), and among the Participating Subdivisions.

4. As soon as possible, but no later than fifty (50) days prior to the Payment Date for each payment and following the determination described in subsection V.B.2, the

Settlement Fund Administrator shall give notice to Janssen, the Settling States, and the Enforcement Committee of the amount of the Initial Year Payment or Annual Payment, the amount to be received by each Settling State, the amount to be received by the separate types of funds for each Settling State (if applicable), and the amount to be received by each Settling State's Participating Subdivisions.

5. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, any party may dispute, in writing, the calculation of the Initial Year Payment or Annual Payment, or the amount to be received by a Settling State and/or its Participating Subdivisions. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Janssen identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

6. Within twenty-one (21) days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Janssen identifying the basis for disagreement with the notice of dispute.

7. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute, and Janssen shall pay the adjusted amount as the Initial Year Payment or Annual Payment on the Payment Date. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify Janssen of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Settlement Fund Administrator or the amount that would be consistent with the notice of dispute, *provided*, *however* that in no circumstances shall the preliminary amount to be paid be higher than the maximum amount of base and incentive payments for that payment as set forth in Exhibit M. For the avoidance of doubt, a transfer of suspended payments from the Settlement Fund Escrow does not count toward determining whether the amount to be paid is higher than the maximum amount of base and incentive payments for that payment as set forth in Exhibit M.

8. The Settlement Fund Administrator shall place any disputed amount of the preliminary amount paid by Janssen into the Settlement Fund Escrow and shall disburse any undisputed amount to each Settling State and its Participating Subdivisions receiving direct allocations within fifteen (15) days of the Payment Date or at such later time as directed by each Settling State.

9. Disputes described in this subsection (other than those for which no response is filed under subsection V.B.6) shall be resolved in accordance with the terms of Section XII.

10. The process described in this subsection V.B shall also apply to accelerated payments made pursuant to Incentive A under subsection V.E.4.

11. For the avoidance of doubt, Subdivisions not listed on Exhibit G shall not receive an allocation from the Subdivision Fund.

C. **Offsets for Non-Settling States and Credits**

1. A credit of Two Hundred and Seventy Million Dollars ($270,000,000) shall be deducted from the maximum Settlement Fund amount to be paid by Janssen under subsection V.A.2 above and applied to the payment amounts as specified by Exhibit M. For the avoidance of doubt, the base payments and maximum incentive payment amounts shown on Exhibit M already reflect the deduction of the offset.

2. In addition to the credit, an offset equal to Four Billion, Two Hundred Sixty-Four Million, Six Hundred Fifteen Thousand, Three Hundred Eighty-Five Dollars ($4,264,615,385) times the percentage allocation assigned to each Non-Settling State in Exhibit F shall be deducted from the total amount to be paid by Janssen to the Settlement Fund under subsection V.A.2 above.

3. Notwithstanding any other provision of this Agreement or any other agreement, in the event that: (1) Janssen enters into an agreement with any Settling State that resolves with finality such Settling State's Claims consistent with Section IV of this Agreement and such agreement has an effective date prior to the Effective Date of this Agreement (such agreement, a "State-Specific Agreement") and (2) pursuant to the terms of the State-Specific Agreement, any payments, or any portion thereof, made by Janssen thereunder are made in lieu of any payments (for the avoidance of doubt, including the Additional Restitution Amount), or any portion thereof, to be made under this Agreement and Janssen makes such a payment pursuant to the State-Specific Agreement, then Janssen will reduce any payments allocable to such Settling State (whether made to the Settlement Fund Escrow or the Settlement Fund) made pursuant to this Agreement to the extent such amount was already paid pursuant to the terms of the State-Specific Agreement. This provision includes but is not limited to any corresponding amounts already paid to the Qualified Settlement Fund established under the Agreement between Janssen and the State of New York dated June 25, 2021.

4. Non-Settling States shall not be eligible for any payments or have any rights in connection with this Agreement. Accordingly, the stated maximum dollar amounts of the payments specified in Exhibit M are reduced by the aggregate Overall Allocation Percentage of Non-Settling States as set forth in Exhibit F.

D. **Base Payments**

1. Janssen shall make base payments into the Settlement Fund totaling One Billion, Nine Hundred Forty-Two Million, Three Hundred Forty-Six Thousand, One Hundred Fifty-Five Dollars ($1,942,346,155) minus the offsets and credits specified in subsection V.C above. The base payments will be paid in accordance

with the payment schedule specified by Exhibit M, subject to potential acceleration and potential deductions as provided herein.

2. The base payments will be allocated by Settling State proportionate to each Settling State's assigned percentages in Exhibit F, adjusted for any Non-Settling States.

3. If a State qualifies for Incentive A (described below), Janssen will accelerate the base payment schedule so that the State receives its Payment Year 1-4 base payment allocations and full Payment Year 1-4 Incentive A payment amounts within ninety (90) days of notice, on or after the Effective Date, of the Bar's implementation. Payment Year 5-10 payments are made annually and cannot be accelerated.

4. The exemplar payment schedule in Exhibit M does not account for deductions for offsets or unearned incentives, which will be separately calculated for each payment.

E. **Incentive Payments**

1. Janssen shall make incentive payments into the Settlement Fund potentially totaling up to Two Billion, Three Hundred Twenty-Two Million, Two Hundred Sixty-Nine Thousand, Two Hundred Thirty Dollars ($2,322,269,230), consisting of $2,109,038,461 for Incentive A (or, alternatively up to $2,109,038,461 for combined Incentives B and C if Incentive A is not achieved) and $213,230,769 for Incentive D, prior to being adjusted for credits if every State is a Settling State and were to satisfy the requirements specified below to earn its maximum incentive amount. The incentive payments will be paid in accordance with the payment schedule in Exhibit M, subject to potential acceleration and potential deductions as provided herein.

2. The maximum incentive amount for any Settling State shall be $2,322,269,230 times the percentage allocation assigned that Settling State in Exhibit F.

3. A Settling State may qualify to receive incentive payments in addition to base payments if, as of the Incentive Payment Final Eligibility Date, it meets the incentive eligibility requirements specified below. Settling States may qualify for incentive payments in four ways. If a Settling State qualifies for "Incentive A," it will become entitled to receive the maximum Incentive A payment allocable to the State as stated in subsection V.E.1. If a Settling State does not qualify for Incentive A, it can alternatively qualify for "Incentive B" and/or "Incentive C." A Settling State can qualify for "Incentive D" regardless of whether it qualifies for another incentive payment. The Incentive Payment Final Eligibility Date is not relevant to Incentive D.

4. *Incentive A: Accelerated Incentive Payment for Full Participation.*

a. A Settling State shall receive an accelerated Incentive A payment allocable to the State for full participation as described in subsection V.E.4.b.

b. A State qualifies for Incentive A by: (1) complete participation in the form of releases consistent with Section IV above from all Litigating Subdivisions and Litigating Special Districts, Non-Litigating Subdivisions with population over 10,000, and Non-Litigating Covered Special Districts (as defined in subsection V.E.7.e); (2) a Bar; or (3) a combination of approaches in clauses (1)-(2) that achieves the same level of resolution of Subdivision and Special District claims (e.g., a law barring future litigation combined with full joinder by Litigating Subdivisions and Litigating Special Districts). For purposes of Incentive A, a Subdivision or Special District is considered a "Litigating Subdivision" or "Litigating Special District" if it has brought Released Claims against Released Entities on or before the Reference Date; all other Subdivisions and Special Districts are considered "Non-Litigating." For purposes of Incentive A, Non-Litigating Special Districts shall not include a Special District with any of the following words or phrases in its name: mosquito, pest, insect, spray, vector, animal, air quality, air pollution, clean air, coastal water, tuberculosis, and sanitary.

c. Qualification for Incentive A entitles the qualifying Settling State to expedited payment of base payments and incentive payments for Payment Years 1-4, which Janssen shall pay into the Settlement Fund within ninety (90) days after receiving notice from the Settlement Fund Administrator that a State has qualified for Incentive A, but in no event less than ninety (90) days from the Effective Date. Base and incentive payments for Payment Years 5-10 will not be expedited.

d. If a Settling State qualifies for Incentive A after receiving an incentive payment under Incentives B or C, described below, the Settling State's payments under Incentive A will equal the remainder of its total Incentive A payments less any payments previously received under Incentives B or C. A Settling State that receives all of its maximum incentive allocation under Incentive A shall not receive additional incentive payments under Incentives B or C.

e. A Settling State that is not eligible for Incentive A as of the Incentive Payment Final Eligibility Date shall not be eligible for Incentive A for that Payment Year or any subsequent Payment Years.

5. *Incentive B: Early Participation or Released Claims by Litigating Subdivisions and Litigating Special Districts.*

a. If a Settling State does not qualify for Incentive A, it may still qualify to receive up to 60% of its total potential Incentive A payment allocation under Incentive B.

b. A Settling State can qualify for an Incentive B payment if Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State's litigating population are either Participating Subdivisions or have their claims resolved through Case-Specific Resolutions.

(1) A Settling State's litigating population is the sum of the population of all Litigating Subdivisions and Litigating Special Districts. A Settling State's litigating population shall include all Litigating Subdivisions and Litigating Special Districts whose populations overlap in whole or in part with other Litigating Subdivisions and Litigating Special Districts, for instance in the case of a Litigating Special District, city, or township contained within a county.

(2) For example, if a Litigating Special District and a city that is a Litigating Subdivision are located within a county that is a Litigating Subdivision, then each of their individual populations would be added together to determine the total litigating population. Special District populations shall be counted in the manner set forth in subsection XIII.C. If each qualifies as a Litigating Subdivision or Litigating Special District and the county has a population of 10, the City has a population of 8, and the Special District has a population of 1, the total litigating population would be 19.

c. The following time periods apply to Incentive B payments:

(1) Period 1: Zero to two hundred ten (210) days after the Effective Date.

(2) Period 2: Two hundred eleven (211) days to one year after the Effective Date.

(3) Period 3: One year and one day to two years after the Effective Date.

d. Within Period 1: If Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of a Settling State's litigating population are Participating Subdivisions or have their claims resolved through Case-Specific Resolutions during Period 1, a sliding scale will determine the share of the funds available under Incentive B, with a

maximum of 60% of the Settling State's total potential incentive payment allocation available. Under that sliding scale, if Litigating Subdivisions and Litigating Special Districts collectively representing 75% of a Settling State's litigating population become Participating Subdivisions or achieve Case-Specific Resolution status by the end of Period 1, a Settling State will receive 50% of the total amount available to it under Incentive B. If more Litigating Subdivisions and Litigating Special Districts become Participating Subdivisions or achieve Case-Specific Resolution status, the Settling State shall receive an increased percentage of the total amount available to it under Incentive B as shown in the table below.

Participation or Case-Specific Resolution Levels (As percentage of litigating population)	**Incentive B Award** (As percentage of total amount available to State under Incentive B)
75%	50%
76%	52%
77%	54%
78%	56%
79%	58%
80%	60%
85%	70%
90%	80%
95%	90%
100%	100%

e. Within Period 2: If a Settling State did not qualify for an Incentive B payment in Period 1, but Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State's litigating population become Participating Subdivisions or achieve Case-Specific Resolution status by the end of Period 2, then the Settling State qualifies for 75% of the Incentive B payment it would have qualified for in Period 1.

f. Within Period 3: If a Settling State did not qualify for an Incentive B payment in Periods 1 or 2, but Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State's litigating population become Participating Subdivisions or achieve Case-Specific Resolution status by the end of Period 3, then the Settling State qualifies for 50% of the Incentive B payment it would have qualified for in Period 1.

g. A Settling State that receives the Incentive B payment for Periods 1 and/or 2 can receive additional payments if it secures participation from additional Litigating Subdivisions and Litigating Special Districts (or Case-Specific Resolutions of their claims) during Periods 2 and/or 3.

Those additional payments would equal 75% (for additional participation or Case-Specific Resolutions during Period 2) and 50% (for additional participation or Case-Specific Resolutions during Period 3) of the amount by which the increased litigating population levels would have increased the Settling State's Incentive B payment if they had been achieved in Period 1.

h. If Litigating Subdivisions and Litigating Special Districts that have become Participating Subdivisions or achieved Case-Specific Resolution status collectively represent less than 75% of a Settling State's litigating population by the end of Period 3, the Settling State shall not receive any Incentive B payment.

i. If there are no Litigating Subdivisions or Litigating Special Districts in a Settling State, and that Settling State is otherwise eligible for Incentive B, that Settling State will receive its full allocable share of Incentive B.

j. Incentives earned under Incentive B shall accrue after each of Periods 1, 2, and 3. After each period, the Settlement Fund Administrator shall conduct a look-back to assess which Settling States vested an Incentive B payment in the preceding period. Based on the look-back, the Settlement Fund Administrator will calculate the incentives accrued under Incentive B for the period; *provided* that the percentage of Incentive B for which a Settling State is eligible as of the Incentive Payment Final Eligibility Date shall cap its eligibility for that Payment Year and all subsequent Payment Years.

6. *Incentive C: Early Participation of Subdivisions*

a. If a Settling State does not qualify for Incentive A, it may still qualify to receive up to 40% of its total potential Incentive A payment allocation under Incentive C, which has two parts.

(1) Part 1: Under Incentive C, Part 1, a Settling State can receive up to 75% of its Incentive C allocation. A Settling State can qualify for a payment under Incentive C, Part 1 only if Primary Subdivisions (whether Litigating Primary Subdivisions or Non-Litigating Primary Subdivisions as of the Reference Date) representing at least 60% of the Settling State's Primary Subdivision population become Participating Subdivisions or achieve Case-Specific Resolution status.

(2) A Settling State's Primary Subdivision population is the sum of the population of all Primary Subdivisions (whether Litigating Primary Subdivisions or Non-Litigating Primary Subdivisions as of the Reference Date). Because Subdivisions include Subdivisions whose populations overlap in whole or in part with other

Subdivisions, for instance in the case of a city or township contained within a county, the Settling State's Primary Subdivision population is greater than Settling State's total population. (Special Districts are not relevant for purposes of Incentive C calculations.)

(3) A sliding scale will determine the share of the funds available under Incentive C, Part 1 to Settling States meeting the minimum 60% threshold. Under that sliding scale, if a Settling State secures participation or Case-Specific Resolutions from Primary Subdivisions representing 60% of its total Primary Subdivision population, it will receive 40% of the total amount potentially available to it under Incentive C, Part 1. If a Settling State secures participation or Case-Specific Resolutions from Primary Subdivisions representing more than 60% of its Primary Subdivision population, the Settling State shall be entitled to receive a higher percentage of the total amount potentially available to it under Incentive C, Part 1, on the scale shown in the table below. If there are no Primary Subdivisions, and that Settling State is otherwise eligible for Incentive C, that Settling State will receive its full allocable share of Incentive C, Part 1.

Participation or Case-Specific Resolution Levels (As percentage of total Primary Subdivision population)	**Incentive C Award** (As percentage of total amount available to State under Incentive C, Part 1)
60%	40%
70%	45%
80%	50%
85%	55%
90%	60%
91%	65%
92%	70%
93%	80%
94%	90%
95%	100%

b. Part 2: If a Settling State qualifies to receive an incentive under Incentive C, Part 1, the State can also qualify to receive an additional incentive amount equal to 25% of its total potential Incentive C allocation by securing 100% participation of the ten (10) largest Subdivisions by population in the Settling State. (Special Districts are not relevant for purposes of this calculation.) If a Settling State does not qualify for any amount under Incentive C, Part 1, it cannot qualify for Incentive C, Part 2.

c. Incentives earned under Incentive C shall accrue on an annual basis up to three years after the Effective Date. At one, two, and three years after the

Effective Date, the Settlement Fund Administrator will conduct a look-back to assess which Subdivisions had agreed to participate or had their claim resolved through a Case-Specific Resolution that year. Based on the look-back, the Settlement Fund Administrator will calculate the incentives accrued under Incentive C for the year; *provided* that the percentage of Incentive C for which a Settling State is eligible as of the Incentive Payment Final Eligibility Date shall cap its eligibility for that Payment Year and all subsequent Payment Years.

7. *Incentive D: Release of Payments if No Qualifying Special District Litigation.*

a. $213,230,769 shall be available for potential Incentive D payments according to the terms specified in this subsection V.E.7.

b. If, within five years of the Reference Date, a Covered Special District files litigation against any Released Entity, Janssen shall, within thirty (30) days of Janssen being served, provide notice of the litigation to the Settling State in which the Covered Special District sits, which shall file a motion to intervene in the litigation and use its best efforts to obtain either dismissal of the litigation in cooperation with Janssen, or a release consistent with Section IV of the Special District's Claims.

c. A Settling State shall receive its allocation of the Incentive D payment if, within five years after the Effective Date (the "look-back date"), no Covered Special District within the Settling State has filed litigation which has survived a Threshold Motion and remains pending as of the look-back date, unless the dismissal after the litigation survived the Threshold Motion is conditioned or predicated upon payment by a Released Entity (apart from payments by Janssen incurred under the Agreement or injunctive relief obligations incurred by it).

d. Prior to the look-back date, a Released Entity shall not enter into a settlement with a Covered Special District unless the State in which the Covered Special District sits consents to such a settlement or unreasonably withholds consent of such a settlement.

e. "*Covered Special Districts*" are school districts, healthcare/hospital districts, and fire districts, subject to the following population thresholds:

(1) For school districts, the K-12 student enrollment must be 25,000 or 0.12% of a State's population, whichever is greater;

(2) For fire districts, the district must cover a population of 25,000, or 0.20% of a State's population if a State's population is greater than 18 million. If not easily calculable from state data sources and agreed to between the State and Janssen, a fire district's population is calculated by dividing the population of the county or counties a

fire district serves by the number of fire districts in the county or counties.

(3) For healthcare/hospital districts, the district must have at least 125 hospital beds in one or more hospitals rendering services in that district.

VI. Allocation and Use of Settlement Funds

A. *Components of Settlement Fund*. The Settlement Fund shall be comprised of an Abatement Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payments under Section V into the Settlement Fund shall be initially allocated among those three (3) sub-funds and distributed and used as provided below or as provided for by a State-Subdivision Agreement (or other State-specific allocation of funds). Unless otherwise specified herein, payments placed into the Settlement Fund do not revert back to Janssen.

B. *Use of Settlement Payments*.

1. It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Participating Subdivisions listed in Exhibit G be for Opioid Remediation, subject to limited exceptions that must be documented in accordance with subsection VI.B.2. In no event may less than 86.5% of Janssen's maximum amount of payments pursuant to Sections V, X, and XI over the entirety of all Payment Years (but not any single Payment Year) be spent on Opioid Remediation.

2. While disfavored by the Parties, a Settling State or Participating Subdivision listed on Exhibit G may use monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation. If, at any time, a Settling State or a Participating Subdivision listed on Exhibit G uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Participating Subdivision shall identify such amounts and report to the Settlement Fund Administrator and Janssen how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. It is the intent of the Parties that the reporting under this subsection VI.B.2 shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this subsection VI.B.2 as used to pay attorneys' fees, investigation costs, or litigation costs shall be included in the "Compensatory Restitution Amount" for purposes of subsection VI.F and (b) Participating Subdivisions not listed on Exhibit G or Participating Special Districts that receive monies from the Settlement Fund indirectly may only use such monies from the Settlement Fund for purposes that qualify as Opioid Remediation.

C. *Allocation of Settlement Fund.* The allocation of the Settlement Fund allows for different approaches to be taken in different states, such as through a State-Subdivision Agreement. Given the uniqueness of States and their Subdivisions, Settling States and Participating Subdivisions are encouraged to enter into State-Subdivision Agreements in order to direct the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level sub-funds. The Settlement Fund Administrator will then, for each Settling State and its Participating Subdivisions listed on Exhibit G, apply the terms of this Agreement and any relevant State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.

1. Base Payments. The Settlement Fund Administrator will allocate base payments under subsection V.D among the Settling States in proportion to their respective Overall Allocation Percentages. Base payments for each Settling State will then be allocated 15% to its State Fund, 70% to its Abatement Accounts Fund, and 15% to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in subsection VI.D.

2. Incentive Payments. The Settlement Fund Administrator will treat incentive payments under subsection V.E on a State-specific basis. Incentive payments for which a Settling State is eligible under subsection V.E will be allocated 15% to its State Fund, 70% to its Abatement Accounts Fund, and 15% to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in subsection VI.D.

3. Application of Adjustments. If a reduction, offset, or suspension under Section IX applies with respect to a Settling State, the reduction, offset, or suspension shall be applied proportionally to all amounts that would otherwise be apportioned and distributed to the State Fund, the Abatement Accounts Fund, and the Subdivision Fund for that State.

4. Settlement Fund Administrator. Prior to the Initial Participation Date, Janssen and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall be appended hereto as Exhibit L.

5. Settlement Fund Administrator Costs. Any costs and fees associated with or arising out of the duties of the Settlement Fund Administrator as described in Exhibit L with regard to Janssen's payments to the Settlement Fund shall be paid out of interest accrued on the Settlement Fund and from the Settlement Fund should such interest prove insufficient.

D. *Settlement Fund Reallocation and Distribution*. As set forth below, within a particular Settling State's account, amounts contained in the Settlement Fund sub-funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the

apportionment of amounts is not addressed and controlled under subsections VI.D.1-2, then the default provisions of subsection VI.D.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to subsections VI.D.1-2 address all of the Settlement Fund sub-funds. For example, a Statutory Trust might only address disbursements from a Settling State's Abatement Accounts Fund.

1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VI.C shall be reallocated and distributed as provided by that agreement. Any State-Subdivision Agreement entered into after the Preliminary Agreement Date shall be applied only if it requires: (1) that all amounts be used for Opioid Remediation, except as allowed by subsection VI.B.2, and (2) that at least 70% of amounts be used solely for future Opioid Remediation (references to "future Opioid Remediation" include amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms). For a State-Subdivision Agreement to be applied to the relevant portion of an Initial Year Payment or an Annual Payment, notice must be provided to Janssen and the Settlement Fund Administrator at least sixty (60) days prior to the Payment Date.

2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such State's State Fund, Abatement Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such sub-funds are addressed, requires (1) all amounts to be used for Opioid Remediation, except as allowed by subsection VI.B.2, and (2) at least 70% of all amounts to be used solely for future Opioid Remediation, then, to the extent allocation or distribution is addressed, the amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VI.C shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) sub-funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not address distribution of all or some of these three (3) sub-funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions in subsection VI.D.4 of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this subsection VI.D.2 only addresses funds restricted to abatement, then the default provisions in this Agreement concerning allocation among the three (3) sub-funds comprising the Settlement Fund and the distribution of the State Fund and Subdivision Fund for that State would still apply, while the distribution of the applicable State's Abatement Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.

3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Abatement Accounts Fund. A Participating Subdivision listed on Exhibit G may choose to reallocate all or a portion of its

allocation from the Subdivision Fund to the State's Abatement Accounts Fund or to another Participating Subdivision or Participating Special District. For a voluntary redistribution to be applied to the relevant portion of an Initial Year Payment or an Annual Payment, notice must be provided to the Settling Distributors and the Settlement Fund Administrator at least sixty (60) days prior to the Payment Date.

4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If subsections VI.D.1-2 do not apply, amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VI.C shall be distributed as follows:

   a. Amounts apportioned to that State's State Fund shall be distributed to that State.

   b. Amounts apportioned to that State's Abatement Accounts Fund shall be distributed consistent with subsection VI.E. Each Settling State shall submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Abatement Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the Settlement Fund Administrator to be disbursed from that Settling State's Abatement Accounts Fund. If a Settling State has established a Statutory Trust then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the State's Abatement Accounts Fund to the Statutory Trust.

   c. Amounts apportioned to that State's Subdivision Fund shall be distributed to Participating Subdivisions in that State listed on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Subsection VII.I shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G.

   d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by subsection VI.D.3. A Settling State may allocate funds from its State Fund or Abatement Accounts Fund for Special Districts.

5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section VII, *i.e.*, no amounts may be distributed directly to Non-Participating Subdivisions or to Later Participating Subdivisions in excess of what is permissible under subsection VII.E. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed

into the sub-account in the Abatement Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in subsection VI.D.1 or by an Allocation Statute or a Statutory Trust described in subsection VI.D.2.

E. *Provisions Regarding Abatement Accounts Fund*.

1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust may govern the operation and use of amounts in that State's Abatement Accounts Fund so long as it complies with the requirements of subsection VI.D.1 or VI.D.2 as applicable, and all direct payments to Subdivisions comply with subsections VII.E-H.

2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust that addresses distribution, the Abatement Accounts Fund will be used solely for future Opioid Remediation and the following shall apply with respect to a Settling State:

a. *Regional Remediation*.

(1) At least 50% of distributions for remediation from a State's Abatement Accounts Fund shall be annually allocated and tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to subsection VI.E.2.d to define its regions and assign regional allocations percentages. Otherwise, a Settling State shall (1) define its initial regions, which shall consist of one (1) or more Subdivisions and which shall be designated by the State agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that State for opioid abuse treatment or other public health purposes; and (2) assign initial regional allocation percentages to the regions based on the Subdivision Allocation Percentages in Exhibit G and an assumption that all Subdivisions listed on Exhibit G will become Participating Subdivisions.

(2) This minimum regional expenditure percentage is calculated on the Settling State's initial Abatement Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Abatement Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than 50% of its Abatement Accounts Fund to the regional expenditure and may annually adjust the percentage of its Abatement Accounts Fund dedicated to regional expenditures as long as the percentage remains above the minimum amount.

(3) The Settling State (1) has the authority to adjust the definition of the regions, and (2) may annually revise the percentages allocated to each region to reflect the number of Subdivisions in each region that are Non-Participating Subdivisions.

b. *Subdivision Block Grants*. Certain Subdivisions listed on Exhibit G shall be eligible to receive regional allocation funds in the form of a block grant for future Opioid Remediation. A Participating Subdivision listed on Exhibit G eligible for block grants is a county or parish (or in the case of States that do not have counties or parishes that function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, bar, or other action; (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more; and (3) has funded or otherwise managed an established health care or treatment infrastructure (e.g., health department or similar agency). Each Subdivision listed on Exhibit G eligible to receive block grants shall be assigned its own region.

c. *Small States*. Notwithstanding the provisions of subsection VI.E.2.a, Settling States with populations under four (4) million that do not have existing regions described in subsection VI.E.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Subdivisions listed on Exhibit G eligible for block grants under subsection VI.E.2.b shall be divided regionally so that each block-grant eligible Subdivision listed on Exhibit G is a region and the remainder of the state is a region.

d. *Advisory Committee*. The Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the "*Advisory Committee*") to provide input and recommendations regarding remediation spending from that Settling State's Abatement Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside of a State-Subdivision Agreement or Allocation Statute); provided, however, the Advisory Committee or similar entity shall meet the following requirements:

(1) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;

(2) Composition that includes at least an equal number of local representatives as state representatives;

(3) A process for receiving input from Subdivisions and other communities regarding how the opioid crisis is affecting their

communities, their abatement needs, and proposals for abatement strategies and responses; and

(4) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

3. Abatement Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to among the Parties.

F. *Nature of Payment.* Janssen, the Settling States, the Participating Subdivisions, and the Participating Special Districts, acknowledge and agree that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

1. Janssen has entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;

2. The Settling States, the Participating Subdivisions, and the Participating Special Districts sought compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) as damages for the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions;

3. By executing this Agreement the Settling States, the Participating Subdivisions, and the Participating Special Districts certify that: (a) the Compensatory Restitution Amount is no greater than the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; and (b) the portion of the Compensatory Restitution Amount received by each Settling State or Participating Subdivision is no greater than the amount of the Alleged Harms allegedly suffered by such Settling State or Participating Subdivision;

4. The payment of the Compensatory Restitution Amount by Janssen constitutes, and is paid for, compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) for alleged damage or harm (as compensation for alleged damage or harm arising out of alleged bodily injury) allegedly caused by Janssen;

5. The Compensatory Restitution Amount is being paid as compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) in order to restore, in whole or in part, the Settling States and Participating Subdivisions to the same position or condition that they would be in had the Settling States and Participating Subdivisions not suffered the Alleged Harms;

6. For the avoidance of doubt: (a) no portion of the Compensatory Restitution Amount represents reimbursement to any Settling State, Participating Subdivision, Participating Special District, or other person or entity for the costs of any investigation or litigation, (b) the entire Compensatory Restitution Amount

is properly characterized as described in subsection VI.F, and (c) no portion of the Compensatory Restitution Amount constitutes disgorgement or is properly characterized as the payment of statutory or other fines, penalties, punitive damages, other punitive assessments, or attorneys' fees; and

7. New York, on behalf of all Settling States, Participating Subdivisions, and Participating Special Districts (the "Form 1098-F Filer") shall complete and file Form 1098-F with the Internal Revenue Service on or before February 28 (March 31 if filed electronically) of the year following the calendar year in which the order entering this Agreement becomes binding. On the Form 1098-F, the Form 1098-F Filer shall identify the entire Compensatory Restitution Amount received by the Form 1098-F Filer as remediation/restitution. The Form 1098-F Filer shall also, on or before January 31 of the year following the calendar year in which the order entering this Agreement becomes binding, furnish Copy B of such Form 1098-F (or an acceptable substitute statement) to Janssen.

VII. Participation by Subdivisions and Special Districts

A. *Notice.* No later than fifteen (15) days after the Preliminary Agreement Date, the Settling States, with the cooperation of Janssen, shall send individual written notice of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions in the Settling States of this Agreement that are (1) Litigating Subdivisions or (2) Non-Litigating Subdivisions listed on Exhibit G. Janssen's share of costs of the written notice to such Subdivisions shall be advanced by Janssen and deducted from its initial settlement payment. Notice shall also be provided simultaneously to counsel of record for Litigating Subdivisions and Non-Litigating Subdivisions listed on Exhibit G. The Settling States, with the cooperation of Janssen, will also provide general notice reasonably calculated to alert Non-Litigating Subdivisions listed on Exhibit G in the Settling States to this Agreement, the opportunity to participate in it and the requirements for participation. Such notice may include publication and other standard forms of notification, as well as notice to national state and county organizations such as the National Association of Counties and the National League of Cities. The notice will include that the deadline for becoming an Initial Participating Subdivision is the Initial Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions about becoming a Participating Subdivision, including beginning any of the activities described in this paragraph prior to the Preliminary Agreement Date.

B. *Requirements for Becoming a Participating Subdivision: Non-Litigating Subdivisions*. A Non-Litigating Subdivision in a Settling State that is listed on Exhibit G may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section VI, and (4) that the Subdivision submits to the jurisdiction of the court where the Consent Judgment is filed

for purposes limited to that court's role under the Agreement. The required Subdivision Settlement Participation Form is attached as Exhibit K.

C. *Requirements for Becoming a Participating Subdivision: Litigating Subdivisions/Later Litigating Subdivisions*. A Litigating Subdivision or Later Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Settlement Fund Administrator and upon prompt dismissal of its legal action. A Settling State may require each Litigating Subdivision in that State to specify on the Subdivision Settlement Participation Form whether its counsel has waived any contingency fee contract with that Participating Subdivision and intends to seek fees according to Exhibit R. The Settlement Fund Administrator shall provide quarterly reports of this information to the parties organized by Settling State. Except for trials begun before the Initial Participation Date, a Litigating Subdivision or a Later Litigating Subdivision may not become a Participating Subdivision after the completion of opening statements in a trial of a legal action it brought that includes a Released Claim against a Released Entity.

D. *Initial Participating Subdivisions.* A Subdivision qualifies as an Initial Participating Subdivision if it meets the applicable requirements for becoming a Participating Subdivision set forth in subsections VII.B or VII.C by the Initial Participation Date. Provided however, all Subdivision Settlement Participation Forms shall be held by the Settlement Fund Administrator until Janssen provides the notice in subsection VIII.B that it intends to proceed with the settlement, at which time the obligations created by such forms become effective.

E. *Later Participating Subdivisions.* A Subdivision that is not an Initial Participating Subdivision may become a Later Participating Subdivision by meeting the applicable requirements for becoming a Participating Subdivision after the Initial Participation Date and agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to subsections VI.D or VI.E. The following provisions govern what a Later Participating Subdivision can receive (but do not apply to Initial Participating Subdivisions):

1. A Later Participating Subdivision shall not receive any share of any base or incentive payments paid to the Subdivision Fund that were due before it became a Participating Subdivision.

2. A Later Participating Subdivision that becomes a Participating Subdivision after July 15, 2022 shall receive 75% of the share of future base or incentive payments that it would have received had it become a Later Participating Subdivision before that date (unless the Later Participating Subdivision is subject to subsections VII.E.3 or VII.E.4 below).

3. A Later Participating Subdivision that, after the Initial Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Subdivision (other than a consensual dismissal with prejudice) shall receive 50%

of the share of future base or incentive payments that it would have received had it become a Later Participating Subdivision prior to such judgment; *provided, however*, that if the Subdivision appeals the judgment and the judgment is affirmed with finality before the Subdivision becomes a Participating Subdivision, the Subdivision shall not receive any share of any base payment or incentive payment.

4. A Later Participating Subdivision that becomes a Participating Subdivision while a Bar or Case-Specific Resolution involving a different Subdivision exists in its State shall receive 25% of the share of future base or incentive payments that it would have received had it become a Later Participating Subdivision without such Bar or Case-Specific Resolution.

F. *No Increase in Payments*. Amounts to be received by Later Participating Subdivisions shall not increase the payments due from Janssen.

G. *Ineligible Subdivisions.* Subdivisions in Non-Settling States and Prior Litigating Subdivisions are not eligible to be Participating Subdivisions.

H. *Non-Participating Subdivisions*. Non-Participating Subdivisions shall not directly receive any portion of any base or incentive payments, including from the State Fund and direct distributions from the Abatement Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions.

I. *Unpaid Allocations to Later Participating and Non-Participating Subdivisions*. Any base payment and incentive payments allocated pursuant to subsection VI.D to a Later Participating or Non-Participating Subdivision that cannot be paid pursuant to this Section VII, will be allocated to the Abatement Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust.

J. *Requirements for Becoming a Participating Special District: Non-Litigating Special Districts*. A Non-Litigating Special District may become a Participating Special District by either executing a release consistent with Section IV or by having its claims extinguished by operation of law or released by a Settling State.

K. *Requirements for Becoming a Participating Special District: Litigating Special Districts/Later Litigating Special Districts.* A Litigating Special District or Later Litigating Special District in a Settling State may become a Participating Special District by either executing a release consistent with Section IV and upon prompt dismissal of its legal action or by having its claims extinguished by operation of law or released by a Settling State.

L. *Initial Participating Special Districts*. A Special District qualifies as an Initial Participating Special District if it meets the applicable requirements for becoming a Participating Special District by the Initial Participation Date.

M. *Later Participating Special Districts.* A Special District that is not an Initial Participating Special District may become a Later Participating Special District by meeting the applicable requirements for becoming a Participating Special District after the Initial Participation Date and agreeing to be subject to the terms of any agreement reached by the applicable Settling State with Initial Participating Special Districts. A Later Participating Special District shall not receive any share of any base or incentive payments paid to the Settlement Fund that were due before it became a Participating Special District.

VIII. Condition to Effectiveness of Agreement and Filing of Consent Judgment

A. *Determination to Proceed With Settlement.* Janssen will determine on or before the Reference Date whether there has been a sufficient resolution of the Claims of the Litigating Subdivisions in the Settling States (through participation under Section VII, Case-Specific Resolution(s), and Bar(s)) to proceed with this Agreement. The determination shall be in the sole discretion of Janssen and may be based on any criteria or factors deemed relevant by Janssen.

B. *Notice by Janssen*. On or before the Reference Date, Janssen shall inform the Settling States and MDL PEC of its determination pursuant to subsection VIII.A. If Janssen determines to proceed, the Parties will proceed to file the Consent Judgments. If Janssen determines not to proceed, this Agreement will have no further effect and all releases (including those given by Participating Subdivisions) and other commitments or obligations contained herein will be void.

C. *Determination of the Participation Tier.*

1. On July 1, provided that Janssen determines to proceed with this Agreement, the Settlement Fund Administrator shall determine the Participation Tier. The criteria used to determine the Participation Tier are set forth in Exhibit H. Any disputes as to the determination of the Participation Tier shall be decided by the National Arbitration Panel.

2. The Participation Tier shall be redetermined by the Settlement Fund Administrator annually as of the Payment Date, beginning with Payment Year 1, pursuant to the criteria set forth in Exhibit H.

3. After Payment Year 3, the Participation Tier cannot move higher, unless this restriction is waived by Janssen.

4. In the event that a Participation Tier redetermination moves the Participation Tier higher, and that change is in whole or in part as a result of the post-Reference Date enactment of a Bar and there is later a Revocation Event with respect to that Bar, then on the next Payment Date that is at least one hundred eighty (180) days after the Revocation Event, the Participation Tier shall move down to the Participation Tier that would have applied had the Bar never been enacted, unless the Bar is reinstated or all Subdivisions affected by the Revocation Event become Participating Subdivisions within one hundred eighty (180) days of the

Revocation Event. This is the sole circumstance in which, on a nationwide basis, the Participation Tier can move down.

5. In the event that there is a post-Reference Date Revocation Event with respect to a Bar that was enacted in a Settling State prior to the Reference Date, then, on the next Payment Date that is at least one hundred eighty (180) days after the Revocation Event, unless the Bar is reinstated or all Subdivisions affected by the Revocation Event become Participating Subdivisions within one hundred eighty (180) days of the Revocation Event, the Participation Tier shall decrease – solely for the State in which the Revocation Event occurred – to the Participation Tier commensurate with the percentage of Litigating Subdivisions in that State that are Participating Subdivisions and the percentage of Non-Litigating Subdivisions that are both Primary Subdivisions and Participating Subdivisions, according to the criteria set forth in Exhibit H, except that the calculations shall be performed as to that State alone. For the avoidance of doubt and solely for the calculation in this subparagraph, the Settling States Column of Exhibit H shall play no role. This is the sole circumstance in which one Settling State will have a different Participation Tier than other Settling States.

6. The redetermination of the Participation Tier under subsection VIII.C.2 shall not affect payments already made or suspensions or offsets already applied.

IX. Potential Payment Adjustments

A. *Later Litigating Subdivisions.*

1. If a Later Litigating Subdivision in a Settling State with a population above 10,000 brings a lawsuit or other legal proceeding against Released Entities asserting Released Claims, Janssen shall, within thirty (30) days of the lawsuit or other legal proceeding being served on Janssen, provide notice of the lawsuit or other legal proceeding to the Settlement Fund Administrator and the Settling State in which the Later Litigating Subdivision sits and provide the Settling State an opportunity to intervene in the lawsuit or other legal proceeding. A Released Entity shall not enter into a settlement with a Later Litigating Subdivision unless the State in which the Later Litigating Subdivision sits consents to such a settlement or unreasonably withholds consent to such a settlement.

2. If no Participation Tier applies and the Later Litigating Subdivision's lawsuit or other legal proceeding survives a Threshold Motion before Janssen makes its last settlement payment to the Settling State, the following shall apply:

   a. Janssen will, from the date of the entry of the order denying the Threshold Motion and so long as the lawsuit or other legal proceeding is pending, be entitled to a suspension of the following payments it would otherwise owe the Settling State in which the Later Litigating Subdivision is located: (1) all remaining incentive payments to the relevant state; and (2) the last two scheduled base payments, if not already paid (the "Suspended Payments").

b. For each Payment Year that Janssen is entitled to a suspension of payments, the Settlement Fund Administrator shall calculate the Suspended Payments applicable to the next Payment due from Janssen. The Suspended Payments shall be paid into the Settlement Fund Escrow account.

3. If a Participation Tier applies at the time the Threshold Motion is denied, Janssen will be entitled to a suspension of the following percentages of Suspended Payments depending on the applicable Tier—75% for Tier 1, 50% for Tier 2, 35% for Tier 3, and 25% for Tier 4. Otherwise, the requirements of subsection IX.A.2 apply.

4. If the Released Claim is resolved with finality without requirement of payment by a Released Entity, the placement of any remaining balance of the Suspended Payments into the Settlement Fund Escrow shall cease and the Settlement Fund Administrator shall immediately transfer amounts in the Settlement Fund Escrow on account of the suspension to the Settling State at issue and its Participating Subdivisions listed on Exhibit G. The lawsuit will not cause further suspensions unless the Released Claim is reinstated upon further review, legislative action, or otherwise.

5. If the Released Claim is resolved with finality on terms requiring payment by a Released Entity (*e.g.*, if the lawsuit in which the Released Claim is asserted results in a judgment against Janssen or a settlement with Janssen), the Settlement Fund Administrator will transfer the amounts in the Settlement Fund Escrow on account of the suspension to Janssen necessary to satisfy 75% of the payment obligation of the Released Entity to the relevant Later Litigating Subdivision. The Settlement Fund Administrator shall immediately transfer any remaining balance in the Settlement Fund Escrow on account of the suspension to the Settling State at issue and its Participating Subdivisions listed on Exhibit G. If the amount to be transferred to Janssen exceeds the amounts in the Settlement Fund Escrow on account of the suspension, Janssen shall receive a dollar-for-dollar offset for the excess amount against its obligation to pay any remaining payments that would be apportioned to the Settling State at issue and to its Participating Subdivisions listed on Exhibit G.

B. *Settlement Class Resolution Opt Outs.* If a Settling State is eligible for Incentive A on the basis of a Settlement Class Resolution, and a Primary Subdivision that opted out of the Settlement Class Resolution maintains a lawsuit asserting a Released Claim against a Released Entity, the following shall apply. If the lawsuit asserting a Released Claim either survives a Threshold Motion or has an unresolved Threshold Motion fewer than sixty (60) days prior to the scheduled start of a trial involving a Released Claim, and is resolved with finality on terms requiring payment by the Released Entity, Janssen shall receive a dollar-for-dollar offset for the amount paid against its obligation to make remaining Incentive A payments that would be apportioned to that State or Participating Subdivisions listed on Exhibit G. For the avoidance of doubt, an offset shall not be

applicable under this subsection if it is applicable under subsection IX.A with respect to the Subdivision at issue.

C. *Revoked Bar, Settlement Class Resolution, or Case-Specific Resolution.*

1. If Janssen made a payment as a result of the existence of a Bar, Settlement Class Resolution, or Case-Specific Resolution in a Settling State, and that Bar, Settlement Class Resolution, or Case-Specific Resolution is subject to a Revocation Event, Janssen shall receive a dollar-for-dollar offset against its obligation to make remaining payments that would be apportioned to that State or Participating Subdivisions listed on Exhibit G. This offset will be calculated as the dollar amount difference between (1) the total amount of incentive payments paid by Janssen during the time the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event was in effect, and (2) the total amount of Incentive Payments that would have been due from Janssen during that time without the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event being in effect. The amount of incentive payments that would have been due, referenced in (2) above, will be calculated based on considering any Subdivision that provides a release within one hundred eighty (180) days after the Revocation Event as having been a Participating Subdivision (in addition to all other Participating Subdivisions) during the time that the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event was in effect. If a Revocation Event causes a Settling State to no longer qualify for Incentive D, the Settling State shall return to Janssen all payments made under Incentive D.

2. Notwithstanding anything to the contrary in paragraph 1 above, if a Bar or Case-Specific Resolution is reinstated by the Settling State, either through the same or different means as the initial Bar or Case-Specific Resolution, Janssen's right to an offset is extinguished and any amounts withheld to offset amounts paid on account of the revoked, rescinded, reversed, or overruled Bar or Case-Specific Resolution shall be returned to the Settling State, less and except any incentive payments that would have been paid during the period in which the Bar or Case-Specific Resolution was revoked, rescinded, reversed, or overruled.

X. Additional Restitution Amount

A. *Additional Restitution Amount*. Pursuant to the schedule set forth below and subject to the reduction specified in subsection X.B below, Janssen shall pay an Additional Restitution Amount to the Settling States listed in Exhibit N. Such funds shall be paid on the schedule set forth on Exhibit M on the Payment Date for each relevant Payment Year to such Settling States as allocated by the Settlement Fund Administrator pursuant to Exhibit N.

Payment Year 1	$15,384,615.38
Payment Year 2	$26,923,076.92

Payment Year 3 $25,000,000.00

B. *Reduction of Additional Restitution Amount*. In the event that any Non-Settling State appears on Exhibit N, the amounts owed by Janssen pursuant to this Section X shall be reduced by the allocation set forth on Exhibit N for any such Non-Settling States.

C. *Use of Funds*. All funds paid as an Additional Restitution Amount shall be part of the Compensatory Restitution Amount, shall be used for Opioid Remediation, except as allowed by subsection VI.B.2, and shall be governed by the same requirements as specified in subsection VI.F.

XI. Plaintiffs' Attorneys' Fees and Costs

A. The Agreement on Attorneys' Fees, Expenses and Costs is set forth in Exhibit R and incorporated herein by reference. The Agreement on the State Outside Counsel Fee Fund and Agreement on the State Cost Fund Administration are set forth in Exhibit U and Exhibit S, respectively, and are incorporated herein by reference.

XII. Enforcement and Dispute Resolution

A. *Enforceability*. The terms of the Agreement and Consent Judgment applicable to or in a Settling State will be enforceable solely by that Settling State and Janssen. Settling States or Participating Subdivisions shall not have enforcement rights with respect either to the terms of this Agreement that apply only to or in other States or to any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against Janssen with respect to the Agreement or any Consent Judgment except as to payments that would be allocated to the Subdivision Fund or Abatement Accounts Fund pursuant to Section VI; *provided, however*, that each Settling State shall allow Participating Subdivisions in that State to notify it of any perceived violations of the Agreement or Consent Judgment.

B. *Jurisdiction*. Janssen consents to the jurisdiction of the court in which the Consent Judgment is filed, limited to resolution of disputes identified in subsection XII.F.2 for resolution in the court in which the Consent Judgment is filed.

C. *Specific Terms Dispute Resolution.*

1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief terms in Exhibit P shall be resolved as provided therein.

2. In the event Janssen believes the 86.5% threshold established in subsection VI.B.1 is not being satisfied, any Party may request that Janssen and the Enforcement Committee meet and confer regarding the use of funds under subsection VI.B.1. The completion of such meet-and-confer process is a precondition to further action regarding any such dispute. Further action concerning subsection VI.B.1 shall: (i) be limited to Janssen seeking to reduce its Annual Payments by no more than 5% of the difference between the actual amount of Opioid Remediation and the 86.5% threshold established in subsection VI.B.1; (ii) only reduce Annual

Payments to those Settling States and its Participating Subdivisions that are below the 86.5% threshold established in subsection VI.B.1; and (iii) not reduce Annual Payments restricted to future Opioid Remediation.

D. *State-Subdivision Enforcement.*

1. A Participating Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to the Agreement or any Consent Judgment except: (1) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation; or (2) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, as to allegations that: (a) the Settling State's use of Abatement Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E; or (b) a Settling State failed to pay funds directly from the Abatement Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to subsection VI.E.2.b.

2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory: (1) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust; or (2) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, as to allegations that the uses of Abatement Accounts Fund monies by Participating Subdivisions listed on Exhibit G were not for uses similar to or in the nature of those uses contained in Exhibit E.

3. As between Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change, or alter any other existing rights under law.

E. *Subdivision Payment Enforcement.* A Participating Subdivision shall have the same right as a Settling State pursuant to subsection XII.F.4.a(4) to seek resolution of any failure by Janssen to make its required base and/or incentive payments in a Payment Year.

F. *Other Dispute Resolution Terms.*

1. Except as provided in subsection XII.C, the parties to a dispute shall promptly meet and confer in good faith to resolve any dispute. If the parties cannot resolve the dispute informally, and unless otherwise agreed in writing, they shall follow the remaining provisions of this subsection XII.F to resolve the dispute.

2. Except as provided in subsections XII.C and XII.F.4, disputes not resolved informally shall be resolved in either the court that entered the relevant Consent Judgment or, if no Consent Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of state government is located. State court proceedings shall be governed by the rules and procedures of the forum. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:

a. disputes concerning whether expenditures qualify for Opioid Remediation;

b. disputes between a Settling State and Participating Subdivisions located in such Settling State as provided by subsection XII.D, except to the extent the State-Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;

c. whether this Agreement and relevant Consent Judgment are binding under state law;

d. the extent of the Attorney General's or other participating entity's authority under state law, including the extent of the authority to release claims;

e. whether the requirements of a Bar, a Case-Specific Resolution, State-Specific Finality, Later Litigating Subdivision, Litigating Subdivision, or a Threshold Motion have been met; and

f. all other disputes not specifically identified in subsections XII.C and XII.F.4.

3. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the settlement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best efforts to supply such interpretation within the earlier of thirty (30) days or the time period required by the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court's rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an amicus curiae brief, and any attorneys' fees and costs for preparing any such filing shall be paid for by the requesting Party.

4. National Disputes involving a Settling State, Participating Subdivision, and/or Janssen shall be resolved by a National Arbitration Panel.

a. "*National Disputes*" are disputes that are exceptions to subsection XII.F.2's presumption of resolution in state courts because they involve issues of interpretation of Agreement terms applicable to all Settling States without reference to a particular State's law. Disputes between a State and any Participating Subdivisions shall not be considered National Disputes. National Disputes are limited to the following:

(1) the amount of offset and/or credit attributable to Non-Settling States and Tribes;

(2) issues involving the scope and definition of "Product";

(3) interpretation and application of the terms "Covered Conduct" and "Released Entities";

(4) disputes over a given year's payment or the payment of the Additional Restitution Amount to all Settling States (for the avoidance of doubt, disputes between a Settling State and Janssen over the amounts owed to only that State shall not be considered National Disputes);

(5) questions regarding the performance and/or removal of the Settlement Fund Administrator;

(6) disputes involving liability of successor entities;

(7) disputes that require a determination of sufficient Subdivision and Special District participation to qualify for Incentives A, B, C, or D, as well as disputes over qualification for Participation Tiers;

(8) disputes that require interpretation of Agreement terms (i) that concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under State law; and

(9) any dispute subject to resolution under subsection XII.F.2 but for which all parties to the dispute agree to arbitration before the National Arbitration Panel under the provisions of this subsection XII.F.4.

b. The "*National Arbitration Panel*" shall be comprised of three (3) neutral arbitrators. One (1) arbitrator shall be chosen by Janssen, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating Subdivisions, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.

(1) The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) days of filing, and in no event shall it take longer than one (1) year.

(2) The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the parties to be heard. Issues shall be resolved without the need for live witnesses where feasible, and with a presumption in favor of remote participation to minimize the burdens on the parties.

(3) To the extent allowed under state law, a Settling State, Participating Subdivision, and (at any party's request) the National

Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel shall be bound by a final state court determination of such a certified question. The time period for the arbitration shall be tolled during the course of the certification process.

(4) The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, Participating Subdivision, or Janssen on a state law issue.

(5) The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Janssen, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and Janssen whose resolution could prejudice the rights of a Participating Subdivision(s) or Participating Special District(s) in that Settling State, such Participating Subdivision(s) or Participating Special District(s) shall be allowed to file a statement of view in the proceeding.

c. Nothing herein shall be construed so as to limit or otherwise restrict a State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.

d. Each party shall bear its own costs in any arbitration or court proceeding arising under this subsection XII.F. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, *e.g.*, a dispute between Janssen and Setting States/Participating Subdivisions shall be split 50% by Janssen and 50% by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split 50% by the Settling State and 50% by any Participating Subdivisions that are party to the dispute.

5. Prior to initiating an action to enforce pursuant to this subsection XII.F, the complaining party must:

a. Provide written notice to the Enforcement Committee of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved parties; *provided, however*, that the date the Enforcement Committee establishes for obtaining additional information from the parties shall not be more than forty-five (45) days following the notice.

The Enforcement Committee may advise the involved parties of its views on the complaint and/or seek to resolve the complaint informally.

b. Wait to commence any enforcement action until thirty (30) days after the date that the Enforcement Committee establishes for obtaining additional information from the involved parties.

6. If the parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of subsections XII.F.2 or XII.F.4, a committee comprising the Enforcement Committee and sufficient representatives of Janssen such that the members of the Enforcement Committee have a majority of one (1) member will determine the forum where the dispute will be initiated within twenty-eight (28) days of receiving notification of the dispute relating to the proper forum. The forum identified by such committee shall be the sole forum for determining where the dispute shall be heard, and the committee's identification of such forum shall not be entitled to deference by the forum selected.

G. *No Effect*. Nothing in this Agreement shall be interpreted to limit the Settling State's Civil Investigative Demand ("CID") or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and Janssen reserves all of its rights in connection with a CID or investigative subpoena issued pursuant to such authority.

XIII. Miscellaneous

A. *No Admission.* Janssen does not admit liability or wrongdoing. Neither this Agreement nor the Consent Judgments shall be considered, construed, or represented to be (1) an admission, concession, or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to Janssen.

B. *Population of Subdivisions*. The population figures for Subdivisions shall be the published U.S. Census Bureau's population estimates for July 1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.

C. *Population of Special Districts*. For any purpose in this Agreement in which the population of a Special District is used, other than the use of "Covered Special District": (a) School Districts' population will be measured by the number of students enrolled who are eligible under the Individuals with Disabilities Education Act ("*IDEA*") or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts' and Hospital Districts' population will be measured at 25% of discharges; and (c) all other Special Districts' (including Fire Districts' and Library Districts') population will be measured at 10% of the population served.

D. *Population Associated with Sheriffs*. For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at 20% of the capacity of the jail(s) operated by the sheriff.

E. *Tax Reporting and Cooperation*.

1. Upon request by Janssen, the Settling States, Participating Subdivisions, and Participating Special Districts agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for Janssen to establish the statements set forth in subsection VI.F to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.

2. Without limiting the generality of subsection XIII.E, each Settling State, Participating Subdivision, and Participating Special District shall cooperate in good faith with Janssen with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.

3. The Designated State, on behalf of all Settling States, Participating Subdivisions, and Participating Special Districts, shall designate one of its officers or employees to act as the "appropriate official" within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the "Appropriate Official").

4. For the avoidance of doubt, neither Janssen nor the Settling States, Participating Subdivisions, and Participating Special Districts make any warranty or representation to any Settling jurisdiction or Releasor as to the tax consequences of the payment of the Compensatory Restitution Amount (or any portion thereof).

F. *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or Released Entity. No Settling State may assign or otherwise convey any right to enforce any provision of this Agreement.

G. *Calculation*. Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.

H. *Construction*. None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

I. *Cooperation*. Each Party and each Participating Subdivision agrees to use its best efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and the Consent Judgments to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment

by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.

J. *Entire Agreement*. This Agreement, its exhibits and any other attachments, including the attorneys' fees and cost agreement in Exhibit R, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.

K. *Execution*. This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be signed by electronic signature.

L. *Good Faith and Voluntary Entry*. Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and signatories to this Agreement warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties state that no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement.

M. *No Prevailing Party.* The Parties each agree that they are not the prevailing party in this action, for purposes of any claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any statute, because the Parties have reached a good faith settlement. The Parties each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or future law.

N. *Non-Admissibility.* The settlement negotiations resulting in this Agreement have been undertaken by the Parties and by certain representatives of the Participating Subdivisions in good faith and for settlement purposes only, and no evidence of negotiations or discussions underlying this Agreement shall be offered or received in evidence in any action or proceeding for any purpose. This Agreement shall not be offered or received in evidence in any action or proceeding for any purpose other than in an action or proceeding arising under or relating to this Agreement.

P. *No Waiver*. The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.

Q. *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

R. *Successors*. This Agreement shall be binding upon, and inure to the benefit of, Janssen and its respective successors and assigns. Janssen shall not sell the majority of its voting stock or substantially all its assets without obtaining the acquiror's agreement that it will constitute a successor with respect to Janssen's obligations under this Agreement.

S. *Modification, Amendment, Alteration*. After the Reference Date, any modification, amendment, or alteration of this Agreement by the Parties shall be binding only if evidenced in writing signed by Janssen along with the signatures of at least thirty-seven (37) of those then-serving Attorneys General of the Settling States along with a representation from each Attorney General that either: (1) the advisory committee or similar entity established or recognized by that Settling State (either pursuant to subsection VI.E.2, by a State-Subdivision Agreement, or by statute) voted in favor of the modification, amendment, or alteration of this Agreement including at least one Participating Subdivision-appointed member; or (2) in States without any advisory committee, that 50.1% of the Participating Subdivisions by population expressed approval of the modification, amendment, or alteration of this Agreement in writing.

Provided, however, in the event the modification, amendment, or alteration relates to injunctive relief, interstate allocation between the Settling States, intrastate allocation in a particular Settling State, or fees or costs of Settling States and Participating Subdivisions, then every Settling State and each Participating Subdivision affected by that modification, amendment, or alteration must assent in writing. Provided further that, in the event the modification, amendment, or alteration relates to injunctive relief, then such amendment, modification, or alteration of injunctive relief against Janssen will not be effective unless and until any Consent Judgment is modified by a court of competent jurisdiction, except as otherwise provided by the Injunctive Terms.

T. *Termination.*

1. Unless otherwise agreed to by Janssen and the Settling State in question, this Agreement and all of its terms (except subsection XIII.N and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated with respect to the Settling State, and the Agreement and all orders issued by the courts in the Settling State pursuant to the Agreement shall become null and void and of no effect if one or more of the following conditions applies:

    a. A Consent Judgment approving this Agreement without modification of any of the Agreement's terms has not been entered as to the Settling State by a court of competent jurisdiction on or before one hundred eighty (180) days after the Effective Date; or

    b. This Agreement or the Consent Judgment as to that Settling State has been disapproved by a court of competent jurisdiction to which it was presented for approval and/or entry (or, in the event of an appeal from or review of a decision of such a court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court).

2. If this Agreement is terminated with respect to a Settling State and its Participating Subdivisions for whatever reason pursuant to subsection XIII.T.1, then:

    a. An applicable statute of limitation or any similar time requirement (excluding any statute of repose) shall be tolled from the date the Settling State signed this Agreement until the later of the time permitted by applicable law or for one year from the date of such termination, with the effect that Janssen and the Settling State in question shall be in the same

position with respect to the statute of limitation as they were at the time the Settling State filed its action; and

b. Janssen and the Settling State and its Participating Subdivisions in question shall jointly move the relevant court of competent jurisdiction for an order reinstating the actions and claims dismissed pursuant to the terms of this Agreement governing dismissal, with the effect that Janssen and the Settling State and its Participating Subdivisions in question shall be in the same position with respect to those actions and claims as they were at the time the action or claim was stayed or dismissed.

3. Unless Janssen and the Enforcement Committee agree otherwise, this Agreement, with the exception of the Injunctive Relief Terms that have their own provisions on duration, shall terminate as to all Parties as of the Payment Date for Payment Year 9, *provided* that Janssen has performed its payment obligations under the Agreement as of that date. Notwithstanding any other provision in this Agreement, all releases under this Agreement will remain effective despite any termination under this paragraph.

U. *Governing Law.* Except (1) as otherwise provided in the Agreement or (2) as necessary, in the sole judgment of the National Arbitration Panel, to promote uniformity of interpretation for matters within the scope of the National Arbitration Panel's authority, this Agreement shall be governed by and interpreted in accordance with the respective laws of the Settling State, without regard to the conflict of law rules of such Settling State, that is seeking to enforce the Agreement against Janssen or against which Janssen is seeking enforcement. Notwithstanding any other provision in this subsection on governing law, any disputes relating to the Settlement Fund Escrow shall be governed by and interpreted in accordance with the law of the state where the escrow agent has its primary place of business.

List of Opioid Remediation Uses

Schedule A
Core Strategies

States and Qualifying Block Grantees shall choose from among the abatement strategies listed in Schedule B. However, priority shall be given to the following core abatement strategies ("*Core Strategies*").[1]

A. NALOXONE OR OTHER FDA-APPROVED DRUG TO REVERSE OPIOID OVERDOSES

1. Expand training for first responders, schools, community support groups and families; and

2. Increase distribution to individuals who are uninsured or whose insurance does not cover the needed service.

B. MEDICATION-ASSISTED TREATMENT ("*MAT*") DISTRIBUTION AND OTHER OPIOID-RELATED TREATMENT

1. Increase distribution of MAT to individuals who are uninsured or whose insurance does not cover the needed service;

2. Provide education to school-based and youth-focused programs that discourage or prevent misuse;

3. Provide MAT education and awareness training to healthcare providers, EMTs, law enforcement, and other first responders; and

4. Provide treatment and recovery support services such as residential and inpatient treatment, intensive outpatient treatment, outpatient therapy or counseling, and recovery housing that allow or integrate medication and with other support services.

[1] As used in this Schedule A, words like "expand," "fund," "provide" or the like shall not indicate a preference for new or existing programs.

C. PREGNANT & POSTPARTUM WOMEN

1. Expand Screening, Brief Intervention, and Referral to Treatment ("*SBIRT*") services to non-Medicaid eligible or uninsured pregnant women;

2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for women with co-occurring Opioid Use Disorder ("*OUD*") and other Substance Use Disorder ("*SUD*")/Mental Health disorders for uninsured individuals for up to 12 months postpartum; and

3. Provide comprehensive wrap-around services to individuals with OUD, including housing, transportation, job placement/training, and childcare.

D. EXPANDING TREATMENT FOR NEONATAL ABSTINENCE SYNDROME ("*NAS*")

1. Expand comprehensive evidence-based and recovery support for NAS babies;

2. Expand services for better continuum of care with infant-need dyad; and

3. Expand long-term treatment and services for medical monitoring of NAS babies and their families.

E. EXPANSION OF WARM HAND-OFF PROGRAMS AND RECOVERY SERVICES

1. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments;

2. Expand warm hand-off services to transition to recovery services;

3. Broaden scope of recovery services to include co-occurring SUD or mental health conditions;

4. Provide comprehensive wrap-around services to individuals in recovery, including housing, transportation, job placement/training, and childcare; and

5. Hire additional social workers or other behavioral health workers to facilitate expansions above.

F. TREATMENT FOR INCARCERATED POPULATION

1. Provide evidence-based treatment and recovery support, including MAT for persons with OUD and co-occurring SUD/MH disorders within and transitioning out of the criminal justice system; and

2. Increase funding for jails to provide treatment to inmates with OUD.

G. PREVENTION PROGRAMS

1. Funding for media campaigns to prevent opioid use (similar to the FDA's "Real Cost" campaign to prevent youth from misusing tobacco);

2. Funding for evidence-based prevention programs in schools;

3. Funding for medical provider education and outreach regarding best prescribing practices for opioids consistent with the 2016 CDC guidelines, including providers at hospitals (academic detailing);

4. Funding for community drug disposal programs; and

5. Funding and training for first responders to participate in pre-arrest diversion programs, post-overdose response teams, or similar strategies that connect at-risk individuals to behavioral health services and supports.

H. EXPANDING SYRINGE SERVICE PROGRAMS

1. Provide comprehensive syringe services programs with more wrap-around services, including linkage to OUD treatment, access to sterile syringes and linkage to care and treatment of infectious diseases.

I. EVIDENCE-BASED DATA COLLECTION AND RESEARCH ANALYZING THE EFFECTIVENESS OF THE ABATEMENT STRATEGIES WITHIN THE STATE

Schedule B
Approved Uses

Support treatment of Opioid Use Disorder (OUD) and any co-occurring Substance Use Disorder or Mental Health (SUD/MH) conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

PART ONE: TREATMENT

A. TREAT OPIOID USE DISORDER (OUD)

Support treatment of Opioid Use Disorder ("*OUD*") and any co-occurring Substance Use Disorder or Mental Health ("*SUD/MH*") conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, those that:[2]

1. Expand availability of treatment for OUD and any co-occurring SUD/MH conditions, including all forms of Medication-Assisted Treatment ("*MAT*") approved by the U.S. Food and Drug Administration.

2. Support and reimburse evidence-based services that adhere to the American Society of Addiction Medicine ("*ASAM*") continuum of care for OUD and any co-occurring SUD/MH conditions.

3. Expand telehealth to increase access to treatment for OUD and any co-occurring SUD/MH conditions, including MAT, as well as counseling, psychiatric support, and other treatment and recovery support services.

4. Improve oversight of Opioid Treatment Programs ("*OTPs*") to assure evidence-based or evidence-informed practices such as adequate methadone dosing and low threshold approaches to treatment.

5. Support mobile intervention, treatment, and recovery services, offered by qualified professionals and service providers, such as peer recovery coaches, for persons with OUD and any co-occurring SUD/MH conditions and for persons who have experienced an opioid overdose.

6. EXHIBIT G

Subdivisions Eligible to Receive Direct Allocations from the Subdivision Fund and Default Subdivision Fund Allocation Percentages

The Subdivisions set forth on this Exhibit G are eligible to receive direct allocations from the Subdivision Fund, if such Subdivisions are otherwise eligible to receive such funds under this Agreement. By default, the Subdivisions set forth on this Exhibit G shall include: (1) all Litigating Subdivisions; (2) all counties and parishes in States with functional counties or parishes; (3) all Subdivisions that are the highest level of general purpose government in States without functional counties or parishes; and (4) all other Subdivisions with a population of 10,000 or greater. A State may elect to add any additional Subdivisions to this Exhibit G at any time prior to the Initial Participation Date.

Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3) that addresses allocation from the Subdivision Fund, whether before or after the Initial Participation Date, this Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3.

For the avoidance of doubt, inclusion on this Exhibit G shall not create any claim for any amount of the Settlement Fund, and no such amounts shall be allocated or distributed to any Subdivision included herein if such Subdivision does not otherwise meet all requirements to receive any such funds pursuant to the Agreement.

The Parties recognize the benefits of remediation funds reaching all communities, including through direct payments from the Subdivision Fund. However, to promote efficiency in the use of such funds and avoid administratively-burdensome disbursements that would be too small to add a meaningful abatement response, certain Subdivisions do not receive a direct allocation from the Subdivision Fund. However, such Subdivisions will benefit from Opioid Remediation in their community, and are eligible to receive direct benefits from the Abatement Accounts Fund in their State. All settlement funds, whether allocated to a Settling State, an Abatement Accounts Fund or a Subdivision listed on this Exhibit G can be used for Opioid Remediation in communities not listed herein.

As provided by subsection VI.D.4.c, the Allocation Percentages shown below apply to distribution of each Settling State's Subdivision Fund in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. The allocation that would have otherwise gone to Subdivisions not listed below as receiving a direct allocation shall be (1) directed to the county or parish in which such Subdivision is located in Settling States with functional counties or parishes if the relevant county or parish is a Participating Subdivision or (2) to the highest-level general purpose government in which such Subdivision is located in Settling States without functional counties or parishes if the relevant highest-level general purpose government is a Participating Subdivision. Where the relevant county, parish or highest-level General Purpose

Government is not a Participating Subdivision, allocations of General Purpose Subdivisions not listed below as eligible to become Participating Subdivisions shall be allocated pursuant to subsection VII.I. The redirecting of funds described in this paragraph is intended to promote the efficient use of Opioid Remediation funds while keeping, where possible, local control of the distribution of those funds.

Participation Tier Determination*

Participation Tier	Settling States as of the Payment Date (beginning in Payment Year 1)	Percentage of Litigating Subdivisions that Are Participating Subdivisions and/or Subdivisions Subject to a Bar, Case-Specific Resolution, or Settlement Class Resolution in effect as of the Payment Date (beginning in Payment Year 1)	Percentage of Non-Litigating Subdivisions with Populations over 10,000 that Are Participating Subdivisions and/or Subdivisions Subject to a Bar, Case-Specific Resolution, or Settlement Class resolution in effect as of the Payment Date (beginning in Payment Year 1)

2	45	96%	96%
3	46	97%	97%
4	48	98%	97%

* The following conditions apply to the determination of Participation Tiers:

1. For the sole purpose of the Participation Tier determination under this Exhibit, the States used to calculate each criterion (including the percentages of Litigating and Non-Litigating Subdivisions in Settling States that are Participating Subdivisions) will include each of the 50 states in the United States, excluding the District of Columbia, American Samoa, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands.

2. Assessment of Subdivision participation percentage will be national in scope.

3. For purposes of determining Participation Tiers, "Litigating Subdivisions" includes Special Districts that have brought any Released Claims against any Released Entities. Special Districts shall have their population measured as set forth in subsection XIII.C.

4. The percentage of Litigating Subdivisions and percentage of Non-Litigating Subdivisions with populations over 10,000 will be calculated as follows: Each Litigating Subdivision and each Non-Litigating Subdivision with a population over 10,000 in the States used to calculate the Participation Tier will be assigned a metric reflecting both population and severity (the "Population-Severity Metric"). The Population-Severity Metric shall be the Subdivision's population plus the Subdivision's population multiplied by the severity factor for the State of the Subdivision (the severity factors for each State are attached as Exhibit T hereto) and then divided in two, thus giving 50% weight to each of population and population multiplied by the severity factor. The denominator for each percentage shall be the sum total of the Population-Severity Metric for all the Subdivisions in the

relevant category (Litigating Subdivisions or Non-Litigating Subdivisions with populations over 10,000) in the Settling States, notwithstanding that persons may be included within the population (and therefore the Population-Severity Metric) of more than one Subdivision. The numerator will be the sum total of the Population-Severity Metrics of all Subdivisions in the relevant category of Subdivision (*i.e.*, Litigating Subdivisions or Non-Litigating Subdivisions with populations over 10,000) in the Settling States that are either Participating Subdivisions or are subject to a Bar, Case-Specific Resolution, or Settlement Class Resolution, notwithstanding that persons may be included within the population of more than one Subdivision. For the avoidance of doubt, Subdivisions in Non-Settling States are excluded from both the denominator and numerator of the calculations for the percentage of Litigating Subdivisions and percentage of Non-Litigating Subdivisions with populations over 10,000.

5. When the Participation Tier is redetermined annually, Later Participating Subdivisions described in Section VII.E.3 or Section VII.E.4 shall not be included as Participating Subdivisions, and for Subdivisions subject to a Bar, Case-Specific Resolution, or Settlement Class Resolution to be included, the Bar, Case-Specific Resolution, or Settlement Class Resolution must have been in effect both as of the relevant Payment Date and for the entire period since the prior Payment Date.

6. Subdivisions with populations over 10,000 are listed on Exhibit I.

SPECIMEN

1. The Governmental Entity is aware of and has reviewed the Janssen Settlement, understands that all terms in this Election and Release have the meanings defined therein, and agrees that by this Election, the Governmental Entity elects to participate in the Janssen Settlement and become a Participating Subdivision as provided therein.

2. The Governmental Entity shall, within 14 days of the Reference Date and prior to the filing of the Consent Judgment, dismiss with prejudice any Released Claims that it has filed.

3. The Governmental Entity agrees to the terms of the Janssen Settlement pertaining to Subdivisions as defined therein.

4. By agreeing to the terms of the Janssen Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.

5. The Governmental Entity agrees to use any monies it receives through the Janssen Settlement solely for the purposes provided therein.

6. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity's state where the Consent Judgment is filed for purposes limited to that court's role as provided in, and for resolving disputes to the extent provided in, the Janssen Settlement.

7. The Governmental Entity has the right to enforce the Janssen Settlement as provided therein.

8. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the Janssen Settlement, including but not limited to all provisions of Section IV (Release), and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Janssen Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The Janssen Settlement shall be a complete bar to any Released Claim.

9. In connection with the releases provided for in the Janssen Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

> **General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Janssen Settlement.

10. Nothing herein is intended to modify in any way the terms of the Janssen Settlement, to which Governmental Entity hereby agrees. To the extent this Election and Release is interpreted differently from the Janssen Settlement in any respect, the Janssen Settlement controls.

Settlement Fund Administrator Terms

I. Definitions

A. This Settlement Fund Administrator Terms incorporates all defined terms in the Janssen Settlement Agreement, unless otherwise defined herein, and shall be interpreted in a manner consistent with the Janssen Settlement Agreement.

B. *Directed Trustee*. The banking institution where the Settlement Fund is established and which distributes the funds according to the instructions of the Directing Administrator.[1]

C. *Directing Administrator*. The institution or individual that fulfills the remaining obligations of the Settlement Fund Administrator, other than those performed by the Directed Trustee.

D. *Settlement Fund Administrator*. The Directed Trustee together with the Directing Administrator (collectively referred to as the "Settlement Fund Administrators").

E. *Settlement Fund Escrow*. The escrow account the Directed Trustee shall establish pursuant to the Janssen Settlement Agreement to hold disputed or suspended payments made under the Agreement.

II. Establishment of the Settlement Fund Administrator

A. *Selection of the Settlement Fund Administrators.*

i. The duties of the Settlement Fund Administrator under the Janssen Settlement Agreement will be divided between Directed Trustee and Directing Administrator.

ii. The Directed Trustee and Directing Administrator will each be selected through a targeted solicitation process. Criteria for selection will include, but not be limited to, institutional strength; potential institutional conflicts; experience with work of similar size and complexity; capacity to handle the scope of work; staffing and other proposed resources; and cost and pricing proposals. The selection process will include written submissions and interviews.

iii. Within sixty (60) calendar days of the selection of the Settlement Fund Administrators, unless such time is extended by written agreement of Janssen and the Enforcement Committee, contracts shall be negotiated and finalized with the Directed Trustee and Directing Administrator.

iv. The terms of the Directed Trustee and Directing Administrator shall be for the duration of the Janssen Settlement Agreement or as otherwise

[1] Pursuant to the Letter Agreement dated February 25, 2022, Wilmington Trust, N.A. was selected as the Directed Trustee.

specified in the contract executed with such entity, unless the Directed Trustee or the Directing Administrator is removed pursuant to Section II.C below.

B. *Governance of the Settlement Fund Administrators.*

i. The Settlement Fund Administrators will act as independent and neutral third parties to determine the Initial Year Payments, Annual Payments, and Participation Tier; administer and disburse funds from the Abatement Accounts Fund, State Fund, Subdivision Fund and Additional Restitution Amount; and perform other duties as described below and in the Janssen Settlement Agreement.

ii. All parties to the Janssen Settlement Agreement are entitled to rely upon information received from the Settlement Fund Administrators, whether in oral, written, or other form. No Party to the Janssen Settlement Agreement shall have any liability (whether direct or indirect, in contract or tort or otherwise) to any party for or in connection with any action taken or not taken by the Settlement Fund Administrators. In addition, no Party to the Janssen Settlement Agreement shall have any liability (whether direct or indirect, in contract or tort or otherwise) to any party for or in connection with any action taken or not taken by Janssen based on incorrect, inaccurate, incomplete or otherwise erroneous information or data provided by the Settlement Fund Administrators. For the avoidance of doubt, nothing in this paragraph alters Sections I to XIII of the Janssen Settlement Agreement or any of the exhibits therein.

C. *Removal of the Settlement Fund Administrators*.

i. The Directed Trustee or Directing Administrator may be removed for cause. The contracts with each entity shall describe the standards for removing that entity for cause.

ii. Disputes regarding the performance and/or removal of the Settlement Fund Administrators will be resolved by the National Arbitration Panel in accordance with Section XII.F of the Janssen Settlement Agreement.

D. *Funding of the Settlement Fund Administrators*.

i. The costs and fees associated with or arising out of the duties of the Settlement Fund Administrators, including third-party costs associated with the selection of the Settlement Fund Administrators and the set-up of the Settlement Fund Escrow, shall be paid from the interest accrued in the Settlement Fund Escrow and the Settlement Fund. For the years that Settlement Fund Administrators are used for the Distributor Settlement Agreement, twenty-five percent (25%) of the costs and fees will be attributed to the Janssen Settlement Agreement.

ii. Under Section VI.C.5 of the Janssen Settlement Agreement, any costs and fees associated with or arising out of the duties of the Settlement Fund Administrators with regard to Janssen's payment to the Settlement Fund shall be paid out of interest accrued on the Settlement Fund and from the

Settlement Fund should such interest prove insufficient. Payments will be made to the Settlement Fund Administrators alongside the Initial Year Payments and Annual Payment.

iii. Janssen shall not be responsible for any portion of a Settling Distributor's share of the Settlement Fund Administrators' cost and fees. For the years that Janssen is not utilizing the Settlement Fund Administrators, it will not be responsible for any costs.

iv. There will be a cap on the costs and fees of the Settlement Fund Administrators, which shall be dependent on the scope of services, the number and timing of distributions from the Settlement Fund, and the Settlement Fund Administrators' reporting requirements. The cap on fees and costs shall be specified in the contracts executed with each of the Directed Trustee and Directing Administrator.

v. Representatives of the Enforcement Committee and Janssen shall negotiate a "not to exceed" budget with the Settlement Fund Administrators and have the right to review the costs and fees of the Settlement Fund Administrators upon request. The deadlines and grounds for reviewing and objecting to such costs and fees will be established in the contracts executed with each of the Directed Trustee and Directing Administrator. Disputes regarding the payment of such costs and fees will be resolved by the National Arbitration Panel in accordance with Section XII.F of the Janssen Settlement Agreement.

III. Participation in the Janssen Settlement Agreement

A. *Repository for Settlement Participation Forms.*

i. The Directing Administrator is responsible for receiving and preserving the Subdivision and Special District Settlement Participation Forms pursuant to Sections VII.B, VII.C, VII.J, and VII.K of the Janssen Settlement Agreement. The Directing Administrator is responsible for ensuring newly received forms are properly executed. For forms executed and accepted prior to the retention of the Directing Administrator, the Directing Administrator shall rely on information provided by Rubris as to the proper execution of the forms unless it is provided information that indicates such information is incorrect.

ii. Within sixty (60) calendar days of its retention, the Directing Administrator shall establish a process to receive, preserve, and review the Subdivision and Special District Settlement Participation Forms. The Directing Administrator is encouraged, in the interests of efficiency and so long as financially reasonable, to continue to utilize Rubris and the processes previously implemented by Janssen and Enforcement Committee to fulfill its obligations under this Section III.A. The Directing Administrator may rely on the information provided by Rubris unless it is provided information that indicates such information is incorrect.

iii. After the Reference Date, the Directing Administrator will make the Subdivision and Special District Settlement Participation Forms available to Janssen, the Enforcement Committee, and the Settling States through Rubris, or another online platform. If the requirements for preserving and making available the Subdivision and Special District Settlement Participation Forms change, the Enforcement Committee will convey any new requirements to the Directing Administrator which will make the change.

iv. The Directing Administrator shall promptly respond to requests by Janssen, the Enforcement Committee, or the Settling States for information concerning the Subdivision and Special District Settlement Participation Forms. The Directing Administrator will notify Janssen, the Enforcement Committee, and the Settling States on a regular basis when additional Subdivision and Special District Settlement Participation Forms are submitted unless such information is readily available to the Parties on the online platform established under Section III.A.iii, above.

v. The Directing Administrator shall provide quarterly reports pursuant to Section VII.C of the Janssen Settlement Agreement for Settling States that require information regarding contingency fee contracts on their Subdivision Settlement Participation Form. Upon reasonable request, the Directing Administrator shall also provide reasonably available information to Settling States and Participating Subdivisions relevant to calculating amounts owed under a State Back-Stop Agreement.

B. *Determination of the Participation Tier*.

i. The Directing Administrator shall determine the Participation Tier existing on July 1, 2022 applying the criteria set forth in Exhibit H of the Janssen Settlement Agreement. The Directing Administrator shall notify Janssen and the Enforcement Committee of the Participation Tier within five (5) calendar days of its determination.

1. If Janssen and the Enforcement Committee agree as to the Participation Tier, they shall so inform the Directing Administrator, and such agreement shall satisfy the Directing Administrator's obligations under this Section III.B.i.

ii. The Directing Administrator shall redetermine the Participation Tier annually as of the Payment Date, beginning with Payment Year 2, pursuant to the criteria set forth in Exhibit H of the Janssen Settlement Agreement.

1. In the event that a Participation Tier redetermination moves the Participation Tier higher, and that change is in whole or in part as a result of the post-Reference Date enactment of a Bar and there is later a Revocation Event with respect to such Bar, then on the next Payment Date that is at least one hundred eighty (180) calendar days after the Revocation Event, the Directing Administrator shall

move the Participation Tier down to the Participation Tier that would have applied had the Bar never been enacted, unless the Bar is reinstated or all Subdivisions affected by the Revocation Event become Participating Subdivisions within one hundred eighty (180) calendar days of the Revocation Event. This is the sole circumstance in which, on a nationwide basis, the Participation Tier can move down.

2. In the event that there is a post-Reference Date Revocation Event with respect to a Bar that was enacted in a Settling State prior to the Reference Date, then, on the next Payment Date that is at least one hundred eighty (180) calendar days after the Revocation Event, unless the Bar is reinstated or all Subdivisions affected by the Revocation Event become Participating Subdivisions within one hundred eighty (180) calendar days of the Revocation Event, the Directing Administrator shall decrease the Participation Tier – solely for the State in which the Revocation Event occurred – to the Participation Tier commensurate with the percentage of Litigating Subdivisions in that State that are Participating Subdivisions and the percentage of Non-Litigating Subdivisions that are both Primary Subdivisions and Participating Subdivisions, according to the criteria set forth in Exhibit H of the Janssen Settlement Agreement, except that the calculations shall be performed as to that State alone. For the avoidance of doubt and solely for the calculation in this subparagraph, the Settling States Column of Exhibit H of the Janssen Settlement Agreement shall play no role. This is the sole circumstance in which one Settling State will have a different Participation Tier than other Settling States.

3. The redetermination of the Participation Tier shall not affect payments already made or suspensions, offsets, or reductions already applied.

4. After each redetermination, the Directing Administrator shall notify Janssen and the Enforcement Committee of the Participation Tier within five (5) calendar days of its determination.

5. If Janssen and the Enforcement Committee agree as to a Participation Tier redetermination, they shall so inform the Directing Administrator and such agreement shall satisfy the Directing Administrator's obligations under this Section III.B.ii.

iii. After Payment Year 3, the Participation Tier cannot move higher, unless this restriction is waived by Janssen. If this restriction is waived by Janssen, the Directing Administrator shall be responsible for calculating the Participation Tier consistent with the instructions in Section III.B.ii, above.

iv. Any disputes as to the determination of the Participation Tier shall be decided by the National Arbitration Panel pursuant Section XII.F.4 to the Janssen Settlement Agreement.

IV. Calculation and Allocation of Payments

A. *General Principles.*

i. This Section IV is intended to implement the relevant provisions of Sections I through XIII of the Janssen Settlement Agreement and the exhibits therein. To the extent this Section IV conflicts with Sections I through XIII of the Janssen Settlement Agreement and the exhibits therein, the Janssen Settlement Agreement shall control.

ii. The Settlement Fund Administrators are entitled to rely upon information received from the Parties to the Janssen Settlement Agreement, whether in oral, written, or other form, for the purpose for which it was submitted, provided that such information is not disputed by another Party.

iii. Janssen and the Enforcement Committee may agree to some or all of the calculations and allocations set forth in this Section IV prior to the Directing Administrator making such determination. In such cases, they shall so inform the Directing Administrator and such agreement shall satisfy the Directing Administrator's obligations to determine such calculations and allocations unless the Directing Administrator is provided with information establishing that the agreed-upon calculation or allocation is inaccurate.

iv. The Settling States have different requirements for how payments are made to the State and its Participating Subdivisions listed in Exhibit G based on applicable State-Subdivision Agreements, Allocation Statutes, Statutory Trusts, State Back-Stop Agreements, fiscal laws, and other differences. The Directing Administrator shall ask the Attorney General's Office in each Settling State to: (a) inform it whether the State has a State-Subdivision Agreement, Allocation Statute, and/or Statutory Trust; and (b) submit instructions on how payments are to be made to the State and its Participating Subdivisions listed on Exhibit G of the Janssen Settlement Agreement. The Directing Administrator shall comply with such instructions so long as it is timely submitted and permissible under Sections I through XIII of the Janssen Settlement Agreement and the exhibits therein.

1. Notwithstanding the above, the Directing Administrator shall not instruct the Directed Trustee to make payments to any entity that is not an instrumentality of: (a) a Settling State; (b) a Participating Subdivision; (c) a Participating Special District; (d) a trust account for an attorney representing a Settling State, Participating Subdivision, or Participating Special District; or (e) a special master or similar entity identified by a Settling State.

2. A Participating Subdivision listed on Exhibit G of the Janssen Settlement Agreement may timely choose to make a voluntary redistribution as provided by Section VI.D.3 of the Janssen Settlement Agreement by providing notice through the instructions provided by the Attorney General's Office for its State or by providing notice directly to the Directing Administrator through the instructions provided by the Directing Administrator.

v. The Directing Administrator shall request any Settling State without a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to submit a designation of a lead State agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Abatement Accounts Fund to comply with Section VI.D.4.b of the Janssen Settlement Agreement. The designated entity shall be the only entity authorized to request the Directing Administrator instruct the Directed Trustee to disburse from that Settling State's Abatement Accounts Fund. The Directing Administrator shall not instruct the Directed Trustee to disburse any moneys from these Settling States' Abatement Accounts Fund without such instructions.

vi. In consultation with Janssen and the Enforcement Committee, the Directing Administrator may set reasonable limits on the frequency with which it directs the Directed Trustee to make payments and may set other reasonable restrictions on complying with requests made by Settling States, their Participating Subdivisions, or their Participating Special Districts to limit the burdens and costs imposed on the Settlement Fund Administrators.

B. *Incentive A Payments.*

i. The Directing Administrator shall be responsible for determining which Settling States have qualified for Incentive A, based on meeting the qualifications set forth in Section V.E.4.b of the Janssen Settlement Agreement. A Settling State that is not eligible for Incentive A as of the Incentive Payment Final Eligibility Date shall not be eligible for Incentive A for that Payment Year or any subsequent Payment Years.

1. Janssen and a Settling State shall provide the Directing Administrator notice of agreement pursuant to Sections V.E.4.b and V.E.7.e.2 of the Janssen Settlement Agreement to populations to be used for fire districts in the Settling State.

2. Janssen and a Settling State may inform the Directing Administrator that they agree the Settling State qualifies for Incentive A. In such cases, such agreement shall satisfy the Directing Administrator's obligations to determine the Settling State's qualification for Incentive A.

ii. The Directing Administrator shall provide notice to Janssen, the Settling State, and the Enforcement Committee immediately upon determining that a Settling State has qualified for Incentive A.

iii. The Directing Administrator shall calculate and direct Janssen to pay into the Settlement Fund within ninety (90) days after Janssen is provided the notice pursuant to Section IV.B.ii, above (or after Janssen and a Settling State notify the Directing Administrator of agreement pursuant to Section IV.B.i.1, above), but no earlier than July 1, 2022, the amount of base payments and incentive payments owed to the Settling State that qualified for Incentive A for Payment Years 1-4, less any base payments and Incentive B and C payments already paid into the Settlement Fund for that Settling State.

1. The amount of base payments owed to the Settling State for Payment Years 1-4 is the Base amount specified in Exhibit M of the Janssen Settlement Agreement for Payment 1 through Payment 5 ($1,462,233,076) multiplied by the allocable share of the Settling State provided in Exhibit F of the Janssen Settlement Agreement.

2. The amount of incentive payments owed to the Settling State for Payment Years 1-4 is the Incentives A, B & C (maximum) amount specified in Exhibit M of the Janssen Settlement Agreement for Payment 1 through Payment 5 ($1,710,948,142) multiplied by the allocable share of the Settling State provided in Exhibit F of the Janssen Settlement Agreement.

iv. The Directing Administrator shall allocate the Incentive A payment within the Settling State. The allocations within each Settling State will be determined pursuant Section VI.C, Section VI.D and Exhibit G of the Janssen Settlement Agreement, taking into account the instructions it has received pursuant to Section IV.A.iv, above.

1. If a Settling State and its Participating Subdivisions listed in Exhibit G agree as to the intrastate allocation, the Attorney General's Office in the Settling State shall so inform the Settlement Fund Administrators and such agreement shall satisfy the Directing Administrator's obligations under this Section IV.B.iv, provided Janssen does not object.

v. No later than fifty (50) calendar days prior to the deadline for Janssen to deposit a Settling State's Incentive A payment into the Settlement Fund, the Directing Administrator shall give notice to Janssen, the Settling State, the Enforcement Committee, and the Directed Trustee of: (a) the amount due; (b) the amount to be received by the separate types of funds for the Settling State (if applicable); and (c) the amount to be received by each Settling State's Participating Subdivisions listed on Exhibit G of the Janssen Settlement Agreement. The Directing Administrator's notice to the Directed Trustee will include instructions for disbursement of the Incentive A payment within fifteen (15) calendar days of when Janssen

must place a Settling State's Incentive A payment into the Settlement Fund, or at such later time as directed by each Settling State to the Directing Administrator.

vi. Within fifteen (15) calendar days of when Janssen must place a Settling State's Incentive A payment into the Settlement Fund or at such later time as directed by the Directing Administrator, the Directed Trustee shall disburse the amounts due to the Settling State and to its Participating Subdivisions listed on Exhibit G of the Janssen Settlement Agreement; *provided*, *however*, that the Directing Administrator shall instruct the Directed Trustee that any amounts allocated to a Participating Subdivision that has not yet secured dismissal with prejudice of its lawsuit as required under Section VII.C of the Janssen Settlement Agreement shall not be transferred or disbursed until the Participating Subdivision has secured such dismissal. Janssen shall notify the Directing Administrator if it believes a Participating Subdivision has not yet secured dismissal with prejudice of its lawsuit as required under Section VII.C of the Janssen Settlement Agreement. If so notified, the Directing Administrator will notify the Participating Subdivision.

C. *Initial Year Payments.*

i. The Settlement Fund Administrators shall be responsible for determining the amount of all Initial Year Payments and allocating the Initial Year Payments among the Settling States and Participating Subdivisions listed on Exhibit G of the Janssen Settlement Agreement.

ii. The Payment Dates for the Initial Year Payments are July 1, 2022 and July 15, 2022.

1. The Directing Administrator shall provide notice to Janssen of Janssen's share of the Settlement Fund Administrators' costs and fees for Payment Year 1 pursuant to Section II.D.ii, above, at least fifty (50) calendar days before the Payment Date for the second Initial Year Payment (July 15, 2022).

2. The Directing Administrator shall provide notice to Janssen of the amount owed by Janssen to the Settling States for each Initial Year Payment at least fifty (50) calendar days before the Payment Date for each Initial Year Payment.

a. The payment due for each Initial Year Payment will be equal to the Base amount specified in Exhibit M of the Janssen Settlement Agreement for the applicable payment multiplied by the aggregate Overall Allocation Percentage of the Settling States in Exhibit F of the Janssen Settlement Agreement.

b. The payment due for each Initial Year Payment will be reduced by any portion of the amount calculated in Section IV.C.ii.2.a, above, that is 1) subject to an offset provided by

Section V.C.3 of the Janssen Settlement Agreement for payments under a State-Specific Agreement with a Settling State; or 2) already directed to be paid into the Settlement Fund under Section IV.B, above, for Settling States that qualify for Incentive A. The Directing Administrator shall allocate and track these reductions so that they reduce payments to only those Settling States and their Participating Subdivisions and Participating Special Districts subject to the relevant reduction.

3. The Directing Administrator shall apply any suspensions, offsets, or reductions as specified under Section V (to the extent not already addressed in Section IV.C.ii.2.b, above) and Section IX of the Janssen Settlement Agreement, and allocate and track these amounts so that they reduce payments to only those Settling States and their Participating Subdivisions and Participating Special Districts subject to the relevant suspension, offset, or reduction.
4. On or before July 1, 2022, Janssen shall pay into the Settlement Fund the total amount the Directing Administrator calculates is due for the first Initial Year Payment.
5. On or before July 15, 2022, Janssen shall pay into the Settlement Fund the total amount the Directing Administrator calculates is due for the second Initial Year Payment.

iii. No later than fifty (50) calendar days, or as soon as practicable, prior to July 15, 2022, the Directing Administrator shall allocate the Initial Year Payments as follows in a single distribution to the Settling States and their Participating Subdivisions:

1. The Directing Administrator shall use the data provided to it by Janssen and the Enforcement Committee, which shall be submitted to the Directing Administrator no later than sixty (60) calendar days prior to July 15, 2022, to fulfill its obligations under this Section IV.C and determine the allocations to Settling States and their Participating Subdivisions listed on Exhibit G of the Janssen Settlement Agreement.
2. The Directing Administrator shall subtract any amount owed out of the Settlement Fund for Settlement Fund Administrator costs and fees for Payment Year 1, pursuant to Section II.D.ii, above.
3. The Directing Administrator shall allocate the remainder of the Initial Year Payments among the Settling States and their Participating Subdivisions listed on Exhibit G of the Janssen Settlement Agreement.
    a. The Directing Administrator shall determine each Settling State's overall allocation as described in Section IV.C.ii.2, above.

b. The Directing Administrator shall determine the allocations within each Settling State pursuant to Section VI.C, Section VI.D and Exhibit G of the Janssen Settlement Agreement, taking into account the instructions it has received pursuant to Section IV.A.iv, above.

c. If a Settling State and its Participating Subdivisions agree as to the intrastate allocation, the Attorney General's Office in the Settling State shall so inform the Settlement Fund Administrators and such agreement shall satisfy the Directing Administrator's obligations under Section IV.C.iii.3.b, above, provided Janssen does not object.

4. As soon as possible and at least fifty (50) calendar days prior to any payment distributions, the Directing Administrator shall give notice to Janssen, the Settling States, the Enforcement Committee, and the Directed Trustee of the amount of: (a) the Annual Payment (including the amount to be allocated to the Settlement Fund Administrators in costs and fees); (b) the amount to be received by each Settling State; (c) the amount to be received by the separate types of funds for each Settling State (if applicable); and (d) the amount to be received by each Settling State's Participating Subdivisions listed on Exhibit G of the Janssen Settlement Agreement; *provided, however*, that if Janssen and the Enforcement Committee have agreed on all of these amounts and submitted them to the Directing Administrator pursuant to Section IV.A.iii, above, payment distributions may be made as soon as this notice is provided. This notice to the Directed Trustee will include instructions for disbursement of the Initial Year Payments within fifteen (15) calendar days of July 15, 2022, or at such later time as directed by each Settling State to the Directing Administrator.

5. Within fifteen (15) calendar days of July 15, 2022 or at such later time as directed by the Directing Administrator, the Directed Trustee shall disburse the amounts due to each Settling State and to its Participating Subdivisions listed on Exhibit G of the Janssen Settlement Agreement; *provided*, *however*, that the Directing Administrator shall instruct the Directed Trustee that any amounts allocated to a Participating Subdivision that has not yet secured dismissal with prejudice of its lawsuit as required under Section VII.C of the Janssen Settlement Agreement shall not be transferred or disbursed until the Participating Subdivision has secured such dismissal. Janssen shall notify the Directing Administrator if it believes a Participating Subdivision has not yet secured dismissal with prejudice of its lawsuit as required under Section VII.C of the Janssen Settlement Agreement. If so notified, the Directing Administrator will notify the Participating Subdivision.

iv. The Settlement Fund Administrators shall be also responsible for allocating the Additional Restitution Amount for the Initial Year Payments among Settling States listed in Exhibit N of the Janssen Settlement Agreement. The Directing Administrator shall account for the instructions it has received pursuant to Section IV.A.iv, above, in directing the Directed Administrator's distribution of this money.

D. *Annual Payments.*

i. The Settlement Fund Administrators shall be responsible for determining the Annual Payment and allocating the Annual Payment among Settling States and Participating Subdivisions listed on Exhibit G of the Janssen Settlement Agreement.

ii. The Payment Date for the Annual Payments is June 1 of 2023 and successive years.

iii. No later than fifty (50) calendar days prior to the Payment Date, the Directing Administrator shall determine the Annual Payment and the allocations as follows:

1. The Directing Administrator shall use the data provided to it by Janssen and the Enforcement Committee, which shall be submitted to the Directing Administrator no later than sixty (60) calendar days prior to the Payment Date, to fulfill its obligations under this Section IV.D and determine the allocations to Settling States and their Participating Subdivisions listed on Exhibit G of the Janssen Settlement Agreement.

2. The Directing Administrator shall determine, for each Settling State, the amount of base and incentive payments to which the State is entitled.

a. The base payment due on each Payment Date will be equal to the Base amount specified in Exhibit M of the Janssen Settlement Agreement for the applicable payment multiplied by the aggregate Overall Allocation Percentage of the Settling States in Exhibit F of the Janssen Settlement Agreement.

b. The Directing Administrator shall follow the steps outlined in Section V.E.5-7 of the Janssen Settlement Agreement to determine each Settling State's eligibility for Incentive Payments B-D. The maximum incentive payment due on each Payment Date will be equal to the Incentive A, B & C (maximum) amount plus the Incentive D (Lookback Payment) amount specified in Exhibit M of the Janssen Settlement Agreement for the applicable payment multiplied by the aggregate Overall Allocation Percentage of the Settling States.

c. The payment due for each Annual Payment will be reduced by any portion of the amount calculated in Section IV.D.iii.2.a-b, above, that is 1) subject to an offset provided by Section V.C.3 of the Janssen Settlement Agreement for payments under a State-Specific Agreement; or 2) already directed to be paid into the Settlement Fund under Section IV.B, above, for Settling States that qualify for Incentive A. The Directing Administrator shall allocate and track these reductions so that they reduce payments to only those Settling States and their Participating Subdivisions and Participating Special Districts subject to the relevant reduction.

3. The Directing Administrator shall apply any suspensions, offsets, or reductions as specified under Section V (to the extent not already addressed in Section IV.D.iii.2.c, above) and Section IX of the Janssen Settlement Agreement, and allocate and track these amounts so that they reduce payments to only those Settling States and their Participating Subdivisions and Participating Special Districts subject to the relevant suspension, offset, or reduction.

4. The Directing Administrator shall determine the amount of any Settlement Fund Administrator costs and fees that exceed the accrued interest in the Settlement Fund and Settlement Fund Escrow, as well as the amounts, if any, of such costs and fees owed by Janssen and out of the Settlement Fund pursuant to Section II.D.ii, above.

5. The Directing Administrator shall determine the total amount owed by Janssen (including any amounts to be held in the Settlement Fund Escrow pending resolution of a case by a Later Litigating Subdivision as described in Section IX of the Janssen Settlement Agreement).

6. The Directing Administrator shall allocate the Annual Payment (other than the amount owed for Settlement Fund Administrator costs and fees) within the Settling States. The allocations within each Settling State will be determined pursuant Section VI.C, Section VI.D and Exhibit G of the Janssen Settlement Agreement, taking into account the instructions it has received pursuant to Section IV.A.iv, above.

    a. If a Settling State and its Participating Subdivisions agree as to the intrastate allocation, the Attorney General's Office in the Settling State shall so inform the Settlement Fund Administrators and such agreement shall satisfy the Directing Administrator's obligations under this Section IV.D.iii.6, provided Janssen does not object.

7. No later than fifty (50) calendar days prior to the Payment Date for each Annual Payment, the Directing Administrator shall give notice to Janssen, the Settling States, the Enforcement Committee, and the Directed Trustee of: (a) the amount of the Annual Payment (including the amount to be allocated to the Settlement Fund Administrators in costs and fees); (b) the amount to be received by each Settling State (specifying the amount of base payment, of each incentive payment, and of each applicable suspension, offset, or reduction); (c) the amount to be received by the separate types of funds for each Settling State (if applicable); and (d) the amount to be received by each Settling State's Participating Subdivisions listed on Exhibit G of the Janssen Settlement Agreement. The Directing Administrator's notice to the Directed Trustee will include instructions for disbursement of the Annual Payment within fifteen (15) calendar days of the Payment Date, or at such later time as directed by each Settling State to the Directing Administrator.

8. Within fifteen (15) calendar days of June 1 of each year or at such later time as directed by the Directing Administrator, the Directed Trustee shall disburse the amounts due to each Settling State and to its Participating Subdivisions listed on Exhibit G of the Janssen Settlement Agreement; *provided*, *however*, that the Directing Administrator shall instruct the Directed Trustee that any amounts allocated to a Participating Subdivision that has not yet secured dismissal with prejudice of its lawsuit as required under Section VII.C of the Janssen Settlement Agreement shall not be transferred or disbursed until the Participating Subdivision has secured such dismissal. Janssen shall notify the Directing Administrator if it believes a Participating Subdivision has not yet secured dismissal with prejudice of its lawsuit as required under Section VII.C of the Janssen Settlement Agreement. If so notified, the Directing Administrator will notify the Participating Subdivision.

iv. The Settlement Fund Administrators shall be also responsible for allocating the Additional Restitution Amount for Payment Years 2-3 among Settling States listed in Exhibit N of the Janssen Settlement Agreement. The Directing Administrator shall account for the instructions it has received pursuant to Section IV.A.iv, above, in directing the Directed Administrator's distribution of this money.

E. *Disputes Regarding Incentive A Payments, the Initial Year Payments, Annual Payments.*

i. Within twenty-one (21) calendar days of the notice provided by the Directing Administrator, any party may dispute, in writing, the calculation of an Incentive A Payment, Initial Year Payment, or Annual Payment (including the amount allocated for Settlement Fund Administrator costs and fees), or the amount to be received by a Settling State and/or its

Participating Subdivisions listed on Exhibit G of the Janssen Settlement Agreement. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrators, the Enforcement Committee, any affected Settling State, and Janssen identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected. The Directing Administrator will maintain official contact information for providing a notice of dispute.

ii. Within twenty-one (21) calendar days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrators, the Enforcement Committee, any affected Settling State, and Janssen identifying the basis for disagreement with the notice of dispute.

iii. If no response is filed, and the Directing Administrator determines the disputing Party is correct, the Directing Administrator shall adjust the amount calculated consistent with the written notice of dispute and accordingly provide updated instructions to the Directed Trustee, and Janssen shall pay the adjusted amount, collectively totaling the relevant payment, on the Payment Date. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrators, the Directing Administrator shall notify Janssen of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Directing Administrator or the amount that would be consistent with the notice of dispute, provided, however, that in no circumstances shall the preliminary amount to be paid be higher than the maximum amount of base and incentive payments for that payment as set forth on Exhibit M of the Janssen Settlement Agreement. For the avoidance of doubt, a transfer of suspended payments from the Settlement Fund Escrow does not count toward determining whether the amount to be paid is higher than the maximum amount of base and incentive payments for that payment as set forth on Exhibit M.

iv. The Directing Administrator shall instruct the Directed Trustee to place any disputed amount of the preliminary amount paid by Janssen into the Settlement Fund Escrow and to disburse any undisputed amount to each Settling State and its Participating Subdivisions listed on Exhibit G of the Janssen Settlement Agreement within fifteen (15) calendar days of the Payment Date or at such later time as directed by each Settling State.

v. Disputes described in this subsection shall be resolved in accordance with the terms of Section XII.F of the Janssen Settlement Agreement.

vi. The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Janssen, and the Settlement Fund Administrators.

F. *Extensions.*

i. The schedule provided for in this Section IV shall be adjusted based on what is practicable. The Settlement Fund Administrators shall provide notice to Janssen and the Enforcement Committee should the Directing Administrator and/or Directed Trustee believe that the deadlines provided for in this Section IV need to be adjusted. In such a circumstance, the Settlement Fund Administrators, Janssen, and the Enforcement Committee will meet and confer regarding the appropriate timeline, seeking to balance practical realities with the importance of expediting the receipt of funds by the Settling States and their Participating Subdivisions so that they can be used to provide Opioid Remediation.

ii. The deadlines in this Section IV may be extended by the written agreement of Janssen and the Enforcement Committee.

V. Reporting Obligations

A. *Reporting of Non-Opioid Remediation Uses.*

i. The Directing Administrator shall set up a system to receive and preserve reports from Settling States and Participating Subdivisions that have used monies from the Settlement Fund for purposes that do not qualify as Opioid Remediation, pursuant to Section VI.B.2 of the Janssen Settlement Agreement. The Directing Administrator will not require Settling States and Participating Subdivisions without any such uses of money to submit a report, and the Directing Administrator may treat the failure to submit a report as confirmation that a Settling State or Participating Subdivision had no such uses of money.

ii. Settling States and Participating Subdivisions shall report to the Directing Administrator and Janssen the amount of funds received from the Settlement Fund used for purposes that do not qualify as Opioid Remediation (pursuant to Section VI.B.2 of the Janssen Settlement Agreement). Settling States and Participating Subdivisions' reports to the Directing Administrator and Janssen shall identify how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of the Janssen Settlement Agreement, respectively. Such Settling State or Participating Subdivision shall make such reports to the Directing Administrator and Janssen with respect to each six-month period ending on June 30 or December 31 of any year in which funds are received from the Settlement Fund. Such Settling State or Participating Subdivision shall make each such report within ninety (90) days of the end of the applicable six-month period.

iii. The Directing Administrator shall establish a process by December 31, 2022 to make the reporting under this Section V.A available to the public.

B. *Abatement Accounts Fund Reporting*.

i. The Settlement Fund Administrators shall track and assist in the report of the amount of remediation disbursed or applied during each fiscal year, broken down by primary funded strategy category listed in Exhibit E of the Janssen Settlement Agreement (with any permissible common costs prorated among strategies).

ii. Upon request by Janssen, the Settlement Fund Administrators shall agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for Janssen to establish the statements set forth in Section VI.F of the Janssen Settlement Agreement to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance. Nothing herein shall be read to conflict with or limit the Parties' obligations under Sections VI.F and XIII.E of the Janssen Settlement Agreement.

C. *Qualified Settlement Fund Treatment.*

i. Janssen and the Settlement Fund Administrators shall agree that the Settlement Fund is intended to be classified as a "qualified settlement fund" within the meaning of Treasury regulations Section 1.468B-1, et seq. (and corresponding or similar provisions of state, local, or foreign law, as applicable). The Settlement Fund Administrators or any independent certified public accounting firm selected by Janssen to serve as administrator of the Settlement Fund for tax purposes (the "Tax Administrator") shall not take any action or tax position inconsistent with such treatment. The Settlement Fund shall be treated as a qualified settlement fund from the earliest date possible, and Janssen and the Settlement Fund Administrators shall agree to any relation-back election required to treat the Settlement Fund as a qualified settlement fund from the earliest date possible.

ii. The Settlement Fund Administrators or the Tax Administrator shall serve as administrator of the Settlement Fund for tax purposes. The Settlement Fund Administrators or Tax Administrator shall (i) obtain federal and state taxpayer identification numbers for the Settlement Fund and provide the same to Janssen and the Settlement Fund Administrators, (ii) be responsible for all tax reporting, withholding and filing requirements for the Settlement Fund, (iii) provide instructions to Janssen and the Settlement Fund Administrators for the release of sufficient funds from the Settlement Fund to pay all taxes owed by the Settlement Fund in accordance with Treasury regulations Section 1.468B-2 and any applicable state, local or other tax laws, and (iv) send copies of all such tax filings and returns to Janssen and the Settlement Fund Administrators. Janssen and the Settlement Fund Administrators shall provide such cooperation and information as the Tax Administrator may reasonably request in performing the responsibilities set forth in this Section V.

iii. Any costs and fees arising from a Tax Administrator shall be allocated evenly among Janssen and the Settling Distributors. For the avoidance of doubt, Janssen's liability for its share of the costs and fees is several, and not joint. Janssen shall not be responsible for any portion of a Settling Distributor's share. For the years that Janssen is not utilizing the Settlement Fund, it will not be responsible for any costs and fees.

EXHIBIT O

Adoption of a State-Subdivision Agreement

A State-Subdivision Agreement shall be applied if it meets the requirements of Section VI and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval*. A State-Subdivision Agreement shall be deemed as agreed to when it has been approved by the State and either (a) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Participating Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes do not function as local governments, 15% of or more of the Settling State's non-county Subdivisions), by number.

4. *Preexisting Agreements and Statutory Provisions*. A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or statutory provision be part of the requirements to be an Initial Participating Subdivision.

[3] Certain states do not have counties or parishes that have functional governments, including: Alaska, Connecticut, Massachusetts, Rhode Island, and Vermont.

If Janssen notifies the Settling States in writing that two or more Settling States have notified Janssen of alleged violations, the Settling States that provided notice of alleged violations shall work in good faith to collectively resolve the alleged violation with Janssen before taking any enforcement action(s).

L. "*MDL Expense Fund*." The cost fund described in Section II.F below.

M. "*MDL PEC*." The Plaintiffs' Executive Committee appointed by the MDL Court.

N. "*Non-Participating Litigating Subdivision*." A Litigating Subdivision that is not a Participating Subdivision.

O. "*Participating Litigating Subdivision*." A Litigating Subdivision that is also a Participating Subdivision.

P. "*Participation Agreement*." An agreement executed by an Attorney that acknowledges the obligation to pay an appropriate MDL Common Benefit Assessment.

Q. "*Qualifying Representation*." Legal services provided for representation of a Participating Litigating Subdivision regarding Released Claims against Released Entities.

R. "*State Back-Stop Agreement*." Any agreement by a Settling State and private counsel for Participating Subdivisions in that State (or legislation enacted in that State) to provide, adjust, or guarantee attorneys' fees and costs, whether from the Attorney Fee Fund or any other source recognized in the agreement or legislation.

II. Fees and Costs

A. *Total Attorneys' Fees and Costs*.

1. Total attorneys' fees and costs to be paid by Janssen to Attorneys in each of the relevant Payment Years under this Agreement shall be up to the following amounts, subject to the provisions set forth below, including with respect to the division of the Attorney Fee Fund into its sub funds:

	Attorney Fee Fund (Contingency Fee Fund and Common Benefit Fund)	MDL Expense Fund	Litigating Subdivision Cost Fund
Payment Year 1	$32,391,518.74	$9,615,384.61	$10,000,000.00
Payment Year 2	$35,936,883.63		$10,000,000.00
Payment Year 3	$64,482,248.52		$10,000,000.00
Payment Year 4	$43,720,414.21		
Payment Year 5	$43,720,414.21		
Payment Year 6	$43,720,414.21		
Payment Year 7	$43,720,414.21		

2. The sub funds within the Attorney Fee Fund shall include the Common Benefit Fund and the Contingency Fee Fund. The Cost Funds shall include the MDL Expense Fund, and the Litigating Subdivision Cost Fund. The State Counsel Fee Fund and the State Cost Fund shall be separate funds under the control of the Settling States.

3. The Contingency Fee Fund and the Common Benefit Fund shall be administered by a Fee Panel to be appointed by the MDL Court that will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order. The Cost Funds shall be administered by the Cost and Expense Fund Administrator to be appointed by the MDL Court who will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.

4. The fees and costs to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations only. Fees and costs to be paid under this Fee Agreement are not available prior to the Effective Date of the Janssen Agreement or if the Janssen Agreement does not proceed past Janssen's determination in Section VIII.A of the Janssen Agreement. Fees and costs to be paid under this Fee Agreement are not available for representation of Non-Participating Subdivisions or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees and costs under this Fee Agreement are not available for representation of

any individual or entity in matters other than those claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.

B. *Attorney Fee Fund and Sub Funds*

1. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund.

2. In no event shall Janssen be required to pay more into the Attorney Fee Fund in any Payment Year than the maximum amount specified for that Payment Year in paragraph II.A.1, which amounts are reflected in Exhibit M to the Janssen Agreement. The amounts allocated to the Contingency Fee Fund and the Common Benefit Fund set by the Fee Panel shall be subject to the reductions and offsets set forth below.

3. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Janssen Agreement, as set forth in Exhibit G to the Janssen Agreement, and shall be made applying the Mathematical Model attached as Exhibit "A" to this Fee Agreement. The collection of the data and calculations for the Mathematical Model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis has been spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the Model. The Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in Section II.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.

4. As to awards from the Contingency Fee Fund, there shall be no right of appeal.

5. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

C. *Common Benefit Fund* (60% of the Attorney Fee Fund.)

1. Funds in the Attorney Fee Fund shall be allocated to the Common Benefit Fund according to the schedule set forth below, subject to the adjustments described in paragraph II.C.5. The payments are to be made on the following yearly schedule, subject to the adjustments set forth below:

Payment Year 1	$19,434,911.24
Payment Year 2	$21,562,130.18
Payment Year 3	$38,689,349.11
Payment Year 4	$26,232,248.53
Payment Year 5	$26,232,248.53
Payment Year 6	$26,232,248.53
Payment Year 7	$26,232,248.53
Total:	**$184,615,384.64**

2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions who:

   a. have performed work for the common benefit of all subdivisions pursuant to the guidelines established by Judge Polster set forth in MDL 2804 and the Order dated June 19, 2018, under docket number 636, which is included herein by reference; and

   b. satisfy the eligibility criteria set forth in Section II.G.

   For purposes of Common Benefit Fund distribution, notwithstanding paragraph II.A.4, Attorneys representing Tribal Nations litigating against Janssen that have reached a settlement for Released Claims with Janssen and/or Released Entities and meet the eligibility criteria in Section II.G shall be eligible.

3. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement and the June 19, 2018 Order;

4. In assessing the benefits that an Attorney has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Attorney and his or her clients have contributed to increasing (or reducing) the Initial Participation Tier achieved through participation in the Janssen Agreement, (ii) the Attorney and his or her clients have contributed to increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the Janssen Agreement, and (iii) the Attorney and his or her clients have contributed to the potential triggering of any suspension, reduction, or offset of Settlement payment amounts under the Janssen Agreement. The panel may also consider additional fee recoveries the Attorney may potentially obtain, including, but not limited to, from State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients,

whether they participated in the Janssen Agreement or not. It is the intent of this provision to recognize that the goal of the Janssen Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing a Non-Participating Subdivision does not further the goal of the Janssen Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing Later Litigating Subdivisions is antithetical to the Janssen Settlement, detracts from Common Benefit, and is addressed by the ethics opinion discussed in paragraph II.I.4. The Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Attorneys, as well as, in its discretion, any offsets provided to Janssen as set forth in paragraph II.C.6 and Section II.H. The Fee Panel shall consider the totality of the Attorney's Participating Litigating Subdivisions as compared to the Attorney's Non-Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Attorneys with a higher number of clients have a higher probability of having one or more non-Participating Litigating Subdivision. As used in this paragraph II.C.4, "client" or "representing" a Subdivision shall include any Litigating Subdivision as to which the Attorney has a Fee Entitlement.

5. As set forth in paragraph II.C.6 and Section II.H, the Fee Panel must consider the factors described in paragraph II.C.4 to determine how and whether to reduce the amounts to be paid by Janssen under this Fee Agreement and to determine how to allocate funds among Attorneys. They may also, at their discretion, consider other factors. Any reduction in payment obligation or credit to be given Janssen in this Fee Agreement shall be applied against Payment Year 7 and working backwards. Any reduction to an Attorney not credited to Janssen shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Initial Participation Date.

6. The amounts to be provided as a credit or offset to Janssen from the Common Benefit Fund shall depend on the relevant Participation Tier achieved, set forth in Exhibit H of the Janssen Agreement, as follows:

    a. At Participation Tier 1 or below, the Common Benefit Fund payments to be paid by Janssen shall be reduced as follows:

        i. With respect to any Attorney seeking payment from the Common Benefit Fund, the Fee Panel shall compare the aggregate allocation that Participating Litigating Subdivisions with which the Attorney has a Fee Entitlement would receive using the negotiating class allocation metrics with the aggregate amount that all Litigating Subdivisions (Participating and Non-Participating) with which the Attorney has a

Fee Entitlement would receive using the negotiating class allocation metrics, provided that only Litigating Subdivisions in Settling States shall be considered for this ratio. The Fee Panel will multiply the amount to be paid to that Attorney from the Common Benefit Fund by that ratio, reduce the Attorney's award by a maximum reduction of 15%, and the dollar amount of such reduction shall be deducted, dollar-for-dollar, from the amount owed by Janssen to the Common Benefit Fund of the Attorney Fee Fund.

ii. In the event that any Non-Participating Subdivision that is (a) under the jurisdiction of the MDL Court or (b) represented by an Attorney that is obligated to pay into the MDL Common Benefit Fund pursuant to a Participation Agreement, an order of the MDL Court, or any other arrangement settles with or wins a judgment against a Released Entity separate from the Janssen Agreement, and such settlement or judgment results in a common benefit fee assessment or fee payment into the MDL Common Benefit Fund during the time of Janssen's obligation to pay fees under this Fee Agreement, Janssen's obligation to pay into the Common Benefit Fund shall be reduced dollar-for-dollar for any amount of such fee assessments or payments (in the aggregate based on all reductions in this subparagraph II.C.6.a.ii) that exceed the reductions in subparagraph II.C.6.a.i.

iii. For the avoidance of doubt, in Tier 1 for each settlement or judgment with Janssen that results in an assessment or payment to the MDL Common Benefit Fund, that payment shall result in an offset for Janssen, unless the assessment or payment occurs after the Payment Date for Year 7.

b. At Participation Tier 2, the Common Benefit Fund payments to be made by Janssen shall be reduced only as follows:

i. Reduction by the Fee Panel. With respect to all Attorneys making an application that seeks payment from the Common Benefit Fund, the Fee Panel shall, following a determination that an Attorney is eligible under Section II.G, apply the criteria specified in paragraph II.C.4 in determining whether the lack of participation by Subdivisions with which an Attorney has a Fee Entitlement has resulted in a reduction in the Participation Tier achieved, reduction in benefit to Participating Subdivisions as a result of reductions in Incentives A-D, and/or potential triggering of a suspension, reduction, or offset under the Janssen Agreement. If the Fee Panel concludes that such a reduction has occurred, it must consider (1) the relative size of the Non-Participating Subdivision, as adjusted by the severity measures reflected in Exhibit H (governing the Participation Tiers) of the Janssen Agreement, and the impact of its non-participation on the

Janssen Agreement as a whole (including amounts of Incentive Payments and triggering of suspensions, reductions, or offsets); (2) whether and by how much the payment to the Attorney from the Common Benefit Fund should be reduced as a result of the impact of such non-participation on Participating Subdivisions; and (3) whether some or all of said reduction should revert to Janssen due to the reduction in peace obtained from the Janssen Agreement. Consideration of the factors discussed in this subparagraph and paragraph II.C.4 is mandatory. The decision whether to (and by how much) to reduce payments by Janssen or to reduce the payment to any Attorney based on the factors in paragraph II.C.4 shall be in the sole discretion of the Fee Panel.

ii. Offsets.

(1) In the event that any Non-Participating Subdivision that is (a) under the jurisdiction of the MDL Court or (b) represented by an Attorney that is obligated to pay into the MDL Common Benefit Fund pursuant to a Participation Agreement, an order of the MDL Court, or any other arrangement settles with or wins a judgment against a Released Entity separate from the Janssen Agreement, and such settlement or judgment results in a common benefit fee assessment or fee payment into the MDL Common Benefit Fund during the time of Janssen's obligation to pay Common Benefit Fees under this Fee Agreement, Janssen's obligation to pay into the Common Benefit Fund shall be reduced dollar-for-dollar up to the amount of the fee assessment or payment, except that such amount shall be capped at 7.5% of the amount of the settlement or judgment. Such reduction shall be taken first from Payment Year 7 of Janssen's payments to the Common Benefit Fund of the Attorney Fee Fund up to the full amount of Janssen's payment obligation in Payment Year 7, then from Payment Year 6, and so on.

(2) For the avoidance of doubt, for each settlement or judgment with Janssen that results in an assessment or payment to the MDL Common Benefit Fund, that payment shall result in an offset for Janssen, unless the assessment or payment occurs after the Payment Date for Payment Year 7.

c. At Participation Tier 3, the reductions to the Attorney Fee Fund shall be the same as set forth in subparagraph II.C.6.b, except that the cap on each offset shall be 5% of the amount of such settlement or judgment.

d. At Participation Tier 4, there shall be no reductions to Janssen's obligations to make payment into the Common Benefit Fund, but the principles set forth in paragraph II.C.4 shall continue to apply.

D. *Contingency Fee Fund*. (40% of the Attorney Fee Fund.)

1. Funds from the Attorney Fee Fund shall be allocated to the Contingency Fee Fund on the following yearly schedule, subject to the adjustments set forth below:

Payment Year 1	$12,956,607.50
Payment Year 2	$14,374,753.45
Payment Year 3	$25,792,899.41
Payment Year 4	$17,488,165.68
Payment Year 5	$17,488,165.68
Payment Year 6	$17,488,165.68
Payment Year 7	$17,488,165.68
Total:	**$123,076,923.09**

2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in Section II.G.

3. The Contingency Fee Fund shall be available to Attorneys who

   a. represent Litigating Subdivisions that are Participating Subdivisions, whether their actions are filed in state or federal court, and

   b. meet the eligibility criteria of Section II.G.

   c. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement.

4. The amounts owed by Janssen to the Contingency Fee Fund shall depend on the relevant Participation Tier set forth in Exhibit H of the Janssen Agreement as follows:

   a. At Participation Tiers 1, 2 and 3, the Contingency Fee Fund payments shall be reduced as follows:

      i. For Non-Settling States, the Contingency Fee Fund payments shall first be reduced by the amounts identified by the Fee Panel, pursuant to paragraph II.H.6, that would have been owed to counsel for Litigating Subdivisions in Non-Settling States, had those States and those Litigating Subdivisions been Settling States and Participating Subdivisions.

ii. Following the calculation in subparagraph II.D.4.a.i, the Contingency Fee Fund payments shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to paragraph II.H.6, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions.

b. At Participation Tier 4, there shall be no reductions in the Contingency Fee Fund.

c. In the event that Janssen, prior to the Effective Date of the Janssen Agreement, settles with any Litigating Subdivision and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Janssen Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be credited and/or returned to Janssen as if determined under (a)(ii) above, except that such credit shall not be greater than the amount to the Attorneys paid under the Litigating Subdivision's prior settlement agreement.

E. *Litigating Subdivision Cost Fund*.

1. Janssen shall pay $30,000,000.00 into the Litigating Subdivision Cost Fund, according to the schedule set forth below:

Payment Year 1	$10,000,000.00
Payment Year 2	$10,000,000.00
Payment Year 3	$10,000,000.00
Total	**$30,000,000.00**

2. The Litigating Subdivision Cost Fund shall be available to compensate Attorneys for costs and expenses arising out of representation of Participating Litigating Subdivisions or to compensate Participating Litigating Subdivisions for direct in-house costs for expenditures related to their litigation against Janssen including the cost of in-house employees. No funds in the Litigating Subdivision Cost Fund may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision. In allocating the Litigating Subdivision Cost Fund, the Administrator shall not allocate any funds for costs incurred after July 21, 2021.

3. During the period between July 21, 2021, and the Effective Date, the MDL PEC, as well as Litigating Subdivisions eligible to claim costs from the Litigating Subdivision Cost Fund, shall make best efforts to cease litigation activity against Janssen, including by jointly seeking stays or severance of claims against Janssen, where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.

4. In the event that Janssen, prior to the Effective Date of the Janssen Agreement, settles with any Litigating Subdivision and, under such settlement agreement pay costs to the Litigating Subdivision or its Attorney, the MDL Cost and Expense Fund Administrator shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, using the same criteria applicable to all applicants to the Litigating Subdivision Cost Fund, determine what amount in costs the Litigating Subdivision or its Attorney would have been paid from the Subdivision Cost Fund if they had settled under the Janssen Agreement. That sum, rather than being paid to the Attorney or the previously settling Litigating Subdivision, shall be credited and/or returned to Janssen, except that such sum shall not be greater than the amount paid under the previously settled Litigating Subdivision's settlement agreement.

5. The MDL Court shall appoint a Cost and Expense Fund Administrator, who shall develop a process and criteria, with input from participating counsel, by which to a) determine the distribution of amounts from the MDL Expense Fund in pursuit of the claims against Janssen; and b) receive and evaluate applications from Participating Litigating Subdivisions, whether filed in Federal Court or State Court, to seek reimbursement from the Litigating Subdivision Cost Fund for eligible costs under Section II.E.2 in pursuit of the claims against Janssen. The Cost and Expense Fund Administrator shall require transparency from all applicants as to any other sources for compensating Attorneys for Litigating Subdivisions for costs incurred. The Cost and Expense Fund Administrator shall be compensated from the Fund.

6. In the event that the total amount of reimbursements from the Litigating Subdivision Cost Fund approved as reasonable by the Cost and Expense Administrator is less than the $30,000,000.00, any remaining funds shall revert to Janssen.

F. *MDL Expense Fund*.

1. In Payment Year 1 of the Janssen Settlement, Janssen shall pay the following amount into the MDL Expense Fund:

MDL Expense Fund	$9,615,384.61

2. The MDL Expense Fund shall be released following the Effective Date of this Fee Agreement without any delay to reimburse the MDL Counsel for an agreed-to portion of the expenses incurred, as approved by the Cost and Expense Fund Administrator. The MDL Expense Fund will be paid directly to the MDL Cost Account, set up by MDL Order and will be administered under the ongoing jurisdiction of the MDL Court, as provided below. No funds may be used to compensate the costs incurred by Non-Participating Subdivisions or to compensate any Attorney for costs incurred in representing one or more Non-Participating Subdivisions.

3. In allocating the MDL Expense Fund, the Administrator shall not allocate any funds for costs incurred after July 21, 2021, unless the Administrator determines that there are sufficient funds to cover all subdivision costs incurred prior to July 21, 2021 and that special circumstances exist to justify costs incurred following the public announcement of the Janssen Agreement.

G. *Eligibility*.

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees, including referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for who should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in paragraph II.G.3, must be subject to the criteria set forth in paragraph II.C.4, and must be disclosed to the Fee Panel.

2. An Attorney may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and the Litigating Subdivision Cost Fund and any fund created by a past or future State Back-Stop Agreement, provided the Attorney satisfies the requirements relevant to each such fund and requirements for disclosure to the Fee Panel.

3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and annually certified by the Attorney:

    a. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund or costs from the Cost Funds. All applications for attorneys' fees or costs under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees or costs under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.

    b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or any Releasor with respect to Released Claims against Released Entities.

    c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation that the Attorney could not undertake consistent with the ethics opinion referenced in paragraph II.I.4.

    d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions. For the avoidance of doubt, this representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions represented by other Attorneys that are the result of the MDL Court's Common Benefit order.

    e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision.

f. The Attorney must certify that s/he has reviewed the ethics opinion referenced in paragraph II.I.4 and will act in conformity with such opinion.

g. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to the Janssen Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.

h. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, and deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement, and for which case(s) it was signed.

i. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Janssen Agreement to be fair and will make or has made best efforts to recommend the Janssen Agreement to his or her Subdivision clients in Settling States. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this section shall include an affirmation by the Attorney in compliance with this Subsection.

4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Settling State or a Non-Participating Subdivision. All applications for attorneys' fees under this Section shall include an affirmation by the Attorney of compliance with this Section.

5. An Attorney who has filed an application under this section and received an award of attorneys' fees shall provide a certification of compliance with the Sections of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments.

6. If, at any time, the Attorney is unable to make the representations set forth in this Section, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this Section II.

7. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify Janssen and the Fee Panel. For the avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement with, a Later Litigating Subdivision shall be prohibited from receiving any future funds from the Attorney Fee Fund. If an Attorney fails to notify Janssen and the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision, the Attorney shall be required to refund amounts previously paid.

8. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.

9. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the Janssen Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.

10. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the arbitration procedures outlined herein.

H. *Calculation of Amounts Due.*

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Attorney and each Participating Subdivision that applies under this Section. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this Section, except that the Fee Panel may receive information from Janssen as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in paragraph II.C.4; and (c) such other information as Janssen may voluntarily elect to provide.

2. The Fee Panel shall establish procedures for the arbitration process consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with applicants and/or other counsel (including counsel for Janssen) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.

3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in Section II.G of this Fee Agreement and the criteria set forth in Section II. In addition, the Fee Panel will give consideration in regard to Common Benefit awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):

    a. The Attorney's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Attorney's financial commitment to such Qualifying Representations. Claimed "time" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;

    b. The novelty, time, and complexity of the Qualifying Representations;

    c. The skill requisite to perform legal services properly and undesirability of the case;

    d. The preclusion of other employment by the Attorney due to time dedicated to Qualifying Representations;

    e. The "common benefit," if any, alleged to have been conferred by the Attorney and whether such common benefit work product by that Attorney was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that any Attorney claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;

    f. Any "common detriment," as set forth in paragraph II.C.4.

    g. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such

Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);

h. The experience, reputation, and ability of the Attorney;

i. Whether the Attorney's clients brought Released Claims against Released Entities;

j. The status of discovery in cases primarily handled by the Attorney;

k. The nature of any work by the Attorney on "bellwether" cases or cases that were similarly active in litigation;

l. Any pressure points successfully asserted by the Attorney in cases against Janssen or any risk for Janssen created by the Attorney in cases against them;

m. Any risk for defendants created by applicants in cases against Janssen;

n. Successful and unsuccessful motion practice in cases worked on by the Attorney;

o. The date of filing of any cases filed by the Attorney;

p. Obtaining consolidation of the litigation in the Attorney's jurisdiction;

q. The number and population of entities represented by the Attorney and the fees that would have been awarded under extinguished contingent fee arrangements;

r. Whether the Attorney's clients brought claims against Janssen;

s. Whether the Attorney has had a leadership role in the litigation, whether in state or federal court;

t. Whether the Attorney has had a leadership role in any negotiations aimed at resolving the litigation;

u. Whether the Attorney's cases have survived motions to dismiss;

v. The extent to which the Attorney contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;

w. The extent to which litigation was done prior to and contributed to completion of settlement negotiations, as distinct from litigation that was done litigating after the announcement of the Janssen Agreement, such latter litigation both being of less value and potentially resulting a common detriment to the settlement process; and

x. Any other factors that the Fee Panel finds to be appropriate to consider after input from applicants to the Attorney Fee Fund.

4. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Attorney seeking compensation from the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Attorney shall, at a minimum, require each Attorney to

   a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;

   b. Identify all Subdivisions in both Settling and Non-Settling States (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;

   c. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);

   d. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;

   e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;

   f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;

   g. Notwithstanding "a-f" above, the Panel may consider a supplemental application if the Attorney shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award.

Examples would include, but are not limited to, an Attorney having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or the Participation Tier, or an Allocation Agreement is reached.

5. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):

    a. Review the applications of all Attorneys seeking compensation from the Common Benefit Fund, including determining eligibility for each Attorney as set forth in Section II.G.

    b. Reduce, on an annual basis, Janssen's payment obligations, as set forth in paragraph II.C.5. The Panel shall inform Janssen and the MDL PEC of all such amounts and adjust Janssen's payment obligations accordingly.

    c. Using criteria set forth in Sections II.C and II.I, allocate amounts from the Common Benefit Fund to eligible Attorneys, including payment amounts for each Payment Year. In making such allocations (regardless of the Participation Tier achieved), the Panel shall apply the principles set forth in paragraph II.C.4 and shall allocate any reduction in the payments of Janssen specified in paragraph II.C.5 to the amounts paid to Attorneys with a Fee Entitlement to Litigating Subdivisions that are not Participating Subdivisions.

6. With respect to the Contingency Fee Fund, the Fee Panel shall:

    a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in Section II.G.

    b. Apply the Mathematical Model in Exhibit A.

    c. Use such allocations to reduce payments, on an annual basis, the payment obligations of Janssen to the Attorney Fee Fund as set forth in paragraph II.D.4, and distributions therefrom, and inform Janssen and the MDL PEC of all such adjustments.

7. To the extent that there is a dispute about the calculations of the Fee Panel related to the amounts that Janssen is required to pay (including application of any reductions or offsets under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.

8. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee or cost award at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).

9. In the event that the Fee Panel, through the use of the Mathematical Model set forth in Exhibit A, allocates funds from the Contingency Fee Fund for an Attorney based on a Qualifying Representation of a Participating Litigating Subdivision or allocates cost to such Participating Litigating Subdivision and that Subdivision is in a Settling State in which the Consent Judgment has not been approved, such funds shall be placed into escrow until the Consent Judgment is approved, after which time they shall be released.

I. *Miscellaneous*.

1. The costs associated with the Fee Panel prior to the Effective Date of the Attorney Fee Agreement shall be funded by Janssen. The Fee Panel shall charge an hourly rate that previously has been approved by a federal or state court and shall provide a budget and a cap for such work prior to the Effective Date, which shall be approved by Janssen and such approval shall not be unreasonably withheld. Janssen shall receive a refund for any such payment of pre-Effective Date costs from interest that accrues on the monies in the Attorney Fee Fund (including interest that accrues during such time as the Attorney Fee Fund monies are in escrow prior to the Effective Date of the Janssen Agreement), up to the amount of such costs. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund based on allocation by the Fee Panel and shall not be otherwise funded by Janssen. The costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the MDL Expense Fund and the Litigating Subdivision Cost Fund and shall not be otherwise funded by Janssen.

2. The MDL PEC will seek, and the Attorneys General for Settling States and Janssen will not oppose, a Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or paid in a case otherwise under the jurisdiction of the MDL Court.

3. The MDL PEC shall provide to Janssen information they have that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or having signed a Participation Agreement.

4. The MDL PEC shall retain ethics counsel of its choice to provide an opinion that addresses the compliance of its ethical obligations, as it relates to the Janssen Agreement. Such opinion shall address the issue of the potential conflict of interest for an Attorney that had represented a Participating Subdivision also representing a Later Litigating Subdivision as defined in the Janssen Agreement. This Subsection shall be enforceable to the extent permitted by the equivalent to Rules 1.16 and 5.6 of the ABA Model Rules of Professional Conduct in the relevant jurisdictions. The opinion shall be provided to Janssen as soon as it is completed and, in any event, prior to July 31, 2021 and shall be disseminated to counsel eligible to apply to the Attorney Fee Fund within 30 days of the announcement of the Janssen Agreement. The MDL PEC represents that it will comply with this opinion until the Reference Date and thereafter if the Janssen Agreement proceeds.

5. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as secret under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents). However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

III. Miscellaneous

A. *Termination*. If the Janssen Agreement does not proceed past the Reference Date, whether because Janssen does not determine to proceed or for any other reason, this Fee Agreement shall be null and void, Janssen shall have no obligation to make any payments under this Fee Agreement, and Janssen and the PEC shall take such steps as are necessary to restore the *status quo ante*.

B. *MDL Court Consideration*. This Fee Agreement shall be attached as an exhibit to the Janssen Agreement. This Fee Agreement shall also be submitted by Janssen and the MDL PEC to the MDL Court for approval pursuant to the motion and order that shall be attached, prior to the Preliminary Agreement Date of the Janssen Agreement, as Exhibit B.

1. In the event that the MDL Court, through an order, makes any change to the amounts potentially to be paid by Janssen under this Fee Agreement, makes any change to the Fee Panel's consideration of the factors set forth in paragraph II.C.4, or any other material change to the draft Order attached as part of Exhibit B or the terms of this Fee Agreement, Janssen and the MDL PEC shall meet and confer concerning such changes.

2. If Janssen and the MDL PEC are unable to reach agreement and revisions to this Fee Agreement in the event discussed in paragraph III.B.1, this Fee

Agreement shall be null and void, Janssen shall have no obligation to make any payments under this Fee Agreement, and Janssen and the MDL PEC shall take such steps as are necessary to restore the *status quo ante*.

C. *Amendment*. Once the MDL Court has entered an order implementing this Fee Agreement, this Fee Agreement can only be amended by (1) written agreement of Janssen and the MDL PEC and (2) approval by the MDL Court.

D. *Jurisdiction and Enforcement*. The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of Janssen as set forth in this section, and as to Attorneys making application to the Funds under this Fee Agreement. Solely for purposes of assessing or allocating common benefit fees, the MDL Court will continue to have jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against Janssen, including data and documents, depositions, expert reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this paragraph authorizes the MDL Court to act contrary to this Agreement or to share any of the work product, or provides the MDL Court with jurisdiction over the Janssen Agreement.

Description of Mathematical Model for the Allocation of the Contingency Fee Funds

Distributor Settlement Agreement and Janssen Settlement Agreement

This document describes the Mathematical Model for allocation of the Contingency Fee Fund described in Exhibit R (Agreement of Attorney's Fees, Expenses and Costs) to the Distributor Settlement Agreement and the Janssen Settlement Agreement, respectively.[18] Awards of fees from the Contingency Fee Funds shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the corresponding agreements.[19] A Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a counsel to participate. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculations.

In general terms, allocation of the Contingency Fee Fund shall be made by (1) determining the amount of the Settlement Fund that is attributable to each Litigating Subdivision; (2) making certain adjustments to these amounts based on when the Subdivision filed suit and the terms of the applicable fee contract; and (3) dividing the Contingency Fee Fund proportionately among counsel for each Participating Litigating Subdivision based on the amounts calculated in subpart 2.

Each Settling Defendant is responsible only for its own share of payments.[20] In other words, to collect a fee award from the Contingency Fee Fund against a Settling Defendant, the Participating Litigating Subdivision must have named the Settling Defendant in its lawsuit. The total amount of the Contingency Fee Fund in the Distributor Settlement Agreement is $516,923,077.[21] Amerisource's share is $160,246,153.97 (31.0%), Cardinal's share is $159,729,230.89 (30.9%), and McKesson's share is $196,947,692.46 (38.1%). The total amount of the Contingency Fee Fund in the Janssen Settlement Agreement is $123,076,923.[22]

More specifically, allocation of each Settling Defendant's share of the corresponding Contingency Fee Fund shall be made according to the following steps. These steps must be performed separately for each Settlement Agreement, and each Defendant is responsible for paying only its share of the Contingency Fee Fund. These calculations are made only for purpose of determining the percentage share of the Contingency Fee Fund that Attorneys for each Participating Litigating Subdivision should receive, ***not*** for determining the dollar amount each Subdivision will receive.

[18] *See* Distributor Settlement Agreement, Exhibit R § II.B.3; Janssen Settlement Agreement, Exhibit R § II.B.3.

[19] Distributor Settlement Agreement, Exhibit R § II.B.3; Janssen Settlement Agreement, Exhibit R § II.B.3

[20] Distributor Settlement Agreement, Exhibit R § II.A.5.

[21] Distributor Settlement Agreement, Exhibit R § II.D.1.

[22] Janssen Settlement Agreement, Exhibit R § II.D.1.

(1) For each Settling State, attribute 50% of the settlement funds for that State to its Subdivisions according to the Subdivision Allocation Percentage in Exhibit G to the Distributor Settlement Agreement or Janssen Settlement Agreement, as appropriate.

Illustrative example for the Distributor Agreement:

- Assume that State A is allocated 1.00000% of the $18,554,013,691.11 Restitution/Abatement amount [see Exhibit M of the Agreement].
- 50% of the 1% share allocated to State A is $92,770,068.46.
- Assume that, per Exhibit G of the Agreement, the Subdivision Allocation Percentage for City B in State A is 1.00000000%.
- For purposes of determining its counsel's share of the Contingency Fee Fund, City B is attributed 1.00000000% of $92,770,068.46, or $927,700.68.

(2) Adjust the amounts in paragraph 1 as follows:

a. *Upward Adjustment for Early Filers.* Increase the amount calculated in paragraph 1 above by 10% for any Litigating Subdivision that named the defendant(s) in a suit before December 5, 2017, the date the National Prescription Opiate Litigation MDL was formed. This adjustment must be done individually for each defendant. If the Litigating Subdivision did not name a Settling Defendant in a suit before January 1, 2021, then fees from the Contingency Fee Fund for that defendant will not be awarded to Attorneys with otherwise Qualifying Representations of that Participating Litigating Subdivision.

Illustrative Example:

- Assume City C is attributed $1,000,000 under paragraph 1 above.
- If City C named the defendant(s) before 12/5/2017, the attributed amount would be adjusted to $1,100,000.

b. *Determine Amount Due under Contingency Fee Contract*. Determine the amount that would be due to Attorneys with Qualifying Representations of each Participating Litigating Subdivision under the terms of the applicable fee contract if the Participating Litigating Subdivision were to receive the amount calculated in paragraph 2.a. This amount can be referred to as the Contingency Fee Assumption.

Illustrative Example:

Continuing the example given in paragraph 2.a, if Attorneys have a 20% contingency fee contract with City C for the relevant litigation, the amount calculated in this step would be 20% of $1,100,000, or $220,000.

In the next step, the Contingency Fee Assumption is used to determine the percentage share of the Contingency Fee Fund due to Attorneys for each Participating Litigating Subdivision.

(3) Divide the Contingency Fee Fund proportionately among Attorneys for each Participating Litigating Subdivision in two ways:

a. *National Fee Pool Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts nationwide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions. Then multiply that percentage by the Contingency Fee Fund to figure each Subdivision's dollar share of the Contingency Fee Fund (but only for Settling Defendants the Subdivision timely named in a lawsuit).[23]

Illustrative example for Distributor Settlement Agreement:

- $220,000 [from para. 2.b] ÷ $1,800,000,000 [total amount owed under contingency fee contracts nationwide] = 0.012222%[24]
- 0.012222% * $516,923,077.32 [Contingency Fee Fund] = $63,179.49

b. *Separate State Fee Pools Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts statewide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions in the same State. Then multiply that percentage by the portion of the Contingency Fee Fund that corresponds to that State's Overall Allocation Percentage, shown in Exhibit F of the relevant Settlement Agreement, to figure each Subdivision's dollar share of the Contingency Fee Fund (but only for Settling Defendants the Subdivision timely named in a lawsuit).

Illustrative example for Distributor Settlement Agreement:

- 1% * $516,923,077.32 = $5,169,230.77 [amount of the Contingency Fee Fund corresponding to State A]

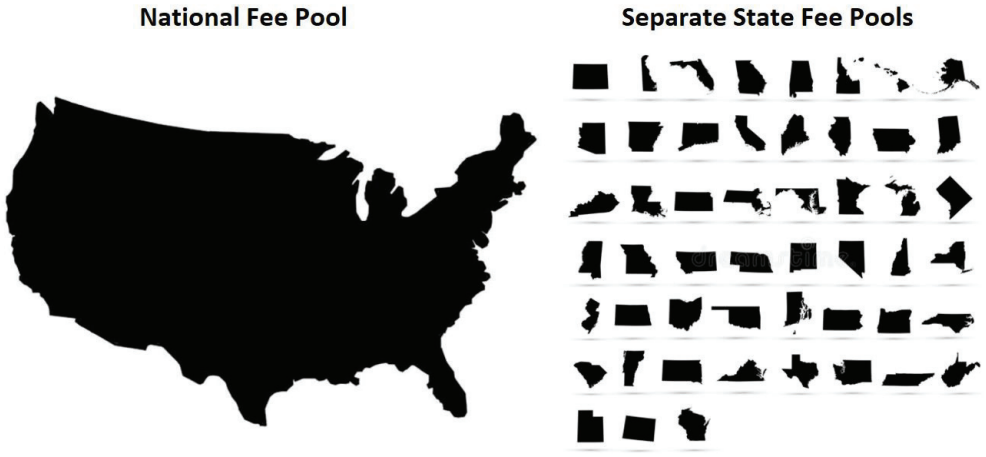
[23] Because a few Litigating Subdivisions named only one or two of the Distributors in a lawsuit before January 1, 2021, each Subdivision's share of the Contingency Fee Fund is slightly different for each distributor. Therefore, under the Distributor Settlement Agreement, the calculations described in this step need to be made separately for each Settling Defendant. It is shown in a single calculation here for ease of illustration only.

[24] In this example, $1.8 billion is the amount theoretically owed under all contingency fee contracts for litigation against distributors as calculated in paragraph 2.b. This amount is illustrative only; the actual amount will not be known until all litigating subdivisions are identified and the terms of all of their contingency fee contracts are collected.

- Assume a total of $17,600,000 is owed under contingency fee contracts for State A.
- $220,000 [from para. 2.b] ÷ $17,600,000 = 1.25%
- 1.25% * $5,169,230.77 = $64,615.38

The award of fees to Attorneys with Qualifying Representations of Participating Litigating Subdivisions will be the average of the final amounts calculated in paragraphs 3.a and 3.b above.[25]

Paragraph 3.a represents allocation based on a proportional share of a National Fee Pool, while paragraph 3.b represents allocation based on a proportional share of the Separate State Fee Pools. In other words, for the National Fee Pool described above in paragraph 3.a, the contingency fee contract rate is compared to all other contingency fee contract rates in the nation. For the Separate State Fee Pools described above in paragraph 3.b, the contingency fee contract terms are compared to the other contingency fee contract terms in that same State. The National Fee Pool and the Separate State Fee Pools are given equal weighting. This is illustrated below.



Using the first methodology, Attorneys for two Subdivisions <u>in different States</u> with the same amount calculated under paragraph 2.b would be assigned the same amount under paragraph 3.a. Using the second methodology, Attorneys for the same two Subdivisions would be assigned different amounts under paragraph 3.b because they are in different States. Specifically, the Subdivision in the State with a smaller proportion of Participating

[25] The model also enforces a maximum fee award of 20% of the amount calculated in 2.b. This rule is designed to prevent windfalls by addressing over-allocation in a small number of states with relatively few Litigating Subdivisions. An estimated 97% of Qualifying Representations are not impacted this rule. The description in this document of the Mathematical Model is by necessity an abstraction; the precise contours of the calculations are defined in the model itself.

Litigating Subdivisions would be allocated more than the Subdivision in the State with a greater proportion of Participating Litigating Subdivisions.

EXHIBIT S

Agreement on the State Cost Fund Administration

1. **Creation of a State Cost Fund.** Janssen and the Settling States agree to the creation of a state cost fund to pay litigation costs and expenses associated with litigation and investigation related to the opioid litigation (hereinafter the "State Cost Fund"). This agreement is a material part of the Settlement Agreement. The State Cost Fund shall be administered separately from the Common Benefit Fund, the Contingency Fee Fund, the State Counsel Fee Fund, Subdivision Costs Fund, and the MDL Expense Fund. No funds may be released from the State Cost Fund to Non-Settling States.

2. **State Cost Fund Amount.** In Payment 1 of the Settlement, Janssen shall pay into the State Cost Fund $13,461,539 (the "State Cost Fund Amount"). Janssen's State Cost Fund payment shall be a component of its Global Settlement Attorney Fee Amount payable to the Attorney Fee Fund, for Payment 1.

3. **State Cost Fund Committee.** A committee of Attorneys General from Settling States or their designated representatives (hereinafter the "State Cost Fund Committee") shall oversee the State Cost Fund. The committee shall initially consist of the following states: (a) Delaware; (b) Florida; (c) Georgia; (d) New York; (e) North Carolina; (f) Ohio; (g) Tennessee; and (h) Texas. The Settling State Attorneys General may by majority vote add or change the composition of the State Cost Fund Committee, including replacing any above State, if that State is not a Settling State.

4. **State Cost Fund Administrator.** The State Cost Fund Committee shall select an administrator (the "State Cost Fund Administrator"). The State Cost Fund Administrator may be different from the Settlement Administrator under the Settlement Agreement. The State Cost Fund Administrator shall be responsible for administering the State Cost Fund and making payments to Settling States.

5. **State Cost Fund Guidelines.** Monies in the State Cost Fund shall be released without any delay to reimburse Settling States for documented opioid litigation and investigation costs incurred or paid. In allocating the State Cost Fund, no funds shall be allocated for costs incurred after July 21, 2021. The State Cost Fund Committee shall establish guidelines for the submission and approval of expenses eligible for reimbursement from the State Cost Fund. The State Cost Fund Administrator shall, in accordance with such guidelines, receive from Settling States records sufficient to demonstrate the incurrence and/or payment of each expense attributable to investigation or litigation related to the opioid litigation, including any outstanding National Association of Attorneys General grant.

6. **State Cost Fund Payment Priorities and Residual.** To the extent that that the aggregate eligible submissions of costs and expenses from Settling States exceed the State Cost Fund Amount, payments to Settling States shall be paid in the following order until the State

Cost Fund is exhausted. If the State Cost Fund is unable to fully pay costs at any of the following levels, then Settling States with costs at that level shall be paid on a proportional basis. All expenses with a lesser priority from the level where the State Cost Fund is exhausted will not be reimbursed from the State Cost Fund. Costs shall be paid in the following order: (a) the reasonable costs of the State Cost Fund Administrator, if any; (b) repayment of the National Association of Attorneys General grants connected to opioid litigation; (c) costs incurred or paid by outside counsel for a Settling State litigating against Janssen apart from any fee owed; (d) litigation-related costs attributable to the Janssen case incurred or paid by a Settling State litigating against Janssen; (e) pre-suit investigation-related costs attributable to a Janssen investigation incurred or paid by either a Settling State outside counsel (not including any amount of fees or any costs which have already been reimbursed pursuant to clause (c), above) or a Settling State investigating Janssen; (f) costs incurred or paid by a Settling State or outside counsel litigating against another opioid defendant other than a cost share entered into by a Settling State, which costs have not yet been paid under a preceding clause of this paragraph; (g) the amounts paid by a Settling State as part of cost share related to the filing of a proof of claim in the Purdue Pharma, L.P. bankruptcy; and (h) the amounts paid by a Settling State as part of any other cost share, including, but not limited to the cost share entered into by the Non-Consenting States in the Purdue Pharma, L.P. bankruptcy. If the State Cost Fund has additional monies after payment of the State Cost Fund Administrator's and all Settling States' submitted costs, then the remaining funds will be provided to the National Association of Attorneys General to be placed in the Financial Services Fund for the purpose of funding grants for consumer protection or healthcare-related enforcement or training activities. In determining what costs are attributable to Janssen, the State Fund Committee shall develop a guideline that ensures that all Settling States are treated equitably.

EXHIBIT U

Agreement on the State Outside Counsel Fee Fund

1. **Creation of a State Outside Counsel Fee Fund.** Janssen and the Settling States agree to the creation of a state outside counsel fee fund to pay reasonable attorney's fees of Settling States with outside counsel in connection with litigation against Janssen (the "State Outside Counsel Fee Fund"). This agreement is a material part of the Settlement Agreement. All terms utilized in this Agreement shall have the same meaning as in the Settlement Agreement unless otherwise indicated.

2. **State Outside Counsel Fee Fund Administration.** The State Outside Counsel Fee Fund shall be administered separately from the Common Benefit Fund, the Contingency Fee Fund, the State Cost Fund, and the MDL Expense Fund. A committee of Attorneys General shall oversee the State Outside Counsel Fee Fund ("Fee Fund Committee"). The Fee Fund Committee shall initially consist of the following: (a) Arkansas; (b) Florida; (c) New Jersey; and (d) Puerto Rico. The Fee Fund Committee shall select a settlement fund administrator (who may or may not be different from the Settlement Administrator under the Distributor Agreement) (the "Fee Fund Administrator") who shall administer the State Outside Counsel Fee Fund according to the guidelines and directives of the Fee Fund Committee.

3. **State Outside Counsel Fee Eligibility.** To participate in the State Outside Counsel Fee Fund, an outside counsel for a Settling State must have filed and be maintaining an action in the name of a Settling State or its attorney general against Janssen in a state or federal court as of June 1, 2021. No Settling State can draw attorney's fees from both the State Outside Counsel Fee Fund and the similarly sized fund to reimburse Settling State's without outside counsel.

4. **State Outside Counsel Fee Fund Amount.** Janssen shall pay funds in the State Outside Counsel Fee Fund according to the schedule set forth below, as part of its annual Global Settlement Attorney Fee Amount payable to the Attorney Fee Fund, subject to the adjustments described below:

Payment Year 1	$32,391,518.74
Payment Year 2	$30,769,230.77
Payment Year 3	$ 4,146,942.80

5. **State Outside Counsel Fee Fund Availability and Calculation of Amount.**

   a. The State Outside Counsel Fee Fund shall be available to compensate private counsel for State Attorneys General for approved fees arising out of representation of the State pursuant to the schedule developed by the Fee Fund Committee and provided to Janssen.

b. Fees shall be calculated by adding two components: (a) a fixed amount consisting of fifty (50%) of the amount allocated to a State utilizing the allocation percentage in the Settlement Agreement multiplied times 4.5%; and (b) a proportional percentage of the remaining fee due under that Settling State's contract assuming that fifty (50%) of the State's recovery is allocable to a Settling State (versus allocable to the Settling State's Subdivisions) so that the fees of all Settling States (minus the base amount that would have been due to any of Non-Settling States) exhausts the State Outside Counsel Fee Fund. The proportional share percentage will be the same for each Settling State included in the State Outside Counsel Fee Fund. All amounts paid will be less any costs or fees of the Fee Fund Administrator.

6. **Payment by the Fee Fund Administrator**.

a. If a Settling State and a Settling State's outside counsel agree that the amount calculated in paragraph 5 above satisfies in full amounts owed to all Settling State outside counsel, then upon written notice of that agreement and counsel waiving in writing any entitlement to any additional fee, the Fee Fund Administrator shall pay that Settling State's outside counsel pursuant to the calculation and any schedule created by the Fee Fund Committee.
b. If a Settling State's outside counsel does not agree that the amount calculated in Paragraph 5 above satisfies in full amounts owed by the Settling State, then the Settling State's share shall be placed in an interest bearing escrow account (less reasonable expenses of the Fee Fund Administrator) and held unless and until the Settling State and its outside counsel agree in a signed writing to a resolution of the amount outstanding or there is a final judgment entered that is no longer appealable.
c. Upon being provided a signed, written agreement or the final non-appealable judgment, the Fee Fund Administrator shall release monies from the State Outside Counsel Fee Fund in either the amount held by the Fee Fund Administrator, if the amount of the agreement or judgment is equal to or more than the amount held, or the amount indicated in the agreement or in the final judgment, if the amount in the agreement or judgment is less than the amount held.
d. Nothing herein, including the amounts listed in paragraph 5 above, shall prevent a Settling State from arguing in any proceeding with its outside counsel that (a) its recovery was less than fifty (50%) percent of the recovery in the Settlement Agreement down to and including fifteen (15%) percent of the total recovery; (b) any payment should be discounted by an appropriate discount rate commensurate to the risk of the Settlement Agreement and the timeline that the Settling State is receiving its payments; (c) the settlement amount should be lower because a Settling State's amounts were reduced because a Settling State's outside counsel failed to obtain joinder from a Settling State's Subdivision(s) who(m) the outside counsel also represented;

or (d) any limitation placed by Janssen bars payment of a higher fee to outside counsel.

e. In the event the amount due to the Settling State's outside counsel from an escrow account is less than the total amount of funds escrowed on the account of the Settling State, the balance shall be paid to the Settling State. In no event, other than a State not being a Settling State, shall funds revert to Janssen.

f. Amounts owed by Janssen to the State Outside Counsel Fee Fund shall be reduced and/or credited to Janssen by the amount specified in paragraph 7, below, for any Non-Settling outside counsel States.

7. **Reversion or Reduction of Amounts owed to Non-Settling States.** Amounts owed by Janssen to the State Outside Counsel Fee Fund shall be reduced on account of Non-Settling States as follows:

a. If the State of Washington does not become a Participating State and twelve (12) of the other outside counsel States in the table below become Participating States, then the amount Janssen owes under paragraph 4 will be reduced by the State of Washington's Fixed Amount in the table below.

b. If eleven (11) outside counsel States in the table below become Participating States, then the amount Janssen owes under paragraph 4 will be reduced by the allocated Fixed Amount in the table below for each Non-Settling State.

c. If ten (10) or fewer of the outside counsel States in the table below become Participating States, then the amount Janssen owes under paragraph 4 will be reduced by each Non-Settling State's allocated Fixed Amount plus half the difference between the Non-Settling State's full share of the "Fee Amount if all OC States Join" and the Fixed Amount for each Non-Settling State.

AGENDA SUMMARY

GRAND COUNTY COMMISSION

REGULAR MEETING

SEPTEMBER 6, 2022

Agenda Item:

TITLE:	Approving Utah Subdivision Agreement to Establish Utah Attorney Fee and Expense Fund
FISCAL IMPACT:	Reduces our opioid settlement fees by 20% but also reduces our total fee liability from 35% to 20%
PRESENTER(S):	Christina Sloan, County Attorney

Prepared By:

Christina Sloan,
County Attorney

FOR OFFICE USE ONLY:

Attorney Review:

Complete
August 31, 2022

RECOMMENDATION:

I move to approve the Utah Subdivision Agreement to Establish Utah Attorney Fee and Expense Fund.

BACKGROUND:

In 2018, along with 26 other Utah counties, the previously named Grand County Council and prior County Attorney Andrew Fitzgerald entered into litigation in the Moab District Court against opioid manufacturers and distributors including Johnson & Johnson and Teva Pharmaceuticals USA for damages caused by their role in the opioid epidemic in Utah. State claims include negligence, products liability, and public nuisance. Grand County's Moab District Court case was later consolidated with similar cases filed by other counties in the Third Judicial District in Summit County.

At that time, the Grand County Commission approved, upon Mr. Fitzgerald recommendation, a contingency fee agreement with the County's Opioid Counsel Phipps Ortiz Talafuse. The fee agreement set the attorneys' fees to be recovered from any award to Grand County at 35% (but obligated the County to pay nothing if it didn't recover from the Defendants).

During the protracted opioid settlement process, all parties have represented to the counties, including the County's Opioid Counsel, that attorneys' fees would be paid out of a separate pot of money included in the settlement with Distributor Defendants. This means we were told over and over again that our pittance of a settlement share (0.304%) would not be reduced by the payment of attorney's fees.

Upon finalization of the settlement agreement with Distributor Defendants by the State of Utah as part of a national settlement process, the handling of attorneys' fees has changed. The good news is that the County's fee liability is capped at 20%, which reduces the County's fees by 15%. The bad news is that the fees will be taken out of the county's already pathetic settlement share.
Brown Greer, a national independent law firm, will distribute the attorneys fees and settlement funds. And all Utah counties are required to pay 20% of their settlement proceeds into the Attorney Fee and Expense Fund, regardless of the total amount of their fees, or the specifics of their fee agreement.

At this time, neither the County's Opioid Counsel or the Utah AG's office has a lot of detail about how the fee payments will work. We believe that Brown Greer will deduct 20% from each settlement check paid to the County until its total fees are paid. There is a small chance that, ultimately, Grand County will only be responsible for its actual fees incurred, which the County's Opioid Counsel estimates to be less than 20% of its award, and that Grand County will actually pay less than 20% in fees. However, this is unknown at this time.

The County Attorney continues to work to confirm that this Fee MOU has been executed by each of the other counties in Utah.

ATTACHMENT(S):

1. Utah Subdivision Agreement to Establish Utah Attorney Fee and Expense Fund
2. 2018 Contingency Fee Agreement

Utah Subdivision Agreement to Establish Utah Attorney Fee and Expense Fund

Pursuant to sections 3.1, 4.2, and 6.2 of the One Utah Opioid Settlement Memorandum of Understanding ("MOU") entered into by the undersigned governmental entity ("Governmental Entity") and the State of Utah in 2022 concerning the Janssen and opioid distributor settlement agreements ("Settlement Agreements"), the Governmental Entity agrees as follows:

1. The Governmental Entity acknowledges that outside counsel for litigating subdivisions identified in the MOU ("Subdivision Outside Counsel") have applied for payment of attorney fees through national fee funds created pursuant to the Settlement Agreements ("National Funds").

2. The Governmental Entity acknowledges that payments from the National Funds may not be sufficient to pay the entirety of the fees and costs incurred by Subdivision Outside Counsel and payable under their contingency fee contracts with their Government Entity clients.

3. The Governmental Entity acknowledges that BrownGreer PLC ("Administrator") was designated to administer the disbursement of payments to the State of Utah and its subdivisions pursuant to the Settlement Agreements.

4. Therefore, the Governmental Entity agrees that the Administrator shall disburse a portion of Settlement Agreements payments to the "Utah Fund" defined in Section 6.2 of the MOU. The portion directed to the Utah Fund shall be twenty (20) percent of the "Local Government Share" (as defined in Section 3.3 of the MOU). No portion of the "State Share" (as defined in Section 3.2 of the MOU) shall be directed to the Utah Fund.

5. Payments to Subdivision Outside Counsel from the Utah Fund shall be disbursed in the same proportion as the allocation percentages defined in Exhibit B to the MOU. *E.g.,* where Salt Lake County is allocated 42.271% of funds in Exhibit B, the Administrator will direct 42.271% of the Utah Fund to the outside counsel representing Salt Lake County. Each Government Entity shall designate the attorney or law firm to which Administrator will make each payment, and that attorney or law firm will be responsible for distributing those funds among the Subdivision Outside Counsel for that Government Entity. Portions of the Utah Fund that would otherwise be due to outside counsel for participating but non-litigating subdivisions shall be reapportioned to the outside counsel for litigating subdivisions on a pro rata basis based on the percentages in Exhibit B.

6. Disbursement to the Utah Fund shall commence with the initial disbursement of payments under the Settlement Agreements and shall continue until fees and costs of the Subdivision Outside Counsel are paid in full subject to Section 6.5 of the MOU. Any funds remaining in the Utah Fund beyond what is required to pay the attorney fees and expenses of Subdivision Outside Counsel shall revert to the Local Government Share and be distributed to the counties according to the percentage allocation defined in Exhibit B to the MOU.

OPIOID LEGAL REPRESENTATION AGREEMENT
(AGREEMENT)

CLIENT
GRAND COUNTY, UTAH

A. Scope and Purpose of Representation

1.1 GRAND COUNTY, UTAH ("CLIENT") hires the law firms of PHIPPS DEACON PURNELL LLP and DURHAM JONES & PINEGAR, PC as CO-LEAD COUNSEL in the investigation and prosecution of a lawsuit arising under the laws of the State of Utah for any and all claims against manufacturers, distributors and prescribers of prescription opiates and those acting in concert with them who caused, or contributed to cause, the damages incurred by GRAND COUNTY arising out of aggressive marketing and distribution of opiates in and to the County (collectively, "Defendants"). The claims include, but are not limited to: negligence, fraud, misrepresentation, violations of deceptive trade practices and consumer protection statutes, nuisance, civil RICO or conspiracy, mislabeling and other causes of action arising from Defendants' conduct in the marketing and sale of prescription opioid drugs to the American public and GRAND COUNTY. Specifically, the claims arise from Defendants' role in the creation of the opioid epidemic that now exists in the U.S. and in GRAND COUNTY, the substantial economic harm the opioid epidemic has caused GRAND COUNTY by way of direct and indirect costs incurred, the physical harm to the life, health, safety and property of GRAND COUNTY and its residents, and the lucrative profits reaped by Defendants despite knowing that they were defrauding GRAND COUNTY ("the Representation").

1.2 CLIENT hereby retains and employs CO-LEAD COUNSEL. The GRAND COUNTY COUNCIL has, by its approval of this Agreement, found that CLIENT has a substantial need for these legal services which cannot be adequately performed by the attorneys of CLIENT or other government attorneys, nor, because of the nature of the matter for which services will be obtained, can they be reasonably obtained from attorneys in private practice under a contract providing only for the payment of hourly fees, without regard to the outcome of the matter. The estimated amount that may be recovered from the litigation exceeds $100,000.00.

1.3 CLIENT hereby authorizes and directs CO-LEAD COUNSEL, subject to the supervision, direction and control of the GRAND COUNTY ATTORNEY'S OFFICE, to handle the Representation and to take all actions necessary to prosecute and assist in the prosecution of the ongoing case or any new or additional case(s) on behalf of CLIENT against Defendants. In the Representation, CO-LEAD COUNSEL may seek necessary and appropriate injunctive relief, damages, civil penalties, costs and attorney's fees, and such other pecuniary recovery as may be provided for by the laws of the State of Utah and/or any relevant local, state and/or federal statutory and/or common law.

1.4 The term of this Agreement shall end after the conclusion of the Representation unless either party extends or terminates this Agreement in accordance with its provisions.

1.5 CLIENT is hiring as CO-LEAD COUNSEL the law firms of PHIPPS DEACON PURNELL LLP and DURHAM JONES & PINEGAR, PC. The two firms will share equally in the responsibilities in the legal representation of CLIENT and will also share equally in any fees. The primary attorneys handling this legal representation for CLIENT will be Martin Phipps and Barry Deacon of PHIPPS DEACON PURNELL LLP, and Douglas Thayer of DURHAM JONES & PINEGAR. In the event of a dispute between CO-LEAD COUNSEL regarding representation of CLIENT, Martin Phipps shall be lead/managing attorney and make any final decision regarding the legal representation with the consent of CLIENT. CO-LEAD COUNSEL agrees to perform necessary legal work with reference to the Representation, and will work specifically under the supervision, direction and control of the GRAND COUNTY ATTORNEY. To ensure the timely and efficient completion of this matter, other attorneys or paralegals may also be assigned.

1.6 To enable CO-LEAD COUNSEL to provide effective representation, CLIENT agrees to do the following: (1) disclose to CO-LEAD COUNSEL, fully and accurately and on a timely basis, all facts and documents within CLIENT'S knowledge that are or might be material, or that CO-LEAD COUNSEL may request, (2) keep CO-LEAD COUNSEL apprised on a timely basis of all developments relating to the Representation that are or might be material, (3) attend meetings, conferences, and other proceedings when it is reasonable to do so, and (4) otherwise cooperate fully with CO-LEAD COUNSEL. Finally, if Client has any concern or problem with CO-LEAD COUNSEL, their attorneys or employees at any time, CLIENT agrees to immediately tell the primary attorney of each law firm about any concerns or problems and not wait until a later time.

1.7 Neither party shall assign, in whole or in part, any duty or obligation of performance under this Agreement without the express written permission of the other parties, unless otherwise authorized in this Agreement.

1.8 The person or entity that CO-LEAD COUNSEL represents is GRAND COUNTY and CO-LEAD COUNSEL'S attorney-client relationship does not include any related persons or entities. If any potential conflict arises with respect to the Representation, CO-LEAD COUNSEL will make full disclosure of the possible effects of such Representation on the professional judgment of each individual associated with CO- LEAD COUNSEL working on Representation. Such disclosure shall be made to the GRAND COUNTY ATTORNEY, Mr. Andrew Fitzgerald, or any other attorney he/she designates.

1.9 CLIENT represents that it has identified to CO-LEAD COUNSEL, to allow them to check conflicts, all individuals and entities reasonably known to it that are or may become involved in this matter, including all individuals or entities affiliated with

CLIENT. CLIENT will notify CO-LEAD COUNSEL if it becomes aware of any other individuals or entities that are or may become involved so that CO-LEAD COUNSEL can update their conflicts checks.

1.10 It is understood and agreed that CO-LEAD COUNSEL'S engagement is limited to the Representation. CO-LEAD COUNSEL is not being retained as general counsel, and CO-LEAD COUNSEL'S acceptance of this Agreement does not imply any undertaking to provide legal services other than those set forth in this Agreement.

1.11 Any expressions on CO-LEAD COUNSEL'S part concerning the outcome of the Representation, estimates of time frames or amounts, or any other legal matters, are based on CO-LEAD COUNSEL'S professional judgment and are not guarantees. Such expressions, even when described as opinions, are necessarily limited by CO-LEAD COUNSEL'S knowledge of the facts and are based on CO-LEAD COUNSEL'S views of the state of the law at the time they are expressed. CO-LEAD COUNSEL has made no promises or guarantees to CLIENT about the outcome of the Representation, and nothing in these terms of engagement shall be construed as such a promise or guarantee.

1.12 Throughout the course of the matter, we will send, to an email address CLIENT provides, electronic copies of documents relevant to the matter and these will be CLIENT's file copies. CLIENT is responsible to keep CO-LEAD COUNSEL informed as to any changes in the email address. If CLIENT requires use of a third party service to deposit or receive documents, CLIENT assumes responsibility for any security risks associated with the third party service. CLIENT is entitled upon written request to electronic copies of any files in CO-LEAD COUNSEL's possession relating to the engagement, such as pleadings, motions, discovery, legal memoranda, correspondence, depositions, expert opinions, business records, exhibits or potential evidence, witness statements, agreements, and legal or transactional documents (but excluding recorded mental impressions, research notes, legal theories, internal memoranda, unfiled pleadings, and internal accounting records and other documents not reasonably necessary to the representation), subject to CO-LEAD COUNSEL's right to make copies of any files CLIENT withdraws. If CLIENT requires paper copies of CLIENT's file, CLIENT will be responsible for copy charges at the Firms' standard rates. At the conclusion of the Representation, CO-LEAD COUNSEL will return to CLIENT any documents that COUNSEL is specifically requested to return. As to any documents so returned, CO-LEAD COUNSEL may elect to keep a copy of the documents in COUNSEL'S stored files. CLIENT owns all final work product generated from the Representation. Paper files may be sent to a storage facility or destroyed after the close of a matter if no request from the CLIENT is received.

1.13 Consultations and communications with firm internal ethics and professional responsibility counsel is protected by the firm's own attorney-client privilege and is not subject to discovery; records of these consultations are property of the firm and not part of CLIENT's file.

1.14 Cell Phone and Email Communication. CO-LEAD COUNSEL may

communicate with CLIENT by cell phone or unencrypted email which may be capable of being intercepted by others and therefore may be deemed no longer protected by the attorney-client privilege. CO-LEAD COUNSEL's preferred method of communication with CLIENT is through email. CLIENT must inform CO-LEAD COUNSEL if CLIENT does not want them to email CLIENT or discuss privileged matters on cell phones or if CLIENT wants CO-LEAD COUNSEL to encrypt email. If CLIENT sends or receives electronic communications using a computer or other device or email account to which a third party has, or may gain access, or if CLIENT sends electronic communications or files to a document repository such as Dropbox, CLIENT communications are not secure and may be deemed no longer protected by attorney-client privilege. If CLIENT uses a computer or other device or email account which a third party owns or to which a third party has, or may gain access, CLIENT must inform CO-LEAD COUNSEL.

1.15 Subpoenas and Testimony. If a third party subpoenas CO-LEAD COUNSEL's records of services performed for CLIENT or requires CO-LEAD COUNSEL to testify concerning such services, CO-LEAD COUNSEL will ask CLIENT whether it wants them to assert CLIENT's attorney-client privilege (to the extent CLIENT may properly do so). CLIENT will pay CO-LEAD COUNSEL for their time and expenses reasonably incurred in relation to any such demand, including, but not limited to, time and expenses for searching and copying records, reviewing documents, designating privileged documents, appearing at depositions or hearings, and litigating issues raised by the request.

1.16 Any notice required or permitted to be given by CLIENT to CO-LEAD COUNSEL hereunder may be given by e-mail and hand delivery, facsimile or certified United States Mail, postage prepaid, return receipt requested, addressed to:

1.18 Such notices shall be considered given and complete upon successful transmission or upon deposit in the United States Mail.

1.19 It is expressly understood that CO-LEAD COUNSEL has no authority to settle or otherwise compromise the position of the CLIENT or any of its officers. The GRAND COUNTY ATTORNEY and GRAND COUNTY COUNCIL retain all authority to settle the case.

1.20 Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of CLIENT.

1.21 CO-LEAD COUNSEL shall provide CLIENT's attorney with reports on the status of the Representation as requested by CLIENT. No settlement of any claim, suit, or proceeding shall be entered into without the approval of the GRAND COUNTY COUNCIL in consultation with the GRAND COUNTY ATTORNEY.

1.22 It is further agreed that CO-LEAD COUNSEL shall not associate other firms to appear as ASSOCIATED COUNSEL without the prior written consent of the GRAND COUNTY ATTORNEY. CO-LEAD COUNSEL's intent to associate ASSOCIATED COUNSEL shall be in writing, shall set forth the reasons that COUNSEL wishes to associate ASSOCIATED COUNSEL and shall be in compliance with Section 1.5 of the Utah Rules of Professional Conduct ("URPC"). Any counsel approved by the GRAND COUNTY ATTORNEY pursuant hereto shall be considered a contracting party to and bound by the terms and conditions of this Agreement and shall confirm their agreement to be so bound in writing provided to the GRAND COUNTY ATTORNEY prior to their association.

1.23 CO-LEAD COUNSEL will share any legal fees as follows:

PHIPPS DEACON PURNELL LLP	50%
DURHAM JONES & PINEGAR, PC	50%

1.24 The basis for this division of legal fees will be "joint responsibility," as that term is defined in Rule 1.5(e), Utah Rules of Professional Responsibility CLIENT

consents to this sharing or division of legal fees between/among these identified law firms and the basis described.

1.25 No actions and/or disputes between or amongst CO-LEAD COUNSEL will affect CLIENT'S recovery, nor will it give rise to any liability on the part of CLIENT.

1.26 Termination of Engagement. Either party may terminate this engagement at any time for any reason by written notice. In the event of termination after the commencement of the case, CLIENT agrees to pay CO-LEAD COUNSEL for their fees and expenses incurred, with fees calculated on a pro-rated hours basis, from any recovery ultimately recovered by CLIENT. Nevertheless, if CLIENT terminates this engagement other than for cause, CLIENT shall reimburse CO-LEAD COUNSEL for all expenses incurred by CO-LEAD COUNSEL in representing CLIENT prior to the date of termination regardless of any recovery ultimately recovered by CLIENT. If CLIENT requests that CO-LEAD COUNSEL incur fees or expenses in transitioning this matter to different counsel, CLIENT will pay CO-LEAD COUNSEL for their fees and expenses incurred in making the transition. Termination will be effective only to the termination of CO-LEAD COUNSEL's services prospectively and all other terms of this letter agreement will survive the termination. In addition, the attorney-client relationship will be deemed automatically terminated without notice and CO-LEAD COUNSEL may treat CLIENT as a former client for purposes of the Rules of Professional Conduct if (i) CO-LEAD COUNSEL has completed the services they have agreed to perform or (ii) have performed no work on CLIENT's behalf for six consecutive months for any reason (such as because CLIENT has abandoned its matter, been unavailable, or unresponsive). Should CO-LEAD COUNSEL subsequently be asked to render additional services, and in the event they do so without executing a new agreement, they will be deemed to have re-established their relationship with CLIENT pursuant to the terms of the original agreement.

1.27 No Post-Termination Responsibility to Provide Services. Upon cessation of CO-LEAD COUNSEL's active involvement in a particular matter (even if they continue active involvement in other matters on CLIENT's behalf), they will have no further duty to monitor or inform CLIENT of future developments or changes in law which may be relevant to the matter. Unless agreed to in writing to the contrary, CO-LEAD COUNSEL will have no obligation to monitor, notify CLIENT concerning, or comply with renewal, registration, continuation, or notice dates or similar deadlines that may arise from or relate to the matters for which they were engaged.

1.28 Publicity. Unless otherwise provided in writing, CO-LEAD COUNSEL may use CLIENT's name and logo on their websites (including a link to the home page of CLIENT's website) and in their marketing materials solely for the limited purpose of referring to CLIENT as a client of the firms.

B. Fees and Expenses

2.01 Contingent Fee. CO-LEAD COUNSEL will only be compensated for legal services rendered in this matter if a recovery is obtained. The fee to be paid to CO-LEAD

COUNSEL will be a percentage of the TOTAL RECOVERY. TOTAL RECOVERY means: the total of all amounts received (including the reasonable value of any non-monetary proceeds) by settlement, arbitration award, or judgment, including any award of attorney's fees or punitive damages.

2.02 Expenses. All expenses will be reimbursed or paid from CO-LEAD COUNSEL's share of the TOTAL RECOVERY after applying the percentages listed in paragraph 2.04 below. As between CO-LEAD COUNSEL, all expenses incurred will be reimbursed first, in full, from CO-LEAD COUNSEL's share of the TOTAL RECOVERY before the division of legal fees, which legal fees will be divided as set forth in paragraph 1.23 above.

2.03 Receipt of Funds. Any funds recovered through settlement or judgment will be deposited in one of the CO-LEAD COUNSEL's trust account for disbursement in accordance with the foregoing terms.

2.04 Calculation of Fee. From the TOTAL RECOVERY (as set forth above, before expenses, which will be reimbursed or paid from and included in CO-LEAD COUNSEL's share), CO-LEAD COUNSEL will receive a percentage based on the following schedule:

a. Thirty-five percent (35%) of the TOTAL RECOVERY.

b. If CO-LEAD COUNSEL's representation is terminated for any reason, they will be entitled to reimbursement of their expenses and pro-rated hours, to be paid out of any ultimate recovery received by CLIENT.

C. Joint Representation

3.01 CO-LEAD COUNSEL has advised CLIENT that CO-LEAD COUNSEL may represent other clients ("Other Clients") with claims similar to those of CLIENT. Further, CO-LEAD COUNSEL has advised CLIENT that there are important potential advantages and disadvantages to participating in a joint representation in which CO-LEAD COUNSEL represent multiple clients pursuing similar claims. CLIENT consents to the law firms' joint representation of CLIENT and such Other Clients. CLIENT agrees that CO-LEAD COUNSEL may mediate or otherwise negotiate CLIENT'S claims in combination with Other Clients' claims. If a defendant makes a "global settlement offer" that offers one sum of money to settle more than one client's claims, then CLIENT agrees that CO-LEAD COUNSEL can share the identity of each jointly-represented client, the settlement amount proposed for each, and the nature of each jointly-represented client's claims with all other clients, including CLIENT—and that CLIENT'S identity and confidential settlement information will also be shared with the other clients in a "global settlement offer" situation.

D. Other Provisions

4.1 This Agreement will be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting same. If any provision of this Agreement is held to be illegal, invalid, or unenforceable under present or future laws, then such provision will be modified to conform to such laws, and the balance of this Agreement will remain in full force and effect. Each waiver in this Agreement is subject to the overriding and governing rule that it will be effective only if and to the extent that (1) it is not prohibited by applicable law and (2) applicable law neither provides for nor allows any material sanctions to be imposed against a party for having bargained for and obtained it. This Agreement is the entire agreement and understanding between the parties in connection with the subject matter of this Agreement and supersedes and cancels all prior agreements and understandings in connection with the subject matter of this Agreement. The Parties may **by mutual agreement** amend or supplement this Agreement at any time and from time to time; provided that that they must do so **in writing, and such writing must be signed by CLIENT and CO-LEAD COUNSEL.**

4.2 The term of this Agreement begins upon the date it is executed by the parties and continues until the Representation is concluded. This Agreement shall be of no force or effect until approved in writing by the GRAND COUNTY ATTORNEY.

4.3 CO-LEAD COUNSEL represents and warrants that they carry professional liability insurance in the following amounts:

PHIPPS DEACON PURNELL LLP	$5,000,000
DURHAM JONES & PINEGAR, PC	$10,000,000

4.4 This Agreement shall be governed and interpreted under Utah substantive law and exclusive venue and jurisdiction of any lawsuit or claim arising out of or relating to this Agreement shall lie in Salt Lake County, Utah.

4.5 Resolution of Disputes. Any dispute, claim or controversy, whether in tort, contract, or otherwise, arising out of or relating to the relationship between the CLIENT and CO-LEAD COUNSEL, or the services provided by CO-LEAD COUNSEL pursuant to this agreement or otherwise to the CLIENT will be brought and tried in any federal or state court located in the State of Utah, in Salt Lake County. Each of the parties hereby submits to and accepts for itself and in respect to its property, generally and unconditionally, the exclusive jurisdiction of the aforesaid courts and appellate courts from any appeal thereof. Each party hereby irrevocably waives any objection which it may now or hereafter have to the laying of venue of any of the aforesaid actions or proceedings and hereby further irrevocably waives and agrees not to plead or claim in any such court that any such action or proceeding brought in any such court has been brought in an inconvenient forum. To the fullest extent permitted by law, each party further agrees that personal jurisdiction over it may be effected by service of process by certified mail addressed to such party at the address provided in this agreement, and

when so made be as if served upon it personally within the State of Utah.

4.6 Jury Waiver. EACH PARTY HEREBY AGREES THAT ANY SUCH CLAIM OR CAUSE OF ACTION MUST BE TRIED BY A BENCH TRIAL WITHOUT A JURY.

4.7 Prevailing Party's Fees and Expenses in a Proceeding. The prevailing party in any arbitration, mediation, court action, or other adjudicative proceeding (including a bankruptcy proceeding) arising out of or relating to the relationship between the CLIENT and CO-LEAD COUNSEL or the services provided by CO-LEAD COUNSEL pursuant to this agreement or otherwise to CLIENT will be reimbursed by the party who does not prevail for its reasonable attorneys', accountants', and experts' fees, and for the costs and expenses of such proceeding or any appeal or review proceeding.

Agenda Item:

TITLE:	Approving a Resolution certifying the petition to create an improvement district, creating the Kane Springs Improvement District, and Establishing the Board of Trustees
FISCAL IMPACT:	Under law, the District is a distinct entity for which the County has no financial liability; however, Districts serving particular developments have a history in SE Utah of mismanagement by developer agents requiring County intervention and expertise - regardless, the County has no authority to deny formation of the District

OR

I move to approve the Resolution certifying the petition to create an improvement district, creating the Kane Springs Improvement District, and establishing the Board of Trustees - - and authorize the Clerk to sign all necessary certification documentation and transmit the same to the Lt. Governor's Office.

BACKGROUND:

Kane Creek Preservation and Development, LLC and Kane Springs, LLC, the owners of 100% of the land within the proposed service area, petitioned the County to create a new local improvement district, the Kane Springs Improvement District. In compliance with local and state law, the purpose of the Kane Springs Improvement District is to provide sanitary sewer collection and treatment service to the land within its District. It may provide culinary water service and construction and maintenance of rights of way within its service area as well.

A local improvement district provides a mechanism to the owners of property within the service area (as shown on Exhibit A to the Resolution) to finance improvements required to develop the property via taxes and assessments to lands within the service area. The district is a separate legal entity from the County, and the County has no financial liability for the district.

The owners have followed the procedure and requirements of Title 17B, Chapter 1 (All Local Districts) and Chapter 2a, Part 4 (Local Improvement Districts). Thus, the County has no legal authority to deny creation of the local district.

The owners propose a three-member Board of Trustees comprised of owner agents. However, County policy is to appoint at least one commissioner to each local district board. And, because development-specific districts have a history of mismanagement in SE Utah, County leadership has discussed more active County management of all new districts.

The County may appoint its legislative body as the Board of Trustees at the time of formation, or it may appoint up to 3 members of the Board from the Grand County Commission. For this reason, two resolutions are attached for the Commission's consideration: one that appoints the County Commission as the Board of Trustees and one that appoints a 5-member Board of Trustees composed of three local residents (or their owners/agents if a seasonally occupied development). There are pros and cons to either structure:

County BOD:

1. Pros:
    a. All meetings are public, conducted just prior to County Commission meetings, which keeps the community up to date on plans for the Kane Springs development, the largest of its kind in the history of Grand County on sensitive lands by the Colorado River;
    b. BOD can delegate responsibilities and duties to professionals, such as legal, engineering, etc.
2. Cons:

a. BOD will not be supported by the county attorney or county engineering since the District is a separate entity from the County;
b. Could be time intensive in the initial stages of the District.

5-Member BOD (3 resident members; 2 county commissioners):

1. Pros:
    a. Resident members in majority and can assume the majority of the workload;
    b. County involved but not solely responsible for managing the District.
2. Cons:
    a. Less public involvement;
    b. County Commission does not have a controlling vote in management.

AGENDA SUMMARY

GRAND COUNTY COMMISSION MEETING

SEPTEMBER 6, 2022

Agenda Item:

TITLE:	Approving a Resolution Appointing the Initial Board of Directors of the Kane Springs Improvement District
FISCAL IMPACT:	Under law, the District is a distinct entity for which the County has no financial liability; however, Districts serving particular developments have a history in SE Utah of mismanagement by developer agents requiring County intervention and expertise. Thus, there may be an unknown fiscal impact.
PRESENTER(S):	Christina Sloan, Grand County Attorney

Prepared By:

Christina Sloan,
Grand County Attorney

FOR OFFICE USE ONLY:

Attorney Review:

Complete
August 30, 2022

RECOMMENDATION:

I move to approve the Resolution appointing the initial Board of Trustees for the Kane Springs Improvement District and authorize the Clerk to insert the title of the Resolution forming the new District once numbered.

BACKGROUND:

Kane Creek Preservation and Development, LLC and Kane Springs, LLC, the owners of 100% of the land within the proposed service area, petitioned the County to create a new local improvement district, the Kane Springs Improvement District. In compliance with local and state law, the purpose of the Kane Springs Improvement District is to provide sanitary sewer collection and treatment service to the land within its District. It may provide culinary water service and construction and maintenance of rights of way within its service area as well.

A local improvement district provides a mechanism to the owners of property within the service area (as shown on Exhibit A to the Resolution) to finance improvements required to develop the property via taxes and assessments to lands within the service area. The district is a separate legal entity from the County, and the County has no financial liability for the district.

The owners have followed the procedure and requirements of Title 17B, Chapter 1 (All Local Districts) and Chapter 2a, Part 4 (Local Improvement Districts). Thus, the County had no legal authority to deny creation of the local district and did so on September 6, 2022 via separate Resolution.

The owners propose a three-member Board of Trustees comprised of owner agents. However, County policy is to appoint at least one commissioner to each local district board. And, because development-specific districts have a history of mismanagement in SE Utah, County leadership has discussed more active County management of all new districts.

For these reasons, the County Commission adopted a resolution forming the District and establishing a 5-member Board of Trustees composed of three local residents (or their owners/agents if a seasonally occupied development) and 2 commissioners.

Statute requires we appoint the Board by Resolution. The proposed Resolution sets forth the initial Board as follows:

a. For an initial term of four years, Craig Weston, agent of property owner Kane Creek Preservation and Development, LLC;

b. For an initial term of four years, Trent Arnold, agent of property owner Kane Creek Preservation and Development, LLC;

c. For an initial term of two years, Tom Goittlieb, agent of property owner Kane Creek Preservation and Development, LLC;

d. For an initial term of four years, Kevin Walker, Grand County Commissioner; and

e. For an initial term of two years, Trish Hedin, Grand County Commissioner.

- Proposed Resolution Appointing BOD

GRAND COUNTY, UTAH
RESOLUTION NO. ____ (2022)

APPOINTING THE INITIAL BOARD OF TRUSTEES FOR THE KANE SPRINGS IMPROVEMENT DISTRICT

WHEREAS, on September 6, 2022, the Grand County Commission created the Kane Springs Improvement District and established the composition of the Board of Trustees after petition of the owners of 100% of the land area and value within the proposed boundaries of the Proposed District and as required by Title 17B, Chapter 1 (All Local Districts) and Chapter 2a, Part 4 (Local Improvement Districts);

WHEREAS, Utah Code §§ 17B-2a-404(3)(a)(iii) and (3)(b) provide that the Grand County Commission may appoint up to three members of the County Commission to the board of trustees if more than 35% of the residences within the Kane Springs Improvement District are seasonally occupied homes, as defined in Subsection 17B-1-302(2)(a)(ii); the board of trustees are appointed by the legislative body of the county; and there are at least two appointed board members who meet the requirements of Subsections 17B-1-302(1), (2), and (3), except that a member of the County Commission need not satisfy these requirements;

WHEREAS, Utah Code § 17B-1-304 establishes the procedures by which the County Commission shall appoint, by resolution, persons to serve as members of a local district board and defers broad authority to the County Commission to determine the number of positions and qualifications for appointment;

WHEREAS, the property within the District boundaries is currently undeveloped and there are no local residents within the boundaries of the District, which means the three resident Board member positions may be filled by the owners of land, or their agent, within the District; and

WHEREAS, the Grand County Commission now wishes to appoint the initial Board of Trustees of the Kane Springs Improvement District.

NOW, THEREFORE, **BE IT RESOLVED** by the Grand County Commission, as follows:

1. The initial Board of Trustees of the Kane Springs Improvement District shall be:
    a. For an initial term of four years, Craig Weston, agent of property owner Kane Creek Preservation and Development, LLC;
    b. For an initial term of four years, Trent Arnold, agent of property owner Kane Creek Preservation and Development, LLC;
    c. For an initial term of two years, Tom Goittlieb, agent of property owner Kane Creek Preservation and Development, LLC;

d. For an initial term of four years, Kevin Walker, Grand County Commissioner; and

e. For an initial term of two years, Trish Hedin, Grand County Commissioner.

AGENDA SUMMARY

GRAND COUNTY COMMISSION MEETING

SEPTEMBER 6, 2022

TITLE:	Approval of the cooperative marketing program expansion with Canuckiwi and the Utah Office of Tourism.
FISCAL IMPACT:	$9,000
PRESENTER(S):	Ben Alter, Economic Development Specialist

Prepared By:

Attorney Review:

SUGGESTED MOTION:

I move to approve the opt in form and expand Grand County's cooperative marketing program with Canuckiwi and the Utah Office of Tourism.

BACKGROUND:

This contract builds on the Canuckiwi promotional effort approved by the Grand County Commission during its August 16, 2022 meeting. That previously-approved campaign targets Canadian visitors, whereas this campaign adds the Australian and New Zealand markets. Strategic Development Director Chris Baird has informed the Economic Development Department (EDD) that funds for this additional marketing effort can be taken from the fund balance that will be accessed following a successful budget amendment later this month.

Note that the item, "Utah Regional Partners Keeping Connected Educational Program With Destination Webinars & Charlie Trevana," will see Assistant Marketing Director Melissa Stocks present to prospective travel partners during a webinar at 5:00 PM on September 19, 2022.

Below are the relevant background sections provided during the August 16, 2022 meeting in which the first part of this contract was discussed and approved.
--

The EDD has been informed by the Utah Office of Tourism (UOT) that Canuckiwi is their only vendor contracted to represent Canada, Australia, and New Zealand. Canuckiwi is the only vendor used for travel trade, public relations, and marketing services for the markets provided above. Funding for these marketing services is accomplished through a cooperative agreement with UOT. A sole-source determination has been made; therefore, three informal bids are not required.

Because Canuckiwi is partnering with UOT to distribute its promotional content, advertising for Grand County attractions will fall within the scope of the state's responsible "Forever Mighty" recreation campaign and align with our own responsible recreation and promotion policies (established in Resolution No. 3248). Grand County will provide input on content that markets attractions in its area.

Though the original Canuckiwi contract lists a due date of July 31st, 2022, Grand County has been given an extension.

UTAH OFFICE OF TOURISM (UOT) PARTNER OPT IN FORM
DUE: July 31st, 2022

I _____of _____
(Signatories Name) (Name of UOT Partner)
agree to opt into the following UOT lead marketing programs for the Australia/New Zealand and/or Canadian markets in the coming UOT fiscal year. (Please tick box)

I understand that Canuckiwi Ltd (on behalf of UOT) will invoice our region for the total amount in USD of all selected partner programs as at September 1st, 2022 and be the conduit between my region and the partner involved in the cooperative program. For the majority of the programs that are to be implemented post January 1st, 2023 we are more than happy to invoice for these programs as at January 1st, 2023 if it supports and assists Utah partner budgets.

CANADIAN MARKET PROGRAM OPPORTUNITIES
During the continuation of the return to travel period between Canada & Utah we want to implement Canadian programs driving direct partner ROI through room night production. This is why two Expedia campaigns have been proposed. We also want to ensure partners have an ability to stay connected with the Canadian trade through a dedicated training and educational program opportunity with our Keeping Connected Program. This year in Canada we will partner with Travelweek Canada including guaranteed editorial content. In Australia we have options with destination webinars and KarryOn. We will continue with "Greatest Snow" focused programming in both markets.

GRAND COUNTY
Economic Development
Tourism • Business • Film

Notes provided to Assistant Marketing Director Melissa Stocks from Canuckiwi representative Corey Marshall

- Grand County will be able to fully create and curate your own content with each partner to make sure the messaging you want to reach Canadians achieves your goals. This is always approved by Grand County in advance of any distribution. This includes messaging, image selection, video selection etc.
- Part of leaving no trace is an educational component for the visitor. Melissa has selected educational programming with KarryOn/ Travelweek &Charlie Travena to support getting important educational information out (again curated by Grand County) to the front line Travel Advisor/ Tour Operator.
- We (UOT) will also lead campaigns with our Forever Mighty ethos aligning with Grand County goals.
- According to the Canadian Index of Well Being Canadians top values include: Fairness, inclusion, sustainability, diversity, equity, health, safety, democracy & economic security. Values that align with responsible recreation. This is published by the University of Waterloo.
- Canadian travel times are consistent year round to Utah as such we are able to target campaigns on seasonal visitation to void marketing over peak periods allowing for seasonal dispersal of travellers.

Australian and NZ Market
Priority One - KarryOn Multi-Tiered Trade Media Campaign - I would look at Tier Two or Tier Three for this program and likely suggest August/ September for the month of the campaign. **($3,000)**
Priority Two - Utah Regional Partners Destination Webinar with Charlie Trevana - I would overlap this with KarryOn and do September. **($2,000)**

- Unlike Canada in Australia and New Zealand nearly 65 - 70% of the market book through the retail/ wholesale channel. Both the Karry On program & Destination Webinar program target this important front line retail/ wholesale group to continue to build education and awareness of all the reasons to push their Aussie and Kiwi clients to consider extending their stays in Moab and the region.
- With the cost to travel into the market on a sales mission high these two partners ensure you can keep connected with front line and not only connect but educate them on not only reasons to visit but new product offerings available as well. (Hotels, Glamping Options, Attractions, Sightseeing and Restaraunts.

Priority Three - Expedia Media Solutions - Greatest Snow and Winter Road Trips campaign - again if you had the budget to do a featured partner that would be an awesome otherwise standard partner. **($4,000)**

- We know that 30 - 35% of all bookings come through OTA partners with Expedia having the largest market share. We also know that Australia represents the largest international market in the world for Northern Utah Ski Holidays. This is in large part because the Aussie summer holidays aligns December through February as well as Spring Break in March/ April.
- Our focus with this campaign is to encourage these Australian's booking winter vacations to Northern Utah to road trip South into Moab and Southern Utah with this partnership. Seasonal dispersal of high value travellers who are active and intrepid.
- We also know that the average Australian holiday in the USA is 17.8 nights and want most of these nights in Utah.

KARRYON

Together In Travel.

What's the challenge?

The pandemic was an opportunity to rethink tourism for the future as the measures we put in place will help shape the industry of tomorrow. What can we do now to assist the travel and tourism planners, architects and builders?

- *Australia faces the same challenges as the rest of the world as we open up again.*
- *The one advantage of coming back to market behind other destinations has been monitoring the key issues and addressing them as best as we can to mitigate the impact and speedily prepare for the recovery.*
- *While flexible policies are of high priority, it is important to look at all of the challenges and address them openly and with a willingness to re-think and adapt.*
- ***Literally the rest of the world is now your competition** - how and where do you sit in regard to travel agent and consumer confidence, knowledge and desirability?*

What we do know.

- *The Australian retail travel landscape has remained largely unchanged, thanks to the resilience of our industry, coupled with a $128 million Travel Support Program and smaller State based SME business assistance.*
- *During this time many advisors took part time jobs, some office closed with advisors working from home to keep the lights on. We are now seeing stores opening back up again, and beginning the recruitment drive.*
- *We have seen a large migration of advisors across to the home based agent networks.*
- *All indicators point to Australia's propensity to travel returning swiftly and robustly, now borders are open the main thing is boosting consumer confidence.*
- *Australia already sits at a high percentage of travellers using a travel agent for at least part of their overseas travel (70% according to the Australian Federation of Travel Agents).*
- *At Karryon we believe that numbers will not only return post pandemic, it is likely that it will be even higher. People will likely feel more comfortable utilising the expertise of a travel advisor to navigate through any new rules, policies and procedures, with every airport, airline, destination, tour operator etc. being different.*

"The Australian retail travel landscape is already seeing a strong recovery."

"We believe that more people will utilise the expertise of a travel advisor to navigate the new world of travel."

"We are resilient and adventurous travellers and wanderlust is part of our national identity."

"Travelling the world just got a whole lot more complex and unknown – we need information!"

"My inbox has literally exploded with joy – bucket lists are now to do lists" – Recent Travel agent quote.

"Do advisors know your restrictions/cancellation policies/new products etc?"

"The bounceback is going to be huge. Are you ready?"

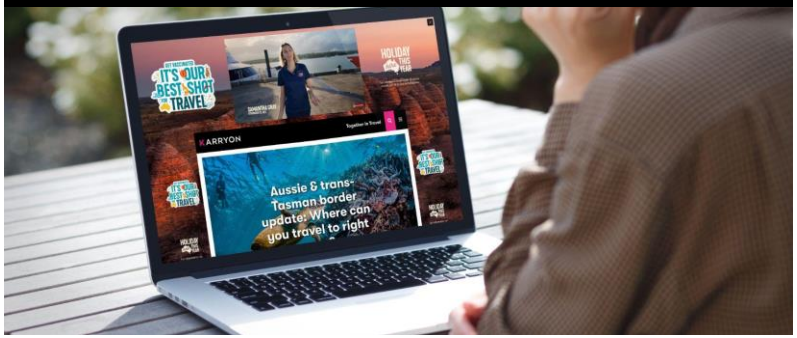
Utah Office of Tourism Marketing Campaign.

How will we deliver cross-channel coverage and optimum results for your return to market?

Insights ›

- *Karryon campaign activity has increased by 70% with International clients in the last quarter.*
- *Traffic and engagement has risen 250% in the last two months with more advisors sharing out content to inform and inspire their clients.*
- *Travel agents are highly sought after in the post pandemic travel booking phase with increased rules and regulations plus the need for consumer confidence.*
- *Limited opportunities to spend during lockdowns means Australians have squirrelled away a stockpile of savings, so we'll likely see large increase of travel-related spending now the borders are open and confidence begins to rise.*
- *Travel agents need retraining and re-energising to sell the new post-pandemic world.*

Ideas and Strategy ›



- *Connecting with our trade audience, Karryon will dynamically showcase your destination to the market, build on the brand story and shine a spotlight on all things that sell your destination, across all our market-leading digital channels.*
- *We'll authentically engage with the trade to educate, influence and inspire and give them the tools to actively promote and sell your destination with a branded destination landing page that showcases the why and the how for sales conversion.*
- *We'll surprise and wow our audience with high impact and dynamic visual, video and editorial content underpinned by education and awareness for both trade and consumer.*
- *All of the content we create will be evergreen and be viewed time and time again to maximise your reach and investment.*

AGENDA SUMMARY **GRAND COUNTY COMMISSION MEETING** **SEPTEMBER 6, 2022**	
TITLE:	Approval of seven MOAB! Tourism Grant 2022 awards.
FISCAL IMPACT:	$30,951.36
PRESENTER(S):	Ben Alter, Economic Development Specialist

Prepared By:

Ben Alter

Specialist, Grand County Economic Development

FOR OFFICE USE ONLY:

Attorney Review:

SUGGESTED MOTION:

I move to approve the following grant awards as part of the Marketing Our Awesome Businesses (MOAB!) Tourism Grant 2022 program:

- $4,120.36 to Desert Power Yoga LLC
- $4981.00 to Clapper Adventures LLC
- $5,000.00 to Desert Wild Corp
- $4,500.00 to Moab Donuts LLC
- $4,500.00 to Simply Moab LLC
- $3,500 to Mind Pleasure LLC
- $4,350.00 to La Duena Mexican Kitchen LLC

BACKGROUND:

Following the Grand County Commission's approval of the Small Tourism Business Marketing Grant pilot program during its April 29, 2022 meeting, the Economic Development Department (EDD) created and implemented the MOAB! Tourism Grant application process. Applications were accepted during the month of July. The evaluation committee was comprised of a Grand County Commissioner, a local non-profit representative, a local private sector representative, and a Utah Office of Tourism representative (our Moab City representative had to drop out at the last moment). This evaluation committee convened on August 24, 2022, reviewed all applications as a body, voted on each application, and provided feedback on each application. All applicants, whether selected for funding or not, received evaluator feedback.

The evaluation committee highlighted key considerations for the EDD to consider when facilitating similar grant programs. Some of those considerations include:

- **Create stronger evaluation criteria** ("stronger" meaning easily measurable or otherwise easily identifiable) and include more quantifiable questions in the application
- **Provide applicant resources** (literature, webinars, consultations, etc.) that discuss in depth the criteria that applications will be scored across – though the EDD did provide these materials, they were focused primarily on application processes and requirements
- **Retool the application process** – evaluators felt the grant process may have been clearer to non-profit operators than businesses and that a balance should be struck if the grant is designed for organizations of both categories
- **Require more information to determine an organization's financial health**

- **Create a process that allows evaluators to fairly rank businesses and non-profits**, established organizations and start-ups alike in financial health categories
- **Create general EDD programming that highlights and teaches others about our community and sustainability goals and what diversity, equity, and inclusion means** beyond "I serve everyone" – the evaluators pointed out that, if the EDD intends to use these criteria in the future, they should be reinforced through year-round, community-wide programming that works to ingrain these messages, rather than ask for them in a grant application that could read as "one-off requests" rather than EDD priorities
- **Continue to work with regional partners and within the community to build organizations' financial health and literacy**
- **Improve the grant's attraction** – evaluators suggested that the grant program received fewer applications than expected due to both the small sums offered (the EDD publicized this program as intending to disburse eleven awards of about $5,000 each) and the parallel publicization of the STAR Business Grant (which advertises sums of up to $100,000)

These proposed projects prioritize local collaborations, will help businesses engage new audiences, and will create new revenue streams for those businesses. Moreover, these proposed projects work to market their services to visitors in the Moab area or otherwise do not work to increase prospective traveler interest.

3. **Applicant Entity Type & Activity**

   Entity Type: For-Profit and/or LLC

   NAICS Code: 713940

   Describe your organization's activities and/or services offered below: Weekly yoga classes, yearly Yoga Teacher Training

Section II - Project Details & Funding Request

MOAB! Tourism Grant 2022 Round
Project Aerial Yoga Application

1. **Funding Request Details**

   Grant funding request: $ 4000

   Proposed match for grant funding request: $ 578

   Estimated total amount to complete your project: $ 4578

2. **Describe your project:**

   Our project includes installing aerial yoga hammocks. The goal of this project is to further increase accessibility to yoga, as yoga hammocks are used as a prop to assist students in getting in to poses they may otherwise not be able to. We regularly donate class passes to local non-profits and believe that donating passes to aerial classes would generate further revenue for these non-profits, as aerial yoga classes tend to cost a bit more to attend.

3. **Describe your project implementation and management plan:**

   The first step of our project implementation included having two of our studio's instructors complete an Aerial Yoga training, which we did in May. This ensures that there are two instructors who may safely teach this class. The next step included creating a list of project supplies and an estimated costs associated with this project. We consulted with our builder, who offered feedback and assisted us in planning the installation of the yoga hammocks. As as established yoga studio, we have been working with the Moab community for two years. We have an email list of all past and current students. We would first advertise our new classes to our current yoga community members. We would utilize other local platforms, such as community boards, the Moab Sun, and the Moab Classifieds Facebook group to expand our marketing.

4. **Other than yourself/your organization, who will do the work for your project? List any key staff members or dedicated individuals, partner organizations,**

and/or groups:
Crystal Bunch (yoga instructor) JoAnn Miller (yoga instructor) Jake Stocking (builder)

5. **List all key resources required to accomplish your project:**
   In order to complete our project, we need at 15 foot ladder, 99 yards of tricot fabric, 4 LVL boards, 9 eyelet screws, 18 steel carabiners with screwing locks, 9 daisy chains, a skilled builder and marketing to inform Moab of our new addition.

6. **Is your project already in progress? If yes, briefly describe:**
   No

7. **Does your project require construction and/or significant infrastructure modifications?** No

8. **Describe how you will sustain your project and/or its intended effects following the complete expenditure of Grand County grant funds:**
   If we received the Grand County grant funds to complete this project, we would first purchase the materials needed to complete the building and installation of the aerial hammocks. We would then consult with our builder and begin the installation (estimated to take about one week). Once the hammocks were safely installed, we would then begin planning a Grand Re-Opening of the studio, since we never had one due to opening during COVID. During this Grand Re-Opening we would demonstrate the benefits of yoga hammocks, and offer Q&A. We would market our new addition by advertising on local platforms. Finally, we would reach out to the non-profits we currently work with to create a plan as to how we can use the addition of aerial yoga to generate revenue for them, or support their clients.

9. **Estimate your project's return on investment or services provided…**
   …after one year: 18,848
   …after five years: 93,240

10. **Explain the reasoning used to estimate your project's returns above:**
    I took the average cost of a drop in class, and multiplied that by the amount of hammocks we will have in the class. I multiplied that number by the number of scheduled classes we would have each week, and then multiplied that number by the number of weeks in a year. I also included and estimate cost for 6 private classes per year.

11. **Should Grand County Economic Development be unable to fulfill your whole grant funding request, would you consider a smaller award?**
    Yes

Section III - Business Health Requirements

1. **List the code provided to you during your required SBDC counseling appointment or the date of your scheduled appointment:** July 29 at 12:20pm

2. **Describe your organization's financial outlook for the next year, EXCLUDING any potential Grand County grant award**:
   Excluding the Grand County grant, we would plan on spending around $5000 to carry out the Aerial Yoga project. We would likely put these expenses on credit cards and pay them off over time, with the revenue generated from the Aerial Yoga

classes.

3. **Describe your organization's financial outlook for the next year, INCLUDING your proposed Grand County grant award**:
   If we were to receive the Grand County grant award, we would be able to carry out our new addition more quickly. We would also be debt free after the project installation. This would leave us generating revenue immediately.

Section IV - Other Evaluation Criteria

---

1. **Explain how your organization engages underserved or minority populations, including but not limited to: women, non-binary individuals, the LGBTQ+ community, minority races and/or ethnicities, individuals with disabilities, and veterans. Note your organization's ownership by, management by, and/or employment of individuals from these groups as relevant. Note if your proposed project will enhance your ability to serve any of these groups:**
   Our yoga studio held a Yoga Teacher Training last winter, and plans to hold on each year. During this training we offered a scholarship to a person of a marginalized group, as a means to increase accessibility. Our studio employs members of the LGBTQ+ community, minority races, non-binary individuals, and women. The yoga hammocks will serve as a prop to assist persons with disabilities and make yoga more accessible.

2. **Explain how your project aligns with community goals OR does not oppose community goals. Note any potential quality of life concerns relevant to your project:**
   Our project aims to increase access to diverse forms of health and wellness in the Moab community.

3. How many employees do you employ on average, per month during the months of March through October?:
   9

4. How many total hours do your employees work on average, per month during the months of March through October?:
   4

5. Explain any potential conflicts of interest related to your grant application. This could include personal, business, or financial connections to local government staff, elected officials, and/or members of this year's grant applicant pool or evaluation committee.
   N/A

6. Select all Grand County grants your organization is considering OR applying to in 2022:
   STAR Business Grant

MOAB! Tourism Grant 2022 Round
Applicant Feedback Form

Local Evaluator Feedback

- Would love to see how they could involve the community more & treat this as a project and not just as the county paying for a line item upgrade.
- I appreciate the mention of serving disabled and less able-bodied people with these hammocks. I also appreciate existing structures to support marginalized communities (in the form of scholarships for teacher trainings). I'm curious if the strategies in place for NPO partnerships will include ongoing services to marginalized community members wherever possible (Spanish language classes, other support for BIPOC people, etc).
- I'd like to know more about community partnerships. How will this grant, though I know it is a relatively small amount, expand the impact of Desert Power Yoga beyond existing customers?
- Though the application is successful at clearly explaining how it will support locals, the grant stipulates having acknowledgment of responsible recreation. The application would be stronger with a mention of how DPY's promotion strategy aligns with EDD's goals.

Utah Office of Tourism Evaluator Feedback

- I didn't get a good sense of how this business interfaces with Moab visitors. It seems to be a business primarily for residents.

   Project CAMS (Clapper Adventures Marketing/Swag) Facelift is intended to achieve increased business revenue through the following:

   - Create a framework for researching/acquiring new-to-us marketing sources for tourist who are in Moab
   - Utilize local businesses to design and update marketing materials and swag products
   - Utilize local businesses for production of products
   - Purchasing of marketing/swag products online (when unavailable locally or cost prohibitive) using designs by locals

3. **Describe your project implementation and management plan:**

   The plan is as follows:

   Phase 1: Prep Work

-Fall 2022 to Fall 2023 by Chad/Evan- Renew local ads per schedule, utilize vehicle magnets and employee hats/uniform patches, re-stock rack cards and magnets, and utilize swag.

Phase 3: Evaluate Effectiveness
- 2022/2023 Chad/Evan will inquire where clients learned of our business, evaluate the techniques used through the project, and adjust strategies going into the 2023/2024 seasons.

4. **Other than yourself/your organization, who will do the work for your project? List any key staff members or dedicated individuals, partner organizations, and/or groups:**
   Internally- Chad and Evan
   Externally- Local Companies- Pipe Dream, Issa Designs, Canyonlands Advertising, The Advertiser
   Externally- 4Imprint

5. **List all key resources required to accomplish your project:**
   -Office Hours- Utilized for grant writing, product research, coordination of purchases, distribution of marketing materials, upkeep of the marketing ads
   -Funds for purchasing of products and advertisement

6. **Is your project already in progress? If yes, briefly describe:**
   Yes, we are currently coordinating with local businesses and and media advertisers for marketing products. Intial quotes for most marketing materials and products have been done to ensure the viability of the project and costs can be met.

7. **Does your project require construction and/or significant infrastructure modifications?** No

8. **Describe how you will sustain your project and/or its intended effects following the complete expenditure of Grand County grant funds:**
   A goal of this project is to increase revenue by utilizing new-to-us advertising opportunities to reach Moab tourists who are already in Moab but have not yet been connected to our business. By acquiring these new clients to our business, business demand should increase. With an increase in profits, more money will become available for further investment in these marketing and swag opportunities. If these initiatives increase our inquiries/bookings significantly, we will need to add additional employees which will result in the ability to provide more bookings, increase profits, and expand our marketing/swag options even more extensively in the future. The hope is to maintain and increase future marketing following this project cycle via our own profits.

9. **Estimate your project's return on investment or services provided…**
   …after one year: The estimated ROI after 1 year is 501% with an amount invested of $6236 and amount returned of $37,500.
   …after five years: The estimated ROI after 5 years is 404% with an amount invested of $37180 (similar investment in marketing each year) and amount returned of

$187,500.

10. **Explain the reasoning used to estimate your project's returns above:**
    The reasoning for our investment for our project's returns was based on an online calculator with reviews from the owner. The calculations are based on an addition of 75 guided days at an average of $500. Calculations were also done to achieve a 2:1 vs 10:1 ROI ratios. The 5:1 appeared to be most realistic with the current market and staffing. There is potential for an increased ROI with even more demand and increased staffing. The 5 year is based on similar metrics with consistent investment.

11. **Should Grand County Economic Development be unable to fulfill your whole grant funding request, would you consider a smaller award?**
    Yes

Section III - Business Health Requirements

1. **List the code provided to you during your required SBDC counseling appointment or the date of your scheduled appointment:** CA72222

2. **Describe your organization's financial outlook for the next year, EXCLUDING any potential Grand County grant award**:
   The projected financials for the next year for sales is $73,000 with the current and expected guide/tourism capacities. This financial projection is based on historical data and current date from our financial services.

3. **Describe your organization's financial outlook for the next year, INCLUDING your proposed Grand County grant award**:
   With the MOAB Tourism grant marketing programs, we are projecting an increase of our sales to $110,500. This is based on our ROI from the returns section above. That sales increase is based on an additional 75 guided days at an average sale of $500. This potential can be met with current staffing and is very feasible within the calendar year. As demand increases this has potential to increase even more with an increase in staffing. WIth more demand, we will increase our staffing and therefore increase our overall capacities and sales. This only includes the MOAB Grant. This does not include the STAR grant.

Section IV - Other Evaluation Criteria

---

1. **Explain how your organization engages underserved or minority populations, including but not limited to: women, non-binary individuals, the LGBTQ+ community, minority races and/or ethnicities, individuals with disabilities, and veterans. Note your organization's ownership by, management by, and/or employment of individuals from these groups as relevant. Note if your proposed project will enhance your ability to serve any of these groups:**
   Clapper Adventures currently employs some underserved/minority populations (women) on a part-time basis. Our services are open to any paying customer, so we have provided our services to these populations who have purchased our trips. Otherwise we do not specifically engage with these groups. Increasing our staff size will increase the opportunity to provide more work to and the ability to hire from these groups. Our STAR Grant project has potential for more service to these populations.

2. **Explain how your project aligns with community goals OR does not oppose community goals. Note any potential quality of life concerns relevant to your project:**
   Our project aligns with community goals by providing an educational service to tourists who are visiting Grand County. We are providing natural and historical education to all tours and educate on how to best interact with these areas to ensure minimal impact and preservation of our resources.

3. **How many employees do you employ on average, per month during the months of March through October?:**
   1.5

4. **How many total hours do your employees work on average, per month during the months of March through October?:**
   52

5. **Explain any potential conflicts of interest related to your grant application. This could include personal, business, or financial connections to local government staff, elected officials, and/or members of this year's grant applicant pool or evaluation committee.**
   There are two identified conflicts of interest identified for this grant.

   The first is the Clapper Adventures owner, Evan Clapper, is a County Commissioner for Grand County. To reduce this conflict of interest, Chad Heying (Clapper Adventures guide/employee) has been the Clapper Adventures representative who has created the ideas, budget, and application materials for this grant application. Evan's involvement in this application has been limited to specific requests from Chad for financial information and review of

the budget to ensure it aligns with Clapper Adventures goals.

The second potential conflict is that Chad is a Grand County Search and Rescue Trainee. As of this application, he is not a full member and therefore not a county employee. Due to this volunteer service, there may be folks on the evaluation committee with personal connections to Chad.

6. **Select all Grand County grants your organization is considering OR applying to in 2022:**
   STAR Business Grant

Applicant Feedback Form

Evaluator Feedback

- Prepare and expect a bit of upset public feedback as this is benefitting a county commissioner's business.
- Very clear project plan and application. I appreciate the amount of effort taken to get accurate projections for growth and ROI. My two critiques are minor: firstly, I think it would serve the business to use language like "collaborate," "partner," or "work with," rather than "utilize" when communicating about hiring and subcontracting local businesses and freelancers. Very minor! But it will build an image of community-centered intentions for the biz.
- The other area where I can see improvement is in the DEI section. Though the services are "open to all customers," I would have liked to see some specific examples of how an expanded staff could better serve disabled people, non-English speakers, and queer individuals who might not have access to (or not feel empowered to access) the outdoors due to discrimination and marginalization. You have the groundwork laid for addressing these, just a few more sentences with specificity would show your consideration and intention.

   Entity Type: For-Profit and/or LLC

   NAICS Code: 4481

   Describe your organization's activities and/or services offered below: We are an outdoor lifestyle clothing retail shop on Main Street expanding in to clothing design and manufacturing, wanting to set up a website / ecommerce site to accompany our brick and mortar storefront.

Section II - Project Details & Funding Request

MOAB! Tourism Grant 2022 Round
Project DW Ecommerce Application

1. **Funding Request Details**

   Grant funding request: $ 5000

   Proposed match for grant funding request: $ 3000

   Estimated total amount to complete your project: $ 8000

2. **Describe your project:**

   We would like to hire a local web designer to set up an ecommerce site for Desert Wild. This year we are starting a clothing line and we would like to create a space where folks can shop at Desert Wild from the comfort of their homes. By having a website, we will have a way to promote our brand online and market our clothing both in and outside of Moab.

3. **Describe your project implementation and management plan:**

   We would like to hire a local web developer to create an ecommerce platform for Desert Wild. It would connect to our POS system, which tracks inventory, and would allow us to ship goods that we sell at Desert Wild, as well as products from the emerging Desert Wild clothing line. Once the website is operational, it will be managed by inhouse staff until online sales become prolific enough to warrant hiring additional staff. For the first year, online sales will be considered superfluous and any profit from the site will allow us to continue to contract a local web developer / designer to help solve issues as they arise. We will be able to market the website at our brick and mortar store and through social media. The store profit from our physical location will be able to help support the annual cost of maintaining a website.

4. **Other than yourself/your organization, who will do the work for your project? List any key staff members or dedicated individuals, partner organizations, and/or groups:**
   Chelsea Cobb, the Desert Wild store manager, is spearheading this project. She is currently talking to two different local web developers, either of whom could play a major role in the project. The grand money would go towards paying a developer to design a website. Chelsea would be working with the developer through every part of the process. Because we are hiring out, we will have others dedicated to the project, but are still determining who that will be.

5. **List all key resources required to accomplish your project:**
   Moab has many wonderful local web designers to choose from. We have an operational brick and mortar where we have a great customer base. These customers want to continue to shop Desert Wild when they get home or tell friends/family to visit online.

6. **Is your project already in progress? If yes, briefly describe:**
   We have only started reaching out to local web developers and marketing folks to create a budget and to determine project feasibility. No other work is in progress.

7. **Does your project require construction and/or significant infrastructure modifications?** No

8. **Describe how you will sustain your project and/or its intended effects following the complete expenditure of Grand County grant funds:**
   Following the complete expenditure of GC grant funds, we will have a fully operational ecommerce platform to sell both items we carry in our brick and mortar store and to sell the new items from the Desert Wild clothing brand. It will

allow anyone to shop at Desert Wild and experience a taste of Moab, no matter where they are located.

We will sustain our project through in-store foot traffic, social media outreach, and by the marketing of the Desert Wild clothing brand.

9. **Estimate your project's return on investment or services provided...**

   ...after one year: At the end of year one, we will have a fully operational website with shipping protocols in place, managed by inhouse staff.

   ...after five years: We anticipate a return on investment by the end of year two. The project will also allow us to open wholesale accounts within the first two years.

10. **Explain the reasoning used to estimate your project's returns above:**

    Based on store sales and financial projections for the clothing line and from both our retail spaces, we can anticipate continued growth and full return on investment within the two year mark for an ecommerce platform. We would be able to market our website to tourists already in town and would create a space where people can continue to shop in Moab from anywhere in the world. We are lucky enough to have a prime location on Main Street for advertising our website through natural foot traffic.

11. **Should Grand County Economic Development be unable to fulfill your whole grant funding request, would you consider a smaller award?**

    Yes

Section III - Business Health Requirements

1. **List the code provided to you during your required SBDC counseling appointment or the date of your scheduled appointment:** DWM7822

2. **Describe your organization's financial outlook for the next year, EXCLUDING any potential Grand County grant award**:
   Because our main goal for next year is the launching of the Desert Wild clothing company, we would likely waylay this project until year two. Desert Wild's projected financials without the grant show continued store growth of 10-17% a year; however, our assets will be tied up in the success of our other endeavors.

3. **Describe your organization's financial outlook for the next year, INCLUDING your proposed Grand County grant award**:
   Online sales and marketing would start winter 2022 and it would allow us to begin a wholesale distribution for Desert Wild clothing starting fall of 2023. The grant money would help speed up our projected business goals by a full year. We would anticipate a full return on investment within two years of creating an ecommerce platform.

Section IV - Other Evaluation Criteria

---

1. **Explain how your organization engages underserved or minority populations, including but not limited to: women, non-binary individuals, the LGBTQ+ community, minority races and/or ethnicities, individuals with disabilities, and veterans. Note your organization's ownership by, management by, and/or employment of individuals from these groups as relevant. Note if your proposed project will enhance your ability to serve any of these groups:**

Desert Wild is 100% Women owned and the store is currently 100% women operated. We have employees who are part of the LGBTQ+ community and we strive to create an environment where all feel safe and supported. DW is committed to carrying brands and being a brand with give-back programs centered in environmental and community engagement. An ecommerce platform will allow us to engage with more people and allow us to give more through our one-for-one program, which will donate to local nonprofits.

2. **Explain how your project aligns with community goals OR does not oppose community goals. Note any potential quality of life concerns relevant to your project:**
   An ecommerce platform will help us to reach more people in town, as well as give visitors the opportunity to continue to shop in Moab once they return home. It will allow us to keep money in the Moab economy without increasing visitation.

3. **How many employees do you employ on average, per month during the months of March through October?:**
   6

4. **How many total hours do your employees work on average, per month during the months of March through October?:**
   30

5. **Explain any potential conflicts of interest related to your grant application. This could include personal, business, or financial connections to local government staff, elected officials, and/or members of this year's grant applicant pool or evaluation committee.**

N/A

6. **Select all Grand County grants your organization is considering OR applying to in 2022:**
   STAR Business Grant

Local Evaluator Feedback

- I appreciate that you're using a company from town to make this happen! I also think this project is a great way to increase income to your biz and Moab without causing a physical impact on the town. I will say that it's difficult to get s sense of the viability/impact of the grant without amounts in the ROI and Financial Overview sections.
- I would like to see more details about ways DW plans to collaborate with local freelancers and subcontractors outside of website building and maintenance.

Utah Office of Tourism Evaluator Feedback

- Seems like a good project, but could have benefited from better estimates of project impact.

We will donate $500 of the grant money to help with the spay and neutering of dogs and cats in Grand County.

9. **Explain the reasoning used to estimate your project's returns above:**
   Sorry but it can not be done. How do I factor COVID into my predictions? Or inflation? The fickle nature of tourism?

Note if your proposed project will enhance your ability to serve any of these groups:**
   I don't discriminate against any person coming into my store whether you can pay for a donut or not. My business is 50% woman owned. My business makes regular donatons to the Moab Regonal Hospital, Seekhaven, The Multi-Cultural Center, Grand County Library, HMK Elementary school, Chamber of Commerce, Underdog, Youth Garden Project, Moab Arts and Recreation Center, our mentally disabled community members.

Local Evaluator Feedback

- Please adjust your numbers to put the majority of the award into this project instead of normal day-to-day operations. Please take your increase from this project to help out the Humane society. We're really glad you are part of this community and look forward to your report back on how it's grown your business.
- In general, these funds need to be spent on marketing efforts, not general ops (making donuts). You're asking for $200 to fund creating and printing promotional cards. $4,300 of your application seems to be geared to general operating expenses rather than for a specific project, or "bolstering marketing" of the business. The funds may also not be diverted to the Humane Society.
- For future applications, consider streamlining project-based applications to focus on a specific project (design, printing, dispersing), rather than on regranting (supporting Humane Society) and general operating (making donuts).

Utah Office of Tourism Evaluator Feedback

- Seems like a good project, but would have benefited from better estimates of project impact.

- As this grant is focused on helping folks already in Moab, ensure you market geographically to folks here. Excited you're expanding your online presence.
- While I appreciate the straightforward nature of this application, and the time it took to put it together, I would like to see more efforts in collaboration with other community agencies and businesses. I'm left wondering how having an online presence will reinforce EDD's responsible recreation efforts for our community.

3. **Applicant Entity Type & Activity**

   Entity Type: LLC

   NAICS Code: 48

   Describe your organization's activities and/or services offered below (**3 lines max**):

   Raven Rides is an electric assist pedal powered transportation service offering guided tours and public transit in and around the city of Moab, UT.

Section II - Project Details & Funding Request

---

1. **Funding Request Details**
   Grant funding request: $3500
   Proposed match for grant funding request: $500
   Estimated total amount to complete your project: $4000

2. Describe your project (**5 lines max**):
   With the grant funding, my business would like to use the funds to outfit a second bike taxi with an electric motor to accommodate tours and rides greater than 4 people. We would also like to use the money for local advertisements in hotels/rentals to attract customers and to establish business partnerships with restaurants and stores in town to promote business. Finally, we would like to use some funds to help pay the initial insurance premium for insuring the bikes

3. Describe your project implementation and management plan (**10 lines max**):
   To implement this project we will purchase a bafang electric motor and install it on our second bike taxi. This will allow us to accommodate larger parties of riders and allow us to hire a second cab operator. In addition to this, we will use the funds to design and print advertising brochures to be distributed at local hotels and nightly rentals in locations at front entrances of hotels and in guest books. Finally, we would like to use the funds to establish partnerships with local businesses to offer people who use our service to/from businesses a discount at those locations. We

currently have established an insurance provider and will use some funds to help pay the premium of the plan.

4. Other than yourself/your organization, who will do the work for your project? List any key staff members or dedicated individuals, partner organizations, and/or groups:
   At this point it is just myself.

5. List all key resources required to accomplish your project:
   - *Advertisement Print Services*
   - *Partnership with local bike shop for maintenance on cabs*
   - *Partnerships with local restaurants, shops and hotels*

6. Is your project already in progress? If yes, **briefly** describe (**3 lines max**):
   Yes I started this business earlier this year with one taxi becoming operational at the end of the spring with test rides for locals. We will begin offering rides to customers in the fall tourism season.

7. Does your project require construction and/or significant infrastructure modifications (if **yes**, please review the construction quotes requirement for this grant)?
   No

8. Describe how you will sustain your project and/or its intended effects following the complete expenditure of Grand County grant funds (**10 lines max**):

The intended effects of this project are to make the public aware of our unique tour guiding and transportation service offered in Moab. It will allow our business to establish a customer base and create business relationships where other local businesses can refer customers to our services while we refer customers to different restaurants/shops. Having a second electric powered cab will allow our business to accommodate parties larger than 4 and provide the city with additional transportation on busy weekends while having two cabs operating. This will provide green public transit to the town of Moab and offer a new experience to visitors that does not yet exist.

9. **Estimate** your project's return on investment or services provided…
…after one year: $7500

…after five years: $30,000

10. Explain the reasoning used to estimate your project's returns above (**5 lines max**):
With a second cab being operable I will have the ability to have a second employee run tours/transportation while I am unable to operate the cabs (I work full time as a nurse) With this in addition to marketing I estimate being able to generate $1000 of income/month during the spring and fall tourism seasons in addition to $1500 during the heat of the summer. (1000/mo Mar-May & Sep-Nov, & 1500 Jun-Aug)

11. Should Grand County Economic Development be unable to fulfill your whole grant funding request, would you consider a smaller award?
Yes

Section III - Business Health Requirements

---

1. All applicants are **required** to attend at least one free counseling appointment with a local Small Business Development Center (SBDC) officer. List the code provided to you during your SBDC counseling appointment **OR** the date of your scheduled appointment: August 2, 2022 @ 400pm

2. **Current Projected Financials 1:** describe your organization's financial outlook for the next year, **EXCLUDING** any potential Grand County grant award (**7 lines max**): Our financial outlook without the grant relies on word of mouth marketing to grow our business. As a one man team with one cab I estimate being able to generate approximately $250/month through on demand transportation and tours during the months of September-October. We will resume in Spring 2023 and I estimate this increasing to approximately $350/month due to improved operations based on learning from our experiences in Fall 2022.

3. **Current Projected Financials 2:** describe your organization's financial outlook for the next year, **INCLUDING** your proposed Grand County grant award (**7 lines max**): With a second cab being operable and having marketing to promote the business I anticipate being able to generate approximately $500/month in Fall 2022. I believe this number will double in Spring 2023 by having learned business operations and developed a solid relationship with a second cab operator and local businesses in Moab. I estimate being able to generate income as follows: $500/month Sep-Nov

2022, $0-100/month Nov-Feb 2023, $750-1000/month Mar-May 2023, $100-300/month Jun-Aug 2023 & $750-1000/month Sep-Nov 2023.

Section IV - Other Evaluation Criteria

---

1. Explain how your organization engages underserved or minority populations, including but not limited to: **women, non-binary individuals, the LGBTQ+ community, minority races and/or ethnicities, individuals with disabilities, and veterans.** Note your organization's ownership by, management by, and/or employment of individuals from these groups as relevant. Note if your proposed project will enhance your ability to serve any of these groups (**5 lines max**):
   Our service will offer unbiased transportation to all identifying groups and individuals visiting Moab. It will give individuals an opportunity to see Moab and some of the surrounding areas by the enjoyment of bicycle who would not normally be able to ride a bicycle on their own.

2. Explain how your project aligns with community goals **OR** does not oppose community goals. Note any potential quality of life concerns relevant to your project (**3 lines max**):
   Electric bike transportation is a cleaner form of transportation than those powered by fossil fuels. This creates tours and transportation without the production of greenhouse gasses and does not contribute to noise pollution.

3. How many employees do you employ **on average, per month** during the months of March through October?
   Currently just 1, myself. But I anticipate this number being 2 beginning in

Spring 2023. I would like to have 4 cabs operable with 4-6 employees operating them in the next 3-5 years.

4. How many total hours do your employees work **on average, per month** during the months of March through October?
   20-60 hours per month. This would be a part time, second job for most.

5. Explain any potential conflicts of interest related to your grant application. This could include personal, business, or financial connections to local government staff, elected officials, and/or members of this year's grant evaluation committee.
   One potential conflict of interest I could see is that of the possibility for a new public bus transit in Moab. However, I feel this would not take away from that since a large portion of our business will rely on booked tours.

6. Select all Grand County grants your organization is **considering OR applying to in 2022**:
   STAR Business Grant: No
   Event Advertising Grant: No

Local Evaluator Feedback

- **Please work locally and add more in your report back about community involvement and sustainability.**
- **I think it is a simple and great application. I appreciate the thought put into the ROI and financial-themed questions. I see a missed opportunity to talk about the possible positive impacts a bike-taxi can have on a community such as ours, including more details about fuel-free transportation, alternative modalities uplifting the unique character of the town, possible partnerships with NPOs in terms of signage on the taxi, etc. So my main critique is just that I want to hear/see more of what this project could grow into, dream big!**

Section II - Project Details & Funding Request

1. **Funding Request Details**

   Grant funding request: $ 4350

   Proposed match for grant funding request: $ 435

   Estimated total amount to complete your project: $ 4785

2. **Describe your project:**

   to market our business and product by using professional websites. Also print advertisements for local magazines, such as Moab Menu, Moab Happenings and etc. Also for slot space with advertisements in hotels and shops.

3. **Describe your project implementation and management plan:**

   I have already contact professional market firms and got information on cost and placement for websites. Work with the Moab copy center to create advertisement brochures and publications as we currently do. Provide pictures and other advertisement material to allow for several drafts as needed to get the best product. I already have a good start on this as we have product menus and advertisement in Moab Menu for 2022. However I feel we can reach more people if we continue as well in 2023. Also set up local radio advertisement as I have already done when we first opened. Antonia (main owner of La Duena) is Mexican and has a great voice to make her own ads on the radio. I feel this will enhance the ads as we are authentic, and with her as the spokeswoman (La Duena means woman owned).

4. **Other than yourself/your organization, who will do the work for your project? List any key staff members or dedicated individuals, partner organizations, and/or groups:**

Antonia Tellez for spokeswomen and prep of all menu items to post on advertisements. Also participate in draft approvals. Tiffany Begay helps with setting the ads and the photographer. Also is very good at proofing the wording on the advertisements. Because we have already been involved with producing advertisements and menus, I feel the 3 of us work together greatly to produce the best ads and menus possible. That's why with this grant we could really expand are coverage and increase sales.

5. **List all key resources required to accomplish your project:**
   Websites to make available are menu, location and reviews. Moab Menu and other local publications for placement local business's. Local radio to reach out the many locals that listen to these stations. Hand out card menu's for customers which will increase customers convenience.

6. **Is your project already in progress? If yes, briefly describe:**
   Yes and no, we have published ads in Moab Menu in the 2022 edition and also card menus. We have a little website. However these items need to continue with this request as well as add to it as mentioned.

7. **Does your project require construction and/or significant infrastructure modifications?** No

8. **Describe how you will sustain your project and/or its intended effects following the complete expenditure of Grand County grant funds:**
   With this improvement to our advertisement and exposure will help with keeping us on the map as our location is on Mill Creek drive and not on the main street. So even when locals and others love our place, they done also remember us as we are off the beaten path. This will increase our sales so we will be able to sustain this

type of advertisement in the future as well as continued business increase to support additional employees.

9. **Estimate your project's return on investment or services provided…**
…after one year: I have confidence this type of promotion will return on investment 10 fold plus in the next year. As I have put a lot of thought into this prior.
…after five years: With the mentioned increase of the first year, I feel in five year we should have a return of investment and service of over 200% at least.

10. **Explain the reasoning used to estimate your project's returns above:**
Base on current sales from just the small amount of advertising we currently do, I believe my plan will reach larger amounts of varies people. As with the amount of advertising we currently do, we ask current customers how they heard about us. So we get feed back as to what we could do better to get the word out, of are location and our services.

11. **Should Grand County Economic Development be unable to fulfill your whole grant funding request, would you consider a smaller award?**
No

Section III - Business Health Requirements

2. **Describe your organization's financial outlook for the next year, EXCLUDING any potential Grand County grant award**:
   This is our first year in business, so far we have reduced our start up cost by over 70%. I feel we could be debit free within 2 years without the assistance of the Grant County grand award. This will allow for the business to hiring additional employees and add days to the schedule.

3. **Describe your organization's financial outlook for the next year, INCLUDING your proposed Grand County grant award**:
   This is our first year in business, so far we have reduced our start up cost by over 70%. I feel we could be debit free within 6 months or less with the assistance of the Grand County grant award. This will allow for the business to hiring additional employees and add days to the schedule.

Note if your proposed project will enhance your ability to serve any of these groups:**

We also have an employee (also % owner as employee) who is native American and a member of the LGBTQ+ community. We provide card menus and curb service to the disabled and elderly. AGENDA SUMMARY GRAND COUNTY COMMISSION MEETING SEPTEMBER 6, 2022	
TITLE:	Approval of the contract with Hudson Printing for the reprint of the Moab Outdoor Adventure Guide.
FISCAL IMPACT:	$29,555
PRESENTER(S):	Ben Alter, Economic Development Specialist

Prepared By:

Robert Riberia

Assistant Marketing Director, Grand County Economic Development

FOR OFFICE USE ONLY:

Attorney Review:

SUGGESTED MOTION:

I move to approve the contract with Hudson Printing for the reprint of the Moab Outdoor Adventure Guide.

BACKGROUND:

The Moab Outdoor Adventure Guide was created in 2019 in cooperation with local land management agencies such as the Bureau of Land Management, Sand Flats Recreation Area, U.S. Forest Service and Utah State Parks and Recreation. It highlights activities available outside of the national parks such as local hiking and biking trails, scenic drives, equestrian trails and e-bike trails. It is peppered with responsible recreation tips along with safety advice from Grand County Search and Rescue.

The guide is primarily used as a tool at the Moab Information Center to direct in-town visitors to local trails and attractions. The current supply is almost exhausted so there is an immediate need to acquire enough additional copies for the upcoming fall and spring seasons. At that point the guide will most likely be redesigned to match any new branding that may be in place at our department.

Robert Riberia and Melissa Stocks have recently started a public outreach program with local businesses to distribute Moab Outdoor Adventure Guides to their guests. Based on current usage, 75,000 copies ($29,555) would be a comfortable number to get our office through the spring season.

If the County Commission does not want to approve the higher amount, 50,000 copies ($21,190) would be adequate to get the Moab Information Center through the spring season.

Hudson Printing's bid came in significantly lower than the other companies that responded to our bid request. Our department has a long history of projects utilizing Hudson Printing and we have been quite satisfied with the speed and quality of their service.

RECOMMENDATION:

I move to approve the special event permit for the 2022 Hummer Club event pursuant to Ordinance No. 643.

BACKGROUND:

This will be the first year that the Hummer Club has applied for a special event permit. This event has been occurring since 1996, but it did not require a special event permit per the previous definition of a special event. This event lasts five days and will be using the standard Easter Jeep Safari trails. As the event is much smaller than most, they will decide which trails are to be run on each morning of the event.

The form on the other side of this page is both a *Temporary Sales Tax License and Special Event Sales Tax Return* **and is only valid for the event/location listed or shown on the *Temporary Sales Tax License*.** This ensures the sales tax collected is allocated back to the proper city or town where the event was held.

- Copy the amounts from Column C, Lines 1 through 5 to the coupon at the bottom.

  - Answer YES you are using a coupon. Use the information from the coupon on the other side to complete the online form.
  - Follow any instructions to complete the required fields and submit your payment.
  - You may not file online if you made NO sales and have NO tax due. You **must** send us the paper coupon.
  - **Using the Paper Coupon**

  - Use the enclosed envelope to mail the coupon and any payment to: P O BOX 31431, Salt Lake City Utah 84134-9988.

Your Regular Sales and Use Tax Account

Taxes you report and pay on this *Special Event Return* must be added to your ***Gross Sales*** line and subtracted on the ***Adjustment*** line of your regular TC-62 series return. Use parentheses **(0.00)** to show subtraction. Under certain rare circumstances, with permission from the Tax Commission's Special Event Representative, you may be able to file and pay Special Event taxes on your regular Sales and Use Tax Return. However this Special Event Return must still be filed using special instructions.

Keep Records

You should keep all records for at least THREE years and be able to produce those records for Tax Commission review. Keep records including: Sales made; Exemption Certificates for sales where you do not collect sales tax; Goods purchased tax free and used by you and other important information related to your business.

Nonprofit Organizations

You are required to collect tax unless you have a Utah State Religious or Charitable Institution Exemption Number.
If you are a Religious or Charitable Institution and have the Utah exemption number write the number in the Taxpayer ID box on the coupon.
Please note the sale of food by an exempt Religious or Charitable Institution (501C 3) **is** taxable if the food is sold to the general public..

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 88-3607680. This EIN will identify your entity, accounts, tax returns, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

Taxpayers request an EIN for business and tax purposes. Some taxpayers receive CP575 notices when another person has stolen their identity and are operating using their information. If you did **not** apply for this EIN, please contact us at the phone number or address listed on the top of this notice.

When filing tax documents, making payments, or replying to any related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear-off stub and return it to us.

When you submitted your application for an EIN, you checked the box indicating you are a non-profit organization. Assigning an EIN does not grant tax-exempt status to non-profit organizations. Publication 557, Tax-Exempt Status for Your organization, has details on the application process, as well as information on returns you may need to file. To apply for recognition of tax-exempt status, organizations must complete an application on one of the following forms: Form 1023, Application for Recognition of Exemption Under Section 501(c)(3) of the Internal Revenue Code; Form 1023-EZ, Streamlined Application for Recognition of Exemption Under Section 501(c)(3) of the Internal Revenue Code; Form 1024, Application for Recognition Under Section 501(a); or Form 1024-A, Application for Recognition of Exemption Under Section 501(c)(4) of the Internal Revenue Code.

Nearly all organizations claiming tax-exempt status must file a Form 990-series annual information return (Form 990, 990-EZ, or 990-PF) or notice (Form 990-N) beginning with the year they legally form, even if they have not yet applied for or received recognition of tax-exempt status.

If you become tax-exempt, you will lose tax-exempt status if you fail to file a required return or notice for three consecutive years, unless a filing exception applies to you (search www.irs.gov for Annual Exempt Organization Return: Who Must File). We start calculating this three-year period from the tax year we assigned the EIN to you. If that first tax year isn't a full twelve months, you're still responsible for submitting a return for that year. If you didn't legally form in the same tax year in which you obtained your EIN, contact us at the phone number or address listed at the top of this letter. For the most current information on your filing requirements and other important information, visit www.irs.gov/charities.

(Continued on page 2)

GENERAL TERMS AND PERMIT STIPULATIONS

A. Compliance with laws, regulations, and other legal requirements. The permittee shall comply with all Federal, State, and local laws; ordinances; regulations; orders; postings; or written requirements applicable to the area or operations covered by the Special Recreation Permit (SRP). The permittee shall ensure that all persons operating under the authorization have obtained all required Federal, State, and local licenses or registrations. The permittee shall make every reasonable effort to ensure compliance with these requirements by all agents of the permittee and by all clients, customers, participants, and spectators under the permittee's supervision.

B. Modification, Suspension, Termination. An SRP authorizes special uses of the public lands and related waters and should circumstances warrant, the permit may be modified by the BLM at any time, including modification of the amount of use. The Authorized Officer may suspend or terminate an SRP if necessary, to protect public resources, health, safety, the environment, or because of non-compliance with permit stipulations. Actions by the BLM to suspend or terminate an SRP are appealable.

C. Permit Value & Operating Rights. No value shall be assigned to or claimed for the permit, or for the occupancy or use of Federal lands or related waters granted thereupon. The permit is not to be considered property on which the permittee shall be entitled to earn or receive any return, income, price, or compensation, and may not be used as collateral for a loan. In the event of default on any mortgage or other indebtedness, such as bankruptcy, creditors shall not succeed to the operating rights or privileges of the permittee' s SRP. This permit, which is revocable and terminable, is not a contract or a lease, but rather a federal license.

D. Non-Exclusive Use. Unless expressly stated, the SRP does not create an exclusive right of use of an area by the permittee. The permittee shall not interfere with other valid uses of the federal land by other users. The United States reserves the right to use any part of the area for any purpose.

E. Subcontracting. Where the BLM authorizes a permittee to subcontract a portion of the permitted activities, the permittee must retain operational control of the permitted activities and must also comply with any applicable special stipulations related to contractors and subcontractors, which may include, but are not limited to, provisions regarding permit compliance, fee payment, reporting requirements, and insurance requirements.

F. Advertising. All printed, electronic, and oral advertising and representations made to the public and the Authorized Officer must be accurate. Although the addresses and telephone numbers of the BLM may be included in advertising materials, the permittee will not seek or obtain trademark rights, use or incorporate the names, trademarks, or logos of the BLM, the Government, or their employees in any advertising, promotional, sales literature, or on any product without the prior written approval of the BLM for the specific use. The permittee shall not state or imply that the Government or any of its organizational units or employees endorses any product, service, or activity as being conducted by the BLM. The BLM does not directly or indirectly endorse any product or service provided, or to be provided, by the permittee whether directly or indirectly related to this Special Recreation Permit. The permittee may not portray or represent the permit fee as a special federal user ' s tax. The permittee must furnish the Authorized Officer with a current brochure, or website, including price list.

G. Responsibility of Permittee. The permittee assumes responsibility for inspecting the permitted area for any existing or new hazardous conditions, e.g., trail and route conditions, landslides, avalanches, rocks, changing water or weather conditions, falling limbs or trees, submerged objects, hazardous flora/fauna, abandoned mines, or other hazards that present risks for which the permittee assumes responsibility.

H. Resource Protection: The permittee cannot, unless specifically authorized, erect, construct, or place any building, structure, or other fixture on public lands. Upon leaving, the lands must be restored as nearly as possible to pre-existing conditions.

I. Display of Permit: The permittee, permittee' s employees, agents, and Authorized Officer approved subcontractors, must present or display a copy of the SRP to an Authorized Officer's representative, or law enforcement personnel upon request. If required, the permittee must display a copy of the permit or other identification tag on equipment used during the period of authorized use.

J. Operating Plan. The operating plan submitted in the application corresponding to this permit is incorporated as the operating plan for this permit. Any changes to your operations as described in this plan must be requested in writing to the BLM. This request must receive prior written approval from the BLM Authorized Officer before the operating plan changes may take effect.

K. Accounting Records: The Authorized Officer, or other duly authorized representative of the BLM, may examine any of the books, documents, papers, or records pertaining to the permit or transactions related to it, in the possession of the permittee or its employees, business affiliates, or agents for up to three years after expiration of the permit. For permits with fees greater than $10,000 annually, when requested by the BLM, the holder at its own expense shall have its annual accounting records audited by an independent public

2. Customer receipt deposit log or similar detailed information, which includes at a minimum: A) Customer identifier; B) Location identifier; C) Dated deposit and amount; D) Gross fee collected; E) Subtotal after each customer transaction; F) Grand total after each deposit; G) Grand total of year-end receipts.

9. W-2 records or other similar records of employment for all employees conducting activities under the permit.

L. Revenue Reporting: The permittee must submit a post-use report and any other required forms to the Authorized Officer according to the due dates shown on the permit. If the post-use report is not received by the established deadline, the permit will be suspended and/or late fees assessed. The post-use report must contain a trip-by-trip log of trip location, beginning and ending dates of each trip, number of clients, number of guides, and gross receipts for the trip. Deductions based on pre- and post- trip transportation and lodging expenses and percentage of time on public land, if being claimed, must be described in advance in the permittee's Operations Plan. Transportation and lodging deductions must be accompanied by copies of supporting receipts documenting proof of payment.

M. Resource Damage and Injury Reporting: The permittee shall notify the Authorized Officer of any incident that occurs while involved in activities authorized by this permit, which result in death, personal injury requiring hospitalization or emergency evacuation, or in property damage greater than $2,500 (lesser amounts if established by State law). Reports should be submitted within 24 hours.

N. Insurance: If required by the Authorized Officer, the permittee shall carry general liability insurance against claims occasioned by the action or omissions of the holder, its agents, employees, volunteers, and contractors in carrying out activities and operations under this permit. The policy shall name the "Bureau of Land Management- DOI" as additional insured. Permittee agrees to have on file with the BLM copies of the above insurance with the proper endorsements.

O. Fee Payment: The permittee must pay the required fees before the BLM will authorize your use. For installment payments when more than $1,000 is owed, the permittee must submit a BLM promissory note, which must be signed by the Authorized Officer. For multi-year permits, final payments may be adjusted based on post-use reports. For multi-year commercial permits, excess payments will be applied toward the following years or seasons estimated fee. For permits other than multi-year commercial permits, the BLM will give the permittee the option whether to receive refunds or credit overpayments to future permits, less processing costs.

P. Equal Opportunity and Nondiscrimination

The permittee, its employees, and affiliates shall not discriminate against any person on the basis of race, color, sex, national origin, age, or disability or by curtailing or refusing to furnish accommodations, facilities, services, or use privileges offered to the public generally. In addition, the holder and its employees shall comply with the provisions of Title VI of the Civil Rights Act of 1964 as amended, Section 504 of the Rehabilitation Act of 1973, as amended, Title IX of the Education Amendments Act of 1972, as amended, and the Age Discrimination Act of 1975, as amended.

Who Must File

- Every person or business who participates at an event must file a return and pay any taxes collected.
- **You must file a return even if no sales are made or no taxes collected, even if you have a "display only" booth.**

When to File

- You must file the *Utah Special Event Sales Tax Return & Payment Coupon* within 10 days after the event ends.

Background

Based on Utah law, you must have a Sales Tax License for every business location including temporary locations. **Your booth or space at a Special Event is considered a temporary location.** You must get a *Temporary Sales Tax License* and file a *Special Event Sales Tax Return* when you participate in a Special Event. The form on the other side of this page is both a *Temporary Sales Tax License and Special Event Sales Tax Return* **and is only valid for the event/location listed or shown on the *Temporary Sales Tax License*.** This ensures the sales tax collected is allocated back to the proper city or town where the event was held.

Complete the Tax Return

- Complete Lines 1 through 4 in Columns A & C then enter the total tax due on Line 5 Column C.
- Copy the amounts from Column C, Lines 1 through 5 to the coupon at the bottom.

GENERAL TERMS AND PERMIT STIPULATIONS

A. **Compliance with laws, regulations, and other legal requirements.** The permittee shall comply with all Federal, State, and local laws; ordinances; regulations; orders; postings; or written requirements applicable to the area or operations covered by the Special Recreation Permit (SRP). The permittee shall ensure that all persons operating under the authorization have obtained all required Federal, State, and local licenses or registrations. The permittee shall make every reasonable effort to ensure compliance with these requirements by all agents of the permittee and by all clients, customers, participants, and spectators under the permittee's supervision.

B. **Modification, Suspension, Termination.** An SRP authorizes special uses of the public lands and related waters and, should circumstances warrant, the permit may be modified by the BLM at any time, including modification of the amount of use. The Authorized Officer may suspend or terminate an SRP if necessary to protect public resources, health, safety, the environment, or because of non-compliance with permit stipulations. Actions by the BLM to suspend or terminate an SRP are appealable.

C. **Permit Value & Operating Rights.** No value shall be assigned to or claimed for the permit, or for the occupancy or use of Federal lands or related waters granted thereupon. The permit is not to be considered property on which the permittee shall be entitled to earn or receive any return, income, price, or compensation, and may not be used as collateral for a loan. In the event of default on any mortgage or other indebtedness, such as bankruptcy, creditors shall not succeed to the operating rights or privileges of the permittee's SRP. This permit, which is revocable and terminable, is not a contract or a lease, but rather a federal license.

D. **Non-Exclusive Use.** Unless expressly stated, the SRP does not create an exclusive right of use of an area by the permittee. The permittee shall not interfere with other valid uses of the federal land by other users. The United States reserves the right to use any part of the area for any purpose.

E. **Subcontracting.** Where the BLM authorizes a permittee to subcontract a portion of the permitted activities, the permittee must retain operational control of the permitted activities and must also comply with any applicable special stipulations related to contractors and subcontractors, which may include, but are not limited to, provisions regarding permit compliance, fee payment, reporting requirements, and insurance requirements.

F. **Advertising.** All printed, electronic, and oral advertising and representations made to the public and the Authorized Officer must be accurate. Although the addresses and telephone numbers of the BLM may be included in advertising materials, the permittee will not seek or obtain trademark rights, use or incorporate the names, trademarks, or logos of the BLM, the Government, or their employees in any advertising, promotional, sales literature, or on any product without the prior written approval of the BLM for the specific use. The permittee shall not state or imply that the Government or any of its organizational units or employees endorses any product, service, or activity as being conducted by the BLM. The BLM does not directly or indirectly endorse any product or service provided, or to be provided, by the permittee whether directly or indirectly related to this Special Recreation Permit. The permittee may not portray or represent the permit fee as a special federal user's tax. The permittee must furnish the Authorized Officer with a current brochure, or website, including price list.

G. **Responsibility of Permittee.** The permittee assumes responsibility for inspecting the permitted area for any existing or new hazardous conditions, e.g., trail and route conditions, landslides, avalanches, rocks, changing water or weather conditions, falling limbs or trees, submerged objects, hazardous flora/fauna, abandoned mines, or other hazards that present risks for which the permittee assumes responsibility.

H. **Resource Protection:** The permittee cannot, unless specifically authorized, erect, construct, or place any building, structure, or other fixture on public lands. Upon leaving, the lands must be restored as nearly as possible to pre-existing conditions.

I. **Display of Permit:** The permittee, permittee's employees, agents, and Authorized Officer approved subcontractors, must present or display a copy of the SRP to an Authorized Officer's representative, or law enforcement personnel upon request. If required, the permittee must display a copy of the permit or other identification tag on equipment used during the period of authorized use.

J. **Operating Plan.** The operating plan submitted in the application corresponding to this permit is incorporated as the operating plan for this permit. Any changes to your operations as described in this plan must be requested in writing to the BLM. This request must receive prior written approval from the BLM Authorized Officer, before the operating plan changes may take effect.

K. **Accounting Records:** The Authorized Officer, or other duly authorized representative of the BLM, may examine any of the books, documents, papers, or records pertaining to the permit or transactions related to it, in the possession of the permittee or its employees, business affiliates, or agents for up to three years after expiration of the permit. For permits with fees greater than $10,000 annually, when requested by the BLM, the holder at its own expense shall have its annual accounting records audited by an independent public

(Continued on Page 3)

accountant acceptable to the BLM. The permit holder must maintain internal accounting records pertaining to this authorized use, and these records must be readily discernable from accounting transactions with other permits, business endeavors or personal use. Accounting records must include the following:

1. A recordkeeping procedural outline or process plan.
2. Customer receipt deposit log or similar detailed information, which includes at a minimum: A) Customer identifier; B) Location identifier; C) Dated deposit and amount; D) Gross fee collected; E) Subtotal after each customer transaction; F) Grand total after each deposit; G) Grand total of year-end receipts.
3. Corresponding monthly bank statement ledgers to the customer receipt deposit log or other compensation attributed to activities conducted under this permit.
4. Price advertisements.
5. Original customer reservation listings or event registration sheets.
6. A record of all financial relationships with booking agents, advertisers, subcontractors, and business affiliates connected to permitted use.
7. A record of all receipts or compensation including payments, gratuities, donations, gifts, bartering, etc., received from any source not captured in the customer receipt deposit log for activities conducted under the permit.
8. A record of all payments made by the permit holder and claimed as a deduction in the permit holder fee submission. Records consist of receipts, debit transaction logs, bank statements, or similar records.
9. W-2 records or other similar records of employment for all employees conducting activities under the permit.

L. Revenue Reporting: The permittee must submit a post-use report and any other required forms to the Authorized Officer according to the due dates shown on the permit. If the post-use report is not received by the established deadline, the permit will be suspended and/or late fees assessed. The post-use report must contain a trip-by-trip log of trip location, beginning and ending dates of each trip, number of clients, number of guides, and gross receipts for the trip. Deductions based on pre- and post- trip transportation and lodging expenses and percentage of time on public land, if being claimed, must be described in advance in the permittee's Operations Plan. Transportation and lodging deductions must be accompanied by copies of supporting receipts documenting proof of payment.

M. Resource Damage and Injury Reporting: The permittee shall notify the Authorized Officer of any incident that occurs while involved in activities authorized by this permit, which result in death, personal injury requiring hospitalization or emergency evacuation, or in property damage greater than $2,500 (lesser amounts if established by State law). Reports should be submitted within 24 hours.

N. Insurance: If required by the Authorized Officer, the permittee shall carry general liability insurance against claims occasioned by the action or omissions of the holder, its agents, employees, volunteers, and contractors in carrying out activities and operations under this permit. The policy shall name the "Bureau of Land Management – DOI" as additional insured. Permittee agrees to have on file with the BLM copies of the above insurance with the proper endorsements.

O. Fee Payment: The permittee must pay the required fees before the BLM will authorize your use. For installment payments when more than $1,000 is owed, the permittee must submit a BLM promissory note, which must be signed by the Authorized Officer. For multi-year permits, final payments may be adjusted based on post-use reports. For multi-year commercial permits, excess payments will be applied toward the following years or seasons estimated fee. For permits other than multi-year commercial permits, the BLM will give the permittee the option whether to receive refunds or credit overpayments to future permits, less processing costs.

P. Equal Opportunity and Nondiscrimination

The permittee, its employees, and affiliates shall not discriminate against any person on the basis of race, color, sex, national origin, age, or disability or by curtailing or refusing to furnish accommodations, facilities, services, or use privileges offered to the public generally. In addition, the holder and its employees shall comply with the provisions of Title VI of the Civil Rights Act of 1964 as amended, Section 504 of the Rehabilitation Act of 1973, as amended, Title IX of the Education Amendments Act of 1972, as amended, and the Age Discrimination Act of 1975, as amended.

10. **Termination**. Permittee may terminate this Permit on 30 days' written notice to SITLA. Permittee is not entitled to a refund of any portion of the Rent and shall comply with all obligations under this Permit within the 30-day notice period.

11. **Covenant Against Liens**. Permittee may not suffer or permit to be enforced against any or all of the Permitted Property, any mechanic's, material men's, contractor's or subcontractor's liens arising from and any claim for damage growing out of, the work of, any construction, repair, restoration, replacement, or improvement done by or on behalf of Permittee. Permittee shall pay or cause to be paid all such liens, claims, or demands before any action is brought to enforce the same against the Permitted Property. If Permittee in good faith contests the validity of any lien, claim, or demand, then Permittee shall, at its expense, defend itself and SITLA against the same and shall pay and satisfy any adverse judgment that may be rendered. Permittee shall, at the request of SITLA, provide such security and take such steps as may be required by law to release the Property from the effect of such lien.

12. **Insurance**. Permittee, at its sole cost and expense, shall at all times during the Term maintain an insurance policy or policies insuring against all liability resulting from property damage and injury or death occurring to persons in or about the Permitted Property, with the insurance limits set forth in the Key Terms. Permittee shall maintain a current, authenticated certificate of insurance on file with SITLA. Notwithstanding the foregoing, Permittee may satisfy its insurance obligations with blanket, layered, umbrella, conventional and/or manuscript forms of the required policy or policies. The insurance policies must: (i) be in the name of the Permittee; (ii) name SITLA as an additional insured (as evidence by an endorsement); (iii) cover Permittee's assumed obligation to indemnify SITLA; and (iv) waive all rights of subrogation against SITLA. All insurance policies must be issued by a company or companies rated "A" or better by the most current edition of Best's Insurance Guide, be authorized to do business in the State of Utah, and be approved by SITLA.

13. **Inspection; Disclaimer of Warranties; Waiver of Liability**. Permittee acknowledges that it has been afforded an opportunity to inspect the Permitted Property and, based upon such inspection, hereby accepts the Permitted Property in its existing, AS-IS condition, subject to all existing hazards to person or property, whether natural or manmade, known or unknown. SITLA disclaims all representations and Warranties that the Permitted Property is safe or fit for use for the Permitted Activities. Based on such acknowledgment and acceptance and in consideration for the grant of this Permit, Permittee does hereby release and forever discharge SITLA, its directors, officers, board of trustees, employees and beneficiaries from any and all liability, claims, damages, causes of action, or expenses for any bodily injury, death, or property damage that is suffered by Permittee or any person claiming by, through, or under Permittee and that occurs in connection with the use of the Permitted Property.

14. **Assumption of Liability; Indemnification**. Permittee assumes all liability for and shall indemnify, defend, and hold harmless SITLA, its directors, officers, board of trustees, employees, and beneficiaries from and against any and all claims, losses and liability, including without limitation attorney's fees and fire suppression activities, of any nature imposed upon, incurred by, or asserted against such parties that relates to or arises out of the activity of Permittee, its employees, agents, sublessees, assignees, or invitees, or any other person participating in the Authorized Activities pursuant to this Permit, including noncompliance with any of its terms.

15. **Bonding Provisions**. Prior to the issuance of this Permit or at any time during the Term, on 15 days' written notice, SITLA may require the applicant or Permittee to post a bond with SITLA in the form and amount approved or determined by SITLA to assure compliance with all terms and conditions of the Permit.

16. **Miscellaneous**.

a. Notice. The parties shall send all notices given pursuant to this Permit to the other party in writing and by United States mail, postage prepaid, certified or registered, and sent to the address set forth in the introductory paragraph or to any other address as either party designates by written notice to the other.

b. Assignments. Permittee may not assign this Permit without prior written approval of SITLA. Any attempted assignment without SITLA's prior written approval is void and unenforceable.

c. Survival. All obligations of Permittee survive termination and continue until satisfied in full.

d. Compliance with Existing Laws. Permittee, in exercising the privileges granted by this Permit, shall comply with the provisions of all valid federal, state, county, and municipal laws, ordinances, and regulations that are applicable to the Permittee, Permitted Property, the Authorized Activities, and all operations covered by this Permit. SITLA reserves the right to inspect the Permitted Property at any time to verify compliance with the terms of this Permit as well as all applicable laws, rules, and regulations.

e. Continued Regulation by SITLA. The rights granted to Permittee under this Permit are subject to the continued regulation by SITLA. Permittee shall comply with Title 53C of the Utah Code and the Utah Administrative Code R850 rules as they exist at the Commencement Date and as they are amended.

f. Amendments or Modifications. If Permittee desires to change any of the terms of the Permit, Permittee shall apply for an amendment following the same procedure as is used to apply for a new right-of-entry. A modification of this Permit is only binding if evidenced in writing and signed by each party.

g. Permittee Liable for Actions of Representatives. Whenever this Permit imposes obligations or liabilities on Permittee, those obligations and liabilities apply to actions or inactions of Permittee's officers, directors, owners, agents, employees, sublessees, assignees, contractors, subcontractors, invitees, and concessionaires. Permittee hereby assumes all liability arising from the actions or inactions of Permittee's officers, directors, owners, agents, employees, sublessees, assignees, contractors, subcontractors, invitees, and concessionaires on the Permitted Property or pursuant to this Permit.

Exhibit B
Special Conditions

Only those provisions identified in Section 1.h of the Permit apply.

1. **Events with Participants**.

   a. Waiver Signed by Participants. Permittee shall require all participants in the Authorized Activities, including, without limitation, event participants, spectators, and personnel, to execute fully-signed waivers, a form of which is attached as Appendix A to this Exhibit B, prior to participating in the Authorized Activities. Permittee may use a different form of waiver, but such waivers must be approved by SITLA and require the participants to release "The State of Utah, School and Institutional Trust Lands Administration, and its directors, officers, board of trustees, employees and beneficiaries" from any and all liability, claims, damages, causes of action, or expenses for any bodily injury death, or property damage suffered by the participant. Permittee shall keep the waivers on file and produce them to SITLA upon request.

   b. Post Permit. The Permittee shall post a copy of this Permit in prominent view where all participants and public may view it (e.g., at the start of an event, staging area, in a commercial outfitters office or on their website, etc.).

2. **Reconciliation Payment; Calculation**.

   a. Reconciliation Payment Required. Within 30 days of the Termination Date, Permittee shall pay SITLA a "Reconciliation Payment" equal to the greater of: (1) 3% of the gross receipts collected by Permittee for the Authorized Activities multiplied by the percentage of land used in the Authorized Activities that is trust land; and (2) $5.00 per participant per day in which Permittee used the Permitted Property for the Authorized Activities. Permittee may credit the Rent toward the Reconciliation Payment.

   b. Records; Payment of Reconciliation Payment. Permittee shall maintain all records relevant to calculation of the Reconciliation Payment, including: (i) receipts and invoices of amounts paid by participants, (ii) documentation showing those portions of the Permitted Property used for the Authorized Activities; (iii) a breakdown of the percentage of land used for the Authorized Activities that constitutes trust land. Permittee shall produce such records to SITLA within 15 days of the Termination Date. SITLA may inspect the books and records of Permittee for the purpose of verifying the accuracy of the Reconciliation Payment.

3. **Cultural, Archeological, Paleontological, and Antiquities Resources**. The parties hereby delete Section 7 in its entirety and replace it with the following:

   a. Survey Required. Prior to commencing any surface disturbing activity, Permittee shall, at its own cost and expense, complete a Cultural Resources Survey prepared by an approved archaeologist in accordance with applicable laws and regulations, and obtain SITLA's prior consent.

   b. SITLA's Consent to Activities. Permittee shall provide all Cultural Resource compliance materials to SITLA prior to commencing the surface-disturbing activity. SITLA will

review all such materials and may withhold or condition its consent to surface-disturbing activities if such activities would result in impacts to Cultural Resources.

c. Discovery of Site. On discovery of a Site, Historic Property, Remains, Antiquities, or Critical Paleontological Resource, Permittee shall immediately cease all activities until such time as the discovery has been evaluated and treated to SITLA's satisfaction.

d. Property of State. All Specimens are and will remain the property of the State of Utah.

4. **Large Camping/Therapy Groups**

a. Human or Animal Waste. Permittee may not leave human or animal fecal matter on the Permitted Property or any other trust lands. Permittee shall use WAG BAGs or port-a-potty systems to ensure fecal matter is appropriately contained and removed from trust lands.

b. Water Protection. Permittee may not camp within one-half mile from any water source. Permittee may not permit bathing, washing, or cleaning of any kind within 300 yards from any water source.

c. Fires. Permittee may only have fires on the Permitted Property if permitted by local, state or federal authorities and only if the fires are built and kept in a fire pan at least six inches off the ground. Permittee may leave ash and coals, completely cooled down, on the Permitted Property if the ash and coals are crushed, sifted, scattered so that there is no visual evidence of the fire. Permittee may only use dead wood lying on the ground as fuel or fires.

d. Campsite Rotation; Location Monitoring. Permittee shall rotate campsites on the Permitted Property to protect each campsite from overuse. Permittee shall supply SITLA with a copy of its itinerary and expected GPS coordinates of each campsite located on the Permitted Property before conducting the Authorized Activities. Permittee shall provide SITLA the actual GPS coordinates of the location of each campsite located on the Permitted Property to ensure proper land use and campsite rotation.

5. **Insurance**. The parties hereby delete Section 12 in its entirety and replace it with the following:

a. Liability Insurance. Permittee, at its sole cost and expense, shall at all times during the Term maintain in force an insurance policy or policies that name SITLA and Permittee as insureds against all liability resulting from property damage, injury or death occurring to persons in or about the Permitted Property, with limits for each occurrence of not less than $2,500,000, combined single limit, with respect to personal injury, death, and property damage. Permittee shall provide SITLA, without necessity of demand, a certificate of insurance.

b. Other Insurance. Permittee, at its sole cost and expense, shall at all times during the Term maintain and keep in force:

i. workmen's compensation insurance on its employees, if any, required under the applicable workmen's compensation laws of the State of Utah; and

ii. such other and additional insurance policies as a prudent permittee in the position of Permittee would maintain consistent with industry standards for Permittee's business, or as required by law.

c. Policy Requirements. All insurance policies held by Permittee must:

i. be issued by a company rated "A" or better by the then most current edition of Best's Insurance Guide (or if such guide is no longer published, then having a comparable rating as specified by SITLA), responsible and authorized to do business in the State of Utah, and approved by SITLA;

ii. waive the insurance company's rights of subrogation against the State of Utah;

iii. name the State of Utah as an additional insured;

iv. provide for specific coverage of Permittee's assumed obligation to indemnify the State of Utah; and

v. ensure the name of the insured on the insurance policy is the same as the name of Permittee.

d. Notice of Change. Permittee shall notify SITLA at least 30 days prior to the termination or modification of any insurance policies.

6. **Leave No Trace**. Permittee shall keep the Permitted Property in pristine condition and ensure that all activities conform to the *Leave No Trace Seven Principles*:

- Plan ahead and Prepare
- Travel and camp on durable surfaces
- Dispose of waste properly
- Leave what you find
- Minimize campfire impacts
- Respect wildlife
- Be considerate of other visitors

(The above information is required only when this endorsement is issued subsequent to preparation of the policy.)

This insurance does not apply to:

Bodily injury or **property damage** arising, directly or indirectly, out of an **other act of terrorism** that is committed outside the United States (including its territories and possessions and Puerto Rico) but within the policy **coverage territory.** However, this exclusion applies only when one or more of the following are attributed to such act:

In determining whether the $25,000,000 threshold is exceeded, **we** will include all insured **property damage** sustained by all persons and entities affected by the terrorism. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or

With respect to this exclusion, Paragraphs 1. and 2. describe the thresholds used to measure the magnitude of an incident of an **other act of terrorism** and the circumstances in which the threshold will apply for the purpose of determining whether this exclusion will apply to that incident.

In the event of an **other act of terrorism** that is not subject to this exclusion, coverage does not apply to any loss or damage that is otherwise excluded under this Policy.

NOTHING HEREIN CONTAINED SHALL BE HELD TO VARY, ALTER OR EXTEND ANY OF THE TERMS, CONDITIONS OR AGREEMENTS OF THE POLICY OTHER THAN AS STATED ABOVE.

If the first "Named Insured" shown in Item 1 of the Declarations cancels, the refund may be less than pro rata. The cancellation will be effective even if **we** have not made or offered a refund.

f. If notice is mailed, proof of mailing will be sufficient proof of notice.

3. Changes

This Policy contains all the agreements between **you** and **us** concerning the insurance afforded. The first "Named Insured" shown in Item 1 of the Declarations is authorized to make changes in the terms of this Policy with **our** consent. This Policy's terms can be amended or waived only by endorsement issued by **us** and made a part of this Policy.

4. Duties in The Event Of **Occurrence,** Claim Or **Suit**

a. **You** must see to it that **we** are notified as soon as practicable of an **occurrence** which may result in a claim. To the extent possible notice should include:

(1) How, when and where the **occurrence** took place;

(2) The names and addresses of any injured persons and witnesses; and

(3) The nature and location of any injury or damage arising out of the **occurrence**.

b. If a claim is made or **suit** is brought against any **insured**, **you** must:

(1) Immediately record the specifics of the claim or **suit** and the date received; and

(2) Notify **us** as soon as practicable.

You must see to it that **we** receive written notice of the claim or **suit** as soon as practicable.

c. **You** and any other involved **insured** must:

(1) Immediately send **us** copies of any demands, notices, summonses or legal papers received in connection with the claim or **suit**;

(2) Authorize **us** to obtain records and other information;

(3) Cooperate with **us** in the investigation or settlement of the claim or defense against the **suit**; and

(4) Assist **us**, upon **our** request, in the enforcement of any right against any person or organization which may be liable to the **insured** because of injury or damage to which this insurance may also apply.

d. No **insured** will, except at that **insured's** own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without **our** consent.

5. Legal Action Against **Us**

No person or organization has a right under this Policy:

a. To join **us** as a party or otherwise bring **us** into a **suit** asking for damages from an **insured**; or

b. To sue **us** under this Policy unless all of its terms have been fully complied with.

A person or organization may sue **us** to recover on an agreed settlement or on a final judgment against an **insured** obtained after an actual trial; but **we** will not be liable for damages that are not payable under the terms of this Policy or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by **us**, the **insured** and the claimant or the claimant's legal representative.

6. Other Insurance

If other valid and collectible insurance is available to the **insured** for a loss **we** cover under Coverages A or B or C, **our** obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when b. below applies. If this insurance is primary, **our** obligations are not affected unless any of the other insurance is also primary. Then, **we** will share with all that other insurance by the method described in c. below.

b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for **your work**;

(2) If the loss arises out of the maintenance or use of **aircraft**, **autos** or watercraft to the extent not subject to Exclusion 1. of SECTION IV - EXCLUSIONS.

When this insurance is excess, **we** will have no duty under Coverage A or B or C to defend any claim or **suit** that any other insurer has a duty to defend. If no other insurer defends, **we** will undertake to do so, but **we** will be entitled to the **insured's** rights against all those other insurers.

When this insurance is excess over other insurance, **we** will pay only **our** share of the amount of the loss, if any, that exceeds the sum of:

(a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(b) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Policy.

c. Method of Sharing

If all of the other insurance permits contribution by equal shares, **we** will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, **we** will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

7. Premium Audit

a. **We** will compute all premiums for this Policy in accordance with **our** rules and rates.

b. Premium shown in this Policy as advance premium is a deposit premium only. At the close of each audit period **we** may compute the earned premium for that period. Audit premiums are due and payable on notice to the first "Named Insured" shown in Item 1 of the Declarations. If the sum of the advance and audit premiums paid for the Policy term is greater than the earned premium, **we** will return the excess to the first "Named Insured" shown in Item 1 of the Declarations.

c. The first "Named Insured" shown in Item 1 of the Declarations must keep records of the information **we** need for premium computation and send **us** copies at such times as **we** may request.

8. Representations

a. The statements in the Declarations are accurate and complete;

b. Those statements are based upon representations **you** made to **us**; and

9. Separation of **Insureds**

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Policy to the first "Named Insured" shown in Item 1 of the Declarations, this insurance applies:

a. As if each "Named Insured" were the only "Named Insured"; and

b. Separately to each **insured** against whom claim is made or **suit** is brought.

10. Transfer of Rights of Recovery Against Others To **Us**

If the **insured** has rights to recover all or part of any payment **we** have made under this Policy, those rights are transferred to **us**. The **insured** must do nothing to impair them. At **our** request, the **insured** will bring **suit** or transfer those rights to **us** and help **us** enforce them.

11. Inspections and Surveys

We have the right but are not obligated to:

a. Make inspections and surveys at any time;

b. Give **you** reports on the conditions **we** find; and

c. Recommend changes.

Any inspections, surveys, reports or recommendations relate only to insurability and the premiums to be charged. **We** do not make safety inspections. **We** do not undertake to perform the duty of any person or organization to provide for the health or safety of workers or the public and **we** do not warrant that conditions;

a. Are safe or healthful; or

b. Comply with laws, regulations, codes or standards.

This condition applies not only to **us**, but also to any rating, advisory, rate service or similar organization which makes insurance inspections, surveys, reports or recommendations.

GENERAL TERMS AND PERMIT STIPULATIONS

A. Compliance with laws, regulations, and other legal requirements. The permittee shall comply with all Federal, State, and local laws; ordinances; regulations; orders; postings; or written requirements applicable to the area or operations covered by the Special Recreation Permit (SRP). The permittee shall ensure that all persons operating under the authorization have obtained all required Federal, State, and local licenses or registrations. The permittee shall make every reasonable effort to ensure compliance with these requirements by all agents of the permittee and by all clients, customers, participants, and spectators under the permittee's supervision.

B. Modification, Suspension, Termination. An SRP authorizes special uses of the public lands and related waters and should circumstances warrant, the permit may be modified by the BLM at any time, including modification of the amount of use. The Authorized Officer may suspend or terminate an SRP if necessary, to protect public resources, health, safety, the environment, or because of non-compliance with permit stipulations. Actions by the BLM to suspend or terminate an SRP are appealable.

C. Permit Value & Operating Rights. No value shall be assigned to or claimed for the permit, or for the occupancy or use of Federal lands or related waters granted thereupon. The permit is not to be considered property on which the permittee shall be entitled to earn or receive any return, income, price, or compensation, and may not be used as collateral for a loan. In the event of default on any mortgage or other indebtedness, such as bankruptcy, creditors shall not succeed to the operating rights or privileges of the permittee' s SRP. This permit, which is revocable and terminable, is not a contract or a lease, but rather a federal license.

D. Non-Exclusive Use. Unless expressly stated, the SRP does not create an exclusive right of use of an area by the permittee. The permittee shall not interfere with other valid uses of the federal land by other users. The United States reserves the right to use any part of the area for any purpose.

E. Subcontracting. Where the BLM authorizes a permittee to subcontract a portion of the permitted activities, the permittee must retain operational control of the permitted activities and must also comply with any applicable special stipulations related to contractors and subcontractors, which may include, but are not limited to, provisions regarding permit compliance, fee payment, reporting requirements, and insurance requirements.

F. Advertising. All printed, electronic, and oral advertising and representations made to the public and the Authorized Officer must be accurate. Although the addresses and telephone numbers of the BLM may be included in advertising materials, the permittee will not seek or obtain trademark rights, use or incorporate the names, trademarks, or logos of the BLM, the Government, or their employees in any advertising, promotional, sales literature, or on any product without the prior written approval of the BLM for the specific use. The permittee shall not state or imply that the Government or any of its organizational units or employees endorses any product, service, or activity as being conducted by the BLM. The BLM does not directly or indirectly endorse any product or service provided, or to be provided, by the permittee whether directly or indirectly related to this Special Recreation Permit. The permittee may not portray or represent the permit fee as a special federal user ' s tax. The permittee must furnish the Authorized Officer with a current brochure, or website, including price list.

G. Responsibility of Permittee. The permittee assumes responsibility for inspecting the permitted area for any existing or new hazardous conditions, e.g., trail and route conditions, landslides, avalanches, rocks, changing water or weather conditions, falling limbs or trees, submerged objects, hazardous flora/fauna, abandoned mines, or other hazards that present risks for which the permittee assumes responsibility.

H. Resource Protection: The permittee cannot, unless specifically authorized, erect, construct, or place any building, structure, or other fixture on public lands. Upon leaving, the lands must be restored as nearly as possible to pre-existing conditions.

I. Display of Permit: The permittee, permittee' s employees, agents, and Authorized Officer approved subcontractors, must present or display a copy of the SRP to an Authorized Officer's representative, or law enforcement personnel upon request. If required, the permittee must display a copy of the permit or other identification tag on equipment used during the period of authorized use.

J. Operating Plan. The operating plan submitted in the application corresponding to this permit is incorporated as the operating plan for this permit. Any changes to your operations as described in this plan must be requested in writing to the BLM. This request must receive prior written approval from the BLM Authorized Officer before the operating plan changes may take effect.

K. Accounting Records: The Authorized Officer, or other duly authorized representative of the BLM, may examine any of the books, documents, papers, or records pertaining to the permit or transactions related to it, in the possession of the permittee or its employees, business affiliates, or agents for up to three years after expiration of the permit. For permits with fees greater than $10,000 annually, when requested by the BLM, the holder at its own expense shall have its annual accounting records audited by an independent public

RECOMMENDATION:

I move to approve the dispersal of funds to the Moab Canyons Endurance Ride and the Red Canyon Pow Wow as recommended by the Travel Council Advisory Board (TCAB).

BACKGROUND:

As of July 2022, there were unallocated funds in the budget designated for the Event Grant. In response, the Economic Development Department (EDD) reopened the application period. - 2022 Moab Canyons Endurance Ride ($3,000)
- 2022 Red Canyon Powwow ($18,300)

EDD is asking the County Commission to approve the aforementioned grants.

Brief Description of Event (Include daily schedule, vendors, details, etc.)	Red Canyon Powwow is a two-day cultural celebration being held at the Old Spanish Arena on Oct 22- 23, 2022, which showcases Native American culture, dances, and songs. The event is for all ages and brings people together from a variety of backgrounds, including BIPOC and LGBTQ2S+ communities. Dancing and singing begins on the 22nd at 12PM and ends at 10PM, Sunday dancing and singing begins at 12PM and ends at 5PM. Variety of arts and craft vendors will be set up for visitors to purchase goods.
Population Served (Include age groups, race & ethnicity, income levels, etc.)	Red Canyon Powwow is for all ages and people from different backgrounds and ethnicities. Although, traditionally Powwow's are for Native American people to participate in and benefit from, we understand that building bridges between communities is very important and we recognize that the native and non native people will be served through small business activities and participants at the Powwow who will compete in the contest dancing. A large majority of Native American people live in today's society and are faced with economic barriers and due to the covid-19 pandemic, which is why hosting events like the Red Canyon Powwow provide an opportunity for the Powwow community, Native American community and the general public to have a chance to benefit financially throughout the weekend.
How will your event promote sustainable practices and/or responsible recreation?	Native American people have a strong understanding of stewardship of traditional lands. These practices are deeply tied to the understanding that we must care for the land that we walk upon and practice being good relatives to the land. This event plans to be an environment friendly Powwow. This year we are promoting recycling, carpooling, cleanup of the venue, and our emcee will tell stories of caring for the land through an Indigenous lens. This is how we will promote sustainable practices and responsible recreation throughout the weekend.
Please describe your marketing/ advertising plan	We have contracted a Native American artist to help put together a flyer for us to support advertising the event. Last year we worked with the Moab Happenings, local media outlets, radio stations, and social media platforms to ensure a successful event. We plan on doing this approach again, but would like to pay for videography services before and during the weekend so that our marketing and advertising performance increases year to year. If we can provide a video to help showcase Native American dancing than we have something that will attract more visitors to the Powwow. We also would like to utilize micro influencers to help support the event and pay them a small honorarium for their time. This is how we plan on getting the word out about this year's Powwow.

Please describe any "Other" expenses	Our committee will use this grant to help cover various expenses for the Red Canyon Powwow. The host drum group Blackstone Singers ($10,000 performance fee), has 10 members who will be singing and performing throughout the event. These expenses are listed on the budget as "other." We also recognize that we have staff that will be traveling from the Utah county area and will need gasoline costs covered, which is why there is another $400 listed under "other."
Please describe any "In-Kind", "Cash Donations", "Non-Cash Donations", and/or "Other Grants Awarded"	Because most of the people on our committee for the Red Canyon Powwow have been working diligently since April 1, 2022 for the event. 11 individuals have given a total of $8,000 in-kind due to the fact that we have been meeting regularly once a week since April 1st and two people have been working part-time on this event since April 1st to ensure that we have a successful event. In-Kind Donations: Shelly Willie - $500 Elena Satula - $500 Chase Hobson - $500 Jacob Crane - $1500 Wilson Atene - $500 Devan Kicknosway - $500 Palmer Gambler - $500 Melanie Glass - $500 Alec Ferguson - $500 Shayla hubener - $500 Rhiannon Velaquiz - $500 Julianne Waters - $1500 Total - $8,000 Cash Donations: Crane family - $5,000 Utah Division of Indian Affairs - $3,000 Turtle Island Collective - $300 Jansen family - $1,000 Gofundme - $4500 Total - $13,800
Please describe any "Other" revenue	Currently we are charging $10,00 a person to enter the Red Canyon Powwow. Last year we had a total of 882 people walk through the event during the weekend. We are estimating that we will have 1,000 individuals enter the Red Canyon Powwow, which would bring our revnue to $10,000.

This grant is paid for with TRT funds, which are designated for driving visitation to the area. How will you use this grant to accomplish that goal?

The majority of the grant will be used to bring performers to the area that will draw in a larger than usual crowd to the area of Grand County and Moab. We have contracted Blackstone Singers who are top ten in the Native American Singing Championships in the world. We are also using the same venue from last year's Powwow that is perfect for a Powwow the size of Red Canyon Powwow because it has all of the amenities for parking, washrooms, soccer fields for dancers, electricity, and is located outside.

Grand County is famous for its beautiful landscape and scenery. We are utilizing videography to help showcase the story of the dancers and the land to market and advertise the event on social media platforms, newspapers, radio, etc. A small portion of the grant will be used on permits, and administration fees that will help with ensuring that we have the proper steps in process to move the project forward.

What is the goal of this event? (Include target participation)

The very nature of a powwow is to bring people together. It is a celebration where everyone can come together through sharing cultures, songs, food, and dance. Powwows were and still are a social gathering where different tribes came together to share in song and dance, traditional teachings, and trade. Today we still carry on these traditions and teachings and continue to share our culture with all visitors. Throughout the powwow the Emcee and Arena Director will share various teachings, explain certain dances and the cultural significance with the audience. They strive to make all feel welcome and included to help bring communities together.

The Red Canyon Powwow is an opportunity for Indigenous youth to practice their culture on a larger platform, as well as learn new dances. For many Indigenous youth, going to powwows and participating is one of the main pillars to their identity, and is a place they make lifelong friends. While most powwows are a competition today, there are various social dances, like Intertribal and Round Dances, throughout the event where everyone is welcome to join and dance together. These dances sprinkled throughout the powwow are always a crowd favorite because all are welcome, Indigenous or non-indigenous, to come and learn and dance. These are one of the main moments where friendships are built and communities are brought together.

What means will be used to gauge the success of your event?

We plan to gauge the success of the event if we meet our goal of 1,000 people entering the event during the weekend. We also plan on providing a short survey on whether or not we should continue hosting the Red Canyon Powwow in Grand County to a number of individuals so that we are operating on feedback and people enjoying the event. Lastly, the amount of partnerships and relationships that our organizations makes during the weekend is also an indicator that we are successful because people are choosing to support this event both physically and financially.

AGENDA SUMMARY

GRAND COUNTY COMMISSION MEETING

TITLE:	Repealing and Replacing the Budget Advisory Board Duties and Functions to include the Treasurer as a Permanent Board Member
FISCAL IMPACT:	None
PRESENTER(S):	Chris Baird, Budget Officer

Prepared By:

Chris Baird

FOR OFFICE USE ONLY:

Attorney Review:

SUGGESTED MOTION:

I move to approve the ordinance repealing and replacing Ordinance 572, The Grand County Budget Advisory Board Duties and Functions, to replace the term limited Elected Official position with the Grand County Treasurer as a permanent board member.

BACKGROUND:

The Grand County Treasurer has been serving on the Budget Advisory Board filling the "additional Elected Official" position. However, this position is limited to 2 terms. Which means that the Treasurer would not be able to continue to serve on the board.

The Grand County Treasurer serves a vital role in the financial administration of the County and is necessary in the budgeting process.

This Ordinance replaces the "additional Elected Official" position with the Grand County Treasurer as a permanent position on the board.

The Treasurer is aware of and approves of this ordinance.

The only other change is to replace all instances of "Council" with "Commission".

SUGGESTED MOTION:

I move to approve the First Amendment to the Independent Contractor Agreement between Grand County and Love Communications for the purposes of authorizing $25,000 to be spent on the development of creative assets and marketing materials.

BACKGROUND:

The Grand County Economic Development Department (EDD) requests that the Grand County Commission approve an amendment to the Independent Contractor Agreement between Grand County and Love Communications. The amendment expands the scope of work and payment sections of the agreement so that the EDD can pay for needed creative services as documented in the attached "Scope Proposal" document. Although the proposal estimates a maximum cost of $23,000, the EDD added $2,000 to the maximum spend on these services to cover unexpected costs.

As will be separately discussed during this meeting, we are requesting a budget amendment to be considered at the September 20, 2022 commission meeting that would authorize a marketing campaign to be launched as soon as possible. In order to move quickly on that campaign, Love Communications has put together a Creative Brief that would direct the production of these creative marketing materials. County Commissioners Jacques Hadler and Sarah Stock, Travel Council Advisory Board Chair Jenny Gleason, Strategic Development Director Chris Baird, and EDD staff approved the final Creative Brief, which is attached for reference.

Love will concept and execute creative units for both campaigns, utilizing existing brand guidelines and all visual assets (photos, videos, illustrations, etc.) that are owned by Moab Area Travel Council.

Campaign: Fall 2022 Drive Campaign Creative

Fall 2022 Drive Campaign

OBJECTIVE:	Why are we here? What are we trying to accomplish? To provide awareness and a reminder to potential travelers within drive distance that Moab is a great place to visit.
TARGET AUDIENCE (PERSONA):	Who am I? What's in it for me? Like previous media efforts and those of the State's Forever Mighty and Red Emerald Initiatives, we don't want just any traveler, but those that have responsible recreation top of mind (e.g. low impact recreationists), and possessing a curiosity to learn more about Moab as a place to respect and learn more about.
INSIGHT:	Something that you didn't know before. Something that may change the way you think about the challenge? The best thing for Moab is to just come and visit. While it could sound overly simple/obvious, it serves as a reminder to Utahans or those nearby that Moab should remain on the vacation to-do list, whether that's for a day trip or extended visit through the fall months.
THE ONE THING:	What is the unique selling point? The single thought you want your target audience to remember in 10-or less words? To portray Moab's landscapes as national treasures, not a playground.
EVIDENCE/RESEARCH:	What information do we have to support "the one thing"? Visiting after Labor Day presents just as many opportunities to appreciate and enjoy Moab in the summer: from culinary and shopping in town, to red rock and rafting adventures, Native American culture, arts and events, and of course—proximity to National and State Parks.

CURRENT PERCEPTION:	What do I believe about the category, brand, product, or service before seeing this communication? Utahans may consider Moab is a summer-only destination or providing a diminished experience due to overcrowding or recent flooding.
DESIRED PERCEPTION:	How do we want to change or re-inforce the current perception? What should I think, feel, believe, or do after seeing the creative? Remind nearby travelers that Moab is accessible, beautiful, and ready for business.
DESIRED TONE/FEEL:	What is the desired tone and feeling we want to convey? Use only 3-adjectives or less. Welcoming and friendly
MANDATORIES:	What must be included? Such as a Brand Style Guide, Logos, Colors, and Trademarks, anything that is stylistically required? Utilize existing brand standards, avoid use of jeeps/UTVs in imagery. Rely on other outdoor activity imagery, e.g. rafting, hiking, biking
HOW IS THE CONTENT BEING DISTRIBUTED such as Owned, Earned and Paid Media:	Where, when, and how is the campaign/message being promoted? Campaign to be aligned to media plan reviewed on 8/22, inclusive of paid traditional and digital media.
TOTAL DELIVERABLES	How many concepts do we need to present? How are we presenting? Given time constraints we will need to focus on a handful of directions, being mindful that chosen concept should inform next campaign to promote Moab to fly-in markets. In collaboration with the Moab team, another key part of the campaign will be a designated landing page on discovermoab.com to drive traffic to.

Book Cliffs Herbaceous Weed Treatment

Summer / Autumn 2022

Treatment type: Mechanical

Species: Black Henbane *Hyoscyamus niger,* Houndstoungue *Cynoglossum officinale*

Location: Book Cliffs area - Seep Ridge Road, Wire Fence Canyon, South Canyon, Horse Canyon, and any livestock ponds found. Maps will be provided, as well as direction and assistance from Grand County Weed Department personnel.

The Book Cliffs is a large swath of wild multi-agency land in the northern part of Grand County, and hosts a variety of noxious weeds that degrade natural ecosystems and threaten wildlife. This area is remote and often requires a large amount of hiking to access the noxious weed populations that are most commonly spread by livestock and other herbivorous mammals. The goal of this project is to reduce the spread of noxious weeds by targeting plants in main access and high use areas, such as livestock ponds and along trails and roadsides.

<u>Species</u>

The two target species for this project are Black Henbane (*Hyoscyamus niger),* and Houndstongue (*Cynoglossum officinale)*, which both pose a health risk to wildlife and livestock. These plants can also cause dermatitis in humans, and are toxic if ingested. **Handle with caution**.

Treatment

Mechanical treatment for these plants will consist of digging, clipping seed heads, and placing plants into plastic contractor bags (provided by Grand County). This will require walking and hiking along roads and trails with hand tools, at an average of 5 miles per day. The terrain can be difficult, and a high amount of sun exposure is likely. At each treatment area, GPS locations will need to be recorded, as well as the types of plants found and the amount of plants removed.

Recommended PPE

- Long sleeve shirts
- Full length pants
- Gloves (leather or other strong material)
- Full-coverage boots that are comfortable to walk in
- Sun protection
- Hand-washing equipment to lower the likelihood of skin reactions

Recommended Tools

- A device to record GPS location and amount of plants / areas treated
- Pick-Mattock / Pulaski / Cut- mattock (does not need to be sharp)
- Shovels
- Loppers
- Small clippers / pruners

There is cell phone service at most of the higher elevation points, and along most of the main roads. There are several large camps near each of the target areas. Potable water may or may not be available, so bringing a week's worth of water is recommended. Groover or toilet system will be necessary.

Re: MLSNF SZ Hydrologic Function Rehabilitation and Restoration

Dear Mr. Lay,

We are writing in support of the proposal outlining a plan to restore springs, wetlands, streams on the Moab-Monticello Ranger District. This is much-needed work and we commend your forward thinking and focus on watershed health and resiliency. Our watershed is clearly of utmost importance to the population of Grand County, and as climate change is expected to increase the instance of drought, flood, and fire, it only makes sense that we also accelerate our pace of restoration work. In this case, with the proven, low-tech, distributed restoration techniques outlined, categorical exclusion seems appropriate. We hope to see ample funding dedicated to make this plan an impactful reality.

We are excited to hear more of each project to come and to continue to work together to restore hydrological functioning in the forest.

Thank you for your focus on watershed health,

Jacques Hadler

AGENDA SUMMARY

GRAND COUNTY COMMISSION MEETING

SEPTEMBER 6, 2022

TITLE:	Discussion: Expanding Direct Marketing, Economic Diversification Programming, Related Financial Updates, and Associated Budget Amendments
FISCAL IMPACT:	~$1,050,000 from TRT Fund Balance
PRESENTER(S):	Chris Baird, Strategic Development Director August Granath, Economic Development Director Ben Alter, Economic Development Specialist

FOR OFFICE USE ONLY:

Attorney Review:

SUGGESTED MOTION:

n/a

BACKGROUND:

The Grand County Economic Development Department (EDD) intends to initiate a budget amendment process to supplement the tourism promotion and economic diversification funds of its budget for the 2022 budget year. This budget amendment, if approved, would increase the 2022 tourism promotion budget by approximately $550,000, and the diversification budget by approximately $500,000.

For the sake of today's discussion, the EDD estimates that it would spend some of the additional tourism promotion funds on the following:

- Approximately $550,000 for a Fall '22 marketing campaign to be executed by Love Communications. This campaign can be broken down into two components: 1) A $500,000 campaign that focuses on capturing visitors from nearby markets who are reducing the quantity and duration of fall road trip travel as a result of inflationary pressures such as high gas prices, recession concerns, and increasing availability of post-pandemic international travel; and 2) A $50,000 Fall '22 campaign that focuses on international visitors from Canada, the UK, Germany, France, Belgium, Netherlands, Australia, and New Zealand. These markets have been selected based on the recommendation of the Utah Office of Tourism's International team upon discussion of our goals for visitors who have a high economic impact with a low environmental and community impact.

- The above campaigns would be in addition to a County Commission approved and contracted $300,000 Fall '22 campaign that will drive visitors from relevant markets to fly into Moab via Canyonlands Regional Airport. Lastly, the EDD has plans to request funds to continue these campaigns through 2023 during the budget process this fall.

The EDD intends to call for this amendment in part due to below average TRT collections and visitation to Moab, which has created financial losses for many of our community's

businesses. Tax data provided by Strategic Development Director Chris Baird show slight drops in TRT tax collections. While Visa Destination Insights data accessed by Economic Development Specialist Ben Alter show that, despite a strong start to 2022, visitor spending is overall down in comparison to 2021.

The EDD intends to spend some of the additional economic diversification funds on the following:

- Adding approximately $500,000 to the Sustainable and Resilient (STAR) Business Grant program.

Because of the previously described economic concerns, the EDD would like to request the suspension of the rules and a vote the night of the public hearing during this budget amendment process so that these programs can start as soon as the conclusion of the September 20, 2022 county commission meeting. This would allow the EDD to launch the Fall advertising campaigns during a key trip planning window and get much needed support to our local businesses via the STAR grant program.
